## Spritz, come together

Mobile and comfortable, Spritz keeps everyone engaged. The series extends itself with work chairs in two back heights and counter/transaction height stools. The translucent, elasticized mesh back is available in a range of colors that are easy to coordinate with any Global textile. Spritz offers an economical, versatile and highly durable choice for the workplace and learning environment.

## Nest. Roll. Store

Create interactive spaces that promote collaboration and versatility. Spritz multi-purpose chairs have a flip-up seat and horizontal nesting capability. Arrange in groups to share ideas, then align in rows for presentations. Nest together and roll away until your next event.

---

## Mix it up and make your space

Task models are a great fit for office, classroom and study hall applications. The pneumatic seat height adjustment delivers a quick fit for everyone.
