Community Event – Funding Program Guidelines

The Florida State Legislature enacted the Local Option Tourist Development Act (Section 125.0104, Florida Statutes) in response to the growing need of Florida counties to provide additional revenue sources for Tourist Development in an effort to stimulate the local economy. The Marion County Tourist Development Council (TDC) was created pursuant to Marion County Resolution 04-R-44, as a result of the 2004 passage of the 2% Tourist Development Tax (TDT) and subsequent passage of an additional 2% TDT in 2015, and operates in accordance with Section 125.0104, Florida Statutes and Marion County Code Art. XIII, sections 10-381 through 10-386. The TDT is levied on occupied transient lodging sales, i.e. hotels/motels, campgrounds and other short term rental properties. The Tourist Development Tax Revenues are designated to promote Ocala/Marion County as a preferred visitor destination.

OBJECTIVES OF THE COMMUNITY EVENT FUNDING PROGRAM***:

- Provide more events that will allow the community and visitors alike to enjoy the destination
- Encourage increased local and visitor spending.
- Reinforce existing positive image of Ocala/Marion County.
- Provide added value to the Ocala/Marion County experience.

***One of the main purposes of the events must be to provide community based recreation for locals and visitors to Ocala/Marion County.

TDT funding of community events and ongoing programs generally should be provided only on a limited term basis, as “seed funding”, not as a perpetual revenue source. This is to encourage organizations to develop their programs in ways that help organizations to become self-sufficient regarding their promotional expenses. In doing so, funding is made available to assist other events and organizations, thereby enhancing the overall community product.

To request funding support as a Community Event, an organization (Applicant) must prepare an application as part of the competitive annual award cycle.

If an application to fund a festival, event or program (Event/Project) is received outside of the specified cycle and funds are available, the untimely application may be reviewed by the TDC following a supermajority vote (majority plus one) to be considered for funding.

**Dates subject to change with notice.

To ensure proper budgeting procedures, the TDC will receive and review submitted applications on an annual basis.

The TDC will then determine the recommended contract award dollar amount and forward that recommendation to the Marion County Board of County Commissioners for approval. Applicant is encouraged to not contact members of the TDC in order to provide a fair and equitable process of consideration of each applicant.

PROGRAM OVERVIEW
The number and amount of each Community Event Funding Program award will be dependent upon the availability of funds and specific allocations associated within the annual Tourist Development budget. The maximum award will be no more than 10% of the allocated budget for the Community Event Funding Program based on available revenue. FY 16-17 budget will be $50,000 – but this number may change in subsequent years.

EXAMPLE: 10% of $50,000 is $5,000 – therefore $5,000 is the maximum amount that will be eligible for an individual request.

Awards will be funded on a sliding scale reflective of the point values outlined in the section titled Community Event Funding Program Application. For example, if Applicant requests $5,000 and scores 45 (averaged) out of 100 points, the maximum amount of funding Applicant will be recommended to receive is $2,250 (45% of $5,000).

TDT funding support of a Community Event is reviewed and recommended yearly based on documented performance.

New/Repeat Events
For the purpose of OMCVCB funding programs, a new event is defined as a specific event named in the application that has not been held in Ocala/Marion County during the previous three consecutive years and a repeat event is defined as a specific event named in the application that has been held in Ocala/Marion County at some point during the previous three consecutive years.

Please contact Sky Wheeler, Sales and Operations Manager at 352-438-2800 with any questions
The criteria for the recurring funding of events are, as follows:

**New Events:** First and second year events. These events will be eligible for the maximum amount of funding associated with the corresponding funding scale.

**Repeat Events:** Repeat events with a continuous 3-5 funding year history. These events will be eligible for 80% amount of funding associated with the corresponding funding scale.

**Exceptions**
As with all policies there will be exceptional circumstances. It is to be acknowledged that while it is clearly not possible to legislate for the unknown, it is possible to identify and anticipate the potential for exceptional circumstances and to weigh our response to them. The TDC may recommend to increase funding in extraordinary circumstances. These will be reviewed on a case by case basis for considerations and recommendation to the MCBCC for final approval.

**MEETING REQUIREMENTS**
All recipients of the Community Event – Funding Program funds are required to meet at least once (in person or via phone) with representatives from the Ocala/Marion County Visitors and Convention Bureau (OMCVCB) to review marketing plans and coordinate marketing efforts. As part of the cooperative marketing efforts, the Event/Project planner must provide 20 tickets (or other negotiated amount) to the OMCVCB to be used for promotional purposes.

**EVALUATION METRICS**
Annual applications will be evaluated on these metrics:
- Total attendance;
- Generation of incremental economic activity;
- Marketing exposure for Ocala/Marion County and the Event/Project;
- Event site must be located in Marion County;
- Applicant must be based in Marion County (as confirmed on W-9); and,
- Narrative on how quality will be delivered (i.e. production values - presented, performed, exhibited, etc.)

**Examples of eligible exposure:**
- Marketing mediums such as:
  - Newspapers;
  - Mass audience magazines;
  - Social media;
  - Travel journals;
  - Trade magazines;
  - Radio;
  - Television;
  - Website;
  - Visit Florida advertising or promotional co-op opportunity;
  - Advertising co-ops coordinated by the OMCVCB; and,
Matching Funds
Regardless of the funding amount awarded for the Event/Project, the award will not exceed Applicant’s documented expenditures. Applicant is required to provide matching amounts (either in-kind or monetary) equivalent to 50% of the award amount.

- In-kind services are defined as goods or services provided to the Event/Project for which Applicant would normally have to pay. The value of the match should be based on the difference of what Applicant would normally have to pay for the goods or services, and what Applicant actually has to pay. Documentation of the value will be required from the contributing entity. Applicant is encouraged to list in-kind donations as demonstration of additional community support. Volunteer time is considered an in-kind service and will be calculated and based upon the volunteerinamericagov valuation that has federal oversight by the Office of the Inspector General.
- In-kind media equivalency will be reviewed on a case-by-case basis.
- TDC funds allocated to an Applicant cannot be used as matching funds for another Applicant’s project or as matching funds for any other Marion County program.

Applicant may not receive funding from more than one TDC program for the Event/Project.

REVIEW PROCESS
The TDC will review each request brought forth by the OMCVCB.

Applicant requesting funding is required to attend and must offer a three (3) minute “update” at the assigned TDC meeting in which the application comes up for review and respond to questions from the TDC. Failure of an Event/Project representative to attend the specified TDC meeting will result in the application being removed from the Community Event consideration.

Tourist Development Tax funds are intended to supplement, not replace Applicant’s Event/Project budget. Applicant must recognize that not every application will be funded either fully or partially. There is a limited amount of money available. This is a highly competitive process and applications will be reviewed and scored on specific criteria.

- Applicants must notify the OMCVCB and TDC of any changes (i.e. date, venue, event content etc.) to their Event/Project plans in writing at least 150 days prior to the Event/Project start date. Failure to do this can result in termination of the contract and jeopardize future funding. This is necessary to properly promote programs through various marketing platforms and the OMCVCB website www.ocalamarion.com. The TDC/MCBCC would have to vote to accept these changes and maintain or adjust funding accordingly.
- All information provided to the TDC in conjunction with the Community Event - Funding Program Guidelines will become a matter of public record, except for information exempt pursuant to Section 125.0104 (9)(d)(2), Florida Statutes.

Please contact Sky Wheeler, Sales and Operations Manager at 352-438-2800 with any questions
- Requests for reimbursement must be signed by Applicant’s chief officer.
Record Keeping and Audit
- A successful Applicant is hereinafter referred to as the “Recipient”.
- Recipient agrees to allow TDC staff access to the Event/Project for the purpose of determining economic impact and return on investment. If tickets are required for the Event/Project, Recipient is required to collect from the ticket purchased either a street address or email address along with the purchaser’s name for the purpose of TDC’s surveying the purchaser about attendance at the Event/Project. Recipient must cooperate with the TDC staff and/or contractors in providing email addresses of ticket buyers and vendors for the purpose of surveying.

- The TDC reserves the right to request additional information beyond that requested in the funding application/guidelines.
