Lessons from Jacob's Journey

a up & down journey of 30 years

1. Obey God's Commands

God's commands are clear & gracious

God speaks to us (Christ & Word) Heb 1:2; 2 Pet 1:3

How to Spiritually Clean: 1) Confess sins; 2) Read Word 3) Obey

Know (1 Jn 1:9)

Clear out idols (anything that takes place of God)

2. Fulfill Covenant Commitments

God mainly wanted Jacob's obedience & worship — likewise yours

God is the covenant keeping God — all we do is respond in His grace —
recommit

3. Remember God's Past & Continuing Grace

God was gracious to Jacob (35:1,3,7) protection from Esau.

God was gracious to Jacob: 35:5 protected from Canaanites

God renewed promises 35:9-13

4. Trust God with Present

Seems to be long period of silence

Obedience to God doesn't guarantee life free from trials

Jacob had sorrows:

a. Death of Deborah 35:8

b. Rachel dies in childbirth 35:16-20

c. Reuben's incest with Bilhah 35:22

d. Death of Jacob's father: Isaac 35:29

Trials can make us self-focused or God-focused

— what do they do in your life?

2 Cor 4:6-10 Do you see your treasure of Christ?
