

Amazing Love

October 2, 2011
Genesis 43

Oakbrook Community Church (PCA)
Pastor Mark W. Turner

I. God uses events to discipline and awaken our consciences 1-10

- Reuben begged: 42:37, Jacob refused
- Jacob's focus on self (6)
- Judah's changed heart (Gen 38 vs. 42:8-9); one of his descendants (Mt 1:2) would play that ultimate role in history!
- Consequences of sin - hard for others to believe change has occurred

II. Israel exercises faith and places his hope in God Almighty (*El Shaddai*) 11-14

- Calls upon same God as Abraham (Gen 17:1)
- V14 – prayer of faith – realizing everything depends upon God protecting his seed and carrying out the promises though things look bad

III. Amazing Love 15-34

- Brothers expect harsh treatment because of guilty consciences(42:21)
- Reassured about money (18-23)
- Kindness in treatment of Simeon (23)
- Shown Honor when feet washed & donkey cared for (24)
- Care and relationship in the words of Joseph (26-29)
- Amazing Love shown by elegant feast for famine sufferers

Common Grace – given to all by gracious older brother (Jesus Christ)

Romans 2:4; 5:6-8; 10:9
