

## Judah - God's Wonderful Plan

February 26, 2012

Oakbrook Community Church (PCA)

Genesis 49:8-12

Pastor Mark W. Turner

### Expectations:

- Reuben, Simeon, Levi.
- Judah's character: incident w/ Tamar (Gen 38) & selling brother Gen 37:27
- Not God's plan: Isa 55:8-9

### Blessings:

1. God's choice is according to His grace, not human merit
  - Eph 2:8-9 - nobody gets to boast!
  - Moses' agenda: how to relate to God: by grace alone
  - Your circumstances ordained by God for His purposes to teach, train or prepare you to be conformed into God's image: Rm 8:29; Eph 4:24; Col 3:10
2. True Repentance before God leads to knowing God's blessings
  - Judah demonstrated genuine repentance Gen 44:16-34
  - Willing to substitute for Benjamin – take whatever consequences
  - Lesson of godly repentance: 2 Cor 7:8-11
  - Not religion – but a relationship, an attitude towards God
  - God's Sovereignty – name of Judah = praise. Gen 29:35; yhwah<>ydh
  - Things that praise God are praiseworthy: give back praise: 1 Cor 4:7; Lk 17:10

### Prophecies:

- Lion of Judah - Rev 5:5 > Messiah
- Scepter not depart - unfolding covenant Gen 3:15; 12:2-3
- Great Blessing - ANE imagery of prosperity Dt 8:7-9
- Shiloh/until he comes to whom it belongs
- Messiah (to him shall be the obedience)- Isa 53:5; Rm 5:10

Will you receive God's blessings found in the descendant of Judah?

Will you rest in His obedience on your behalf?
