I understand that I am entering into college level coursework. Thus, I recognize that I will be expected to behave in a responsible and engaged manner. Here are some specific policies that I will adhere to and understand.

Class Behavior:

- Respectful and honest behavior will be expected in our class at ALL times. Proper listening and speaking etiquette is a must. Our many discussions and debates will be appropriate and respectful to one another. This demonstrates the IB profile attributes of caring, principled and open-mindedness.

Attendance:

- Regular attendance is a MUST for this class. Failure to maintain a good attendance record may result in removal from courses, and will result in make up time on Fridays. IB requires a specific number of hours per part of the course in instruction.
- If you are absent, it is your responsibility to meet with your teacher to discuss what you have missed and how to move forward successfully.
- These courses require a strong work ethic and commitment on the part of the scholar.
