

The Odyssey Preparatory Academy

2016-2017 Waiver and Permission to Walk Home

Scholar Name: _____

Scholar Name: _____

Scholar Name: _____

Parent Name: _____

It is the general policy of The Odyssey Preparatory Academy that all scholars are to be picked up at the completion of school and from after school programs by an authorized adult. The authorized person must sign out the registered student. However, there are circumstances in which a parent/guardian prefers to give permission for his/her child to walk home/leave the programs without adult supervision. The purpose of this waiver/permission slip is to give permission for your scholar to walk home after school or participation in after school programs.

Scholars can only leave campus from the East by using one of the marked and supervised crosswalks.

By signing below, I hereby give permission for the above named scholar(s) to walk home after school and/or after participating in an after school activity without adult supervision on any school day. I understand that no Odyssey teachers, the City of Goodyear nor any member of the board shall be held responsible or in any way liable for the conduct or safety of any scholar of The Odyssey Preparatory Academy at any time when such pupil is not on school property. With this permission slip, I indicate my consent to assume total responsibility for the above named scholar or scholars.

By my signature below, I agree to waive all claims against The Odyssey Preparatory Academy, from any and all liability or claims, which may arise out of my child leaving The Odyssey Preparatory Academy after school and/or at the completion of after school activities without adult sign out or adult supervision.
