Denny's is a global classic restaurant brand with a rich and decades-long history of success and signature comfort food.

Back in 1953, Harold Butler, the proprietor started his business with a firm promise

"We're going to provide the greatest cup of coffee, create the best doughnuts, give the best service, maintain everything pristine, offer the best value, and stay open 24 hours a day"

70 years later, we still follow his formula for success, offering a warm and welcoming place where guests can connect over great food, where comfort cuisine, whether breakfast, lunch, or supper, is created to order and provided at any time of day or night.

And at a price that is as reasonable as the service.

Today Denny's has more than over 1.600 restaurants in over 14 countries around the world.

We're always open, always serving your favorites, and we're proud to be America's diner.

It's gotta be Denny's!
