FRENCH BAKERY | LE RESTAURANT

Dear Friends of PAUL,

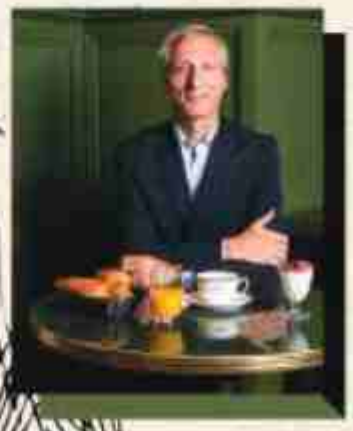

In 1889, our journey began in France, where my great-great-grandparents founded PAUL bakery. Today, we're proud to serve our traditional breads and pastries across 56 countries, with over 850 outlets worldwide.

Singapore, a market we've cherished for over a decade, holds a special place in our hearts. With ten thriving outlets and more to come, we're delighted to see you embrace the PAUL "Art De Vivre" with our handcrafted coffee drinks and viennoiseries.

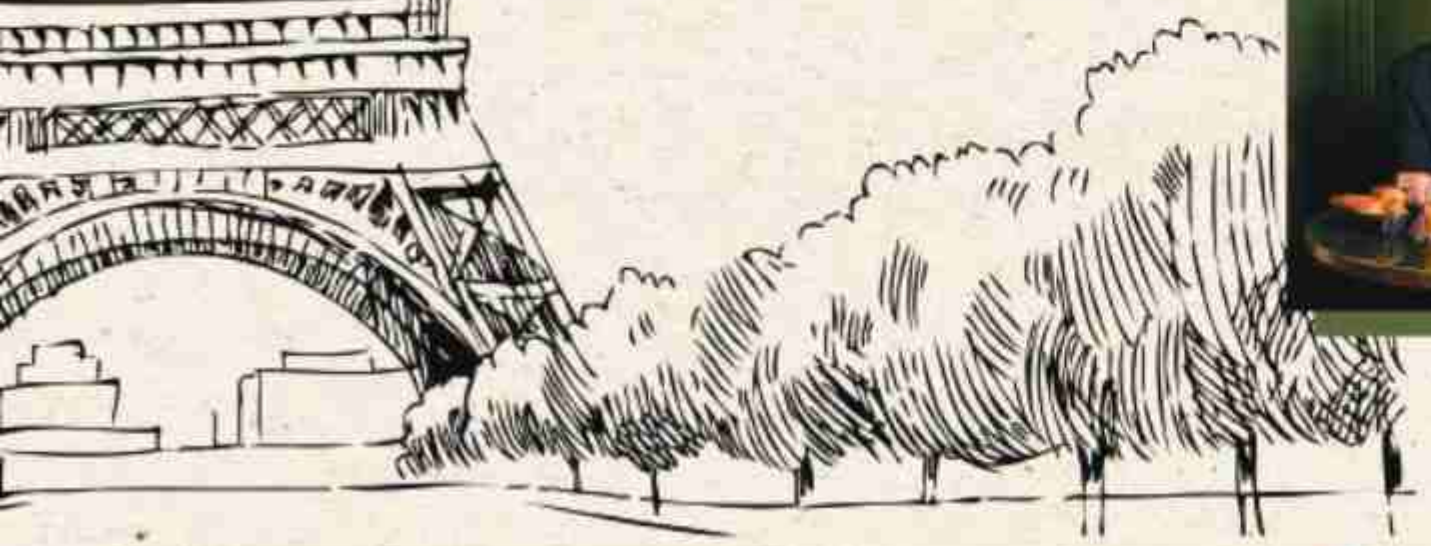

For five générations, PAUL has been dedicated to sharing gourmet delights from French baking and pastry traditions, served in authentic settings.

In 2018, as part of our commitment to our mission of sustainable growth, we extended our focus to creating meaningful moments around healthy, quality, and enjoyable products. This journey is underpinned by our Corporate Social Responsibility (CSR) commitment, reflecting our intention to make a positive impact by addressing environmental, social, health, and ethical issues.

At PAUL, we invite you to savour life's joys and never lose your passion for enjoying delicious food and living well. Thank you for being a part of our journey.
