Welcome to Sarnies

Thanks for visiting our original Sarnies branch established in 2011.

Back then, we couldn't find ourselves a good hearty sandwich in the city, so we went to the trouble of building our own shop to get what we were craving, and also share it with others to enjoy too!

Since then, we've learnt to make many other things. Comfort food is at the heart of everything we do, using only the best ingredients we can find. We also roast our own coffee right here in Singapore, which we humbly think is pretty good!

Follow us on **@sarnies.sg** to be the first to know about new things we're whipping up for you.
