there's no one way to wagamama

at wagamama, we keep things simple, serving fresh food with bold flavours. while we were born in london, we find our inspiration in asia, a continent packed with rich ingredients, spices and aromatics. our food combines them all. some might call it fusion, others might say pan-asian, but we just say, it's wagamama

dive into our menu:

- **ramen.** japanese noodle soup with a savoury broth
- **donburi.** rice bowls topped with meat and vegetables
- **curry.** with flavours from across asia
- **juices.** always freshly squeezed to order

freshness is our thing. that's why all our meals are cooked to order and brought to your table as soon as they're ready. some dishes may come out sooner than others, so just dig in as they arrive

get a big plate and a shareable on the side, or ask for a selection of dishes to share between the table. how you order is up to you, because there's no one way to wagamama
