The End of an Era!

Avon High Bids Farewell to Mr. Klimczak.

Twenty-nine years. That's how long Mr. Klimczak has been teaching at Avon High School. He's taught Economics, U.S. History, Government, Physical Education, and Health, to name a few.

When Mr. K entered these halls 29 years ago, he was a vibrant young teacher ready to take on any task before him. He began to share his excitement of teaching and learning with the class of 1960, and has continued these feelings on through to his last year at Avon with the class of 1990.

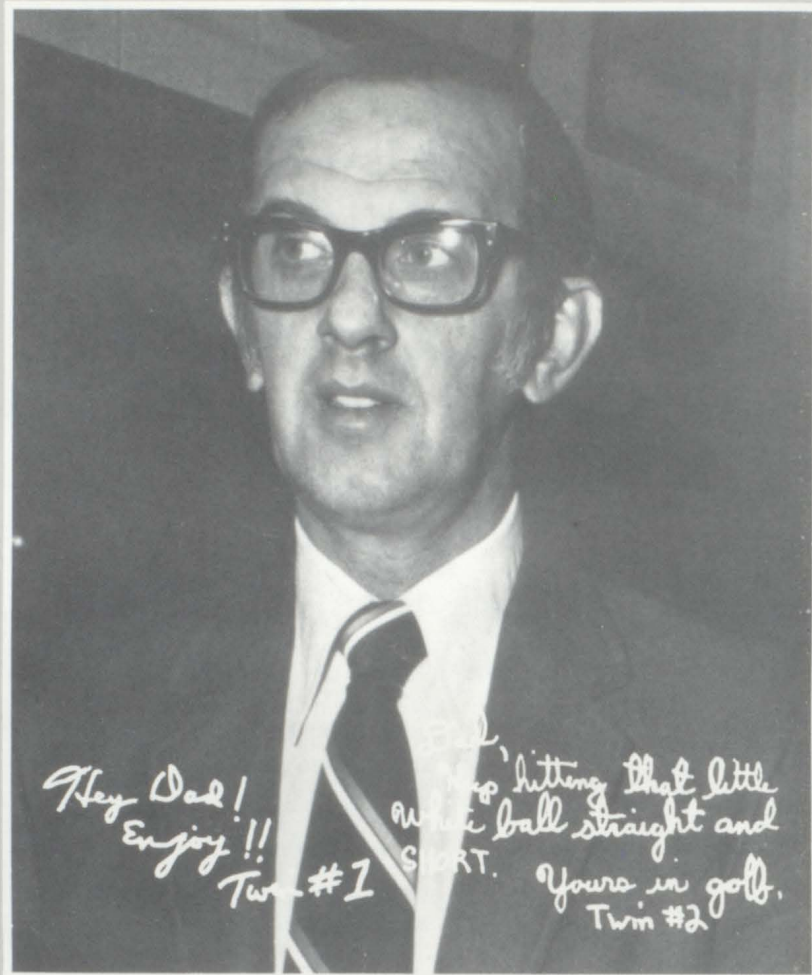

Mr. K's ideal student: A person who comes in, sits down, and is prepared to absorb the knowledge given to him or her.

Mr. K's favorite moment: The joy of receiving a train set from his Economics class two years ago.

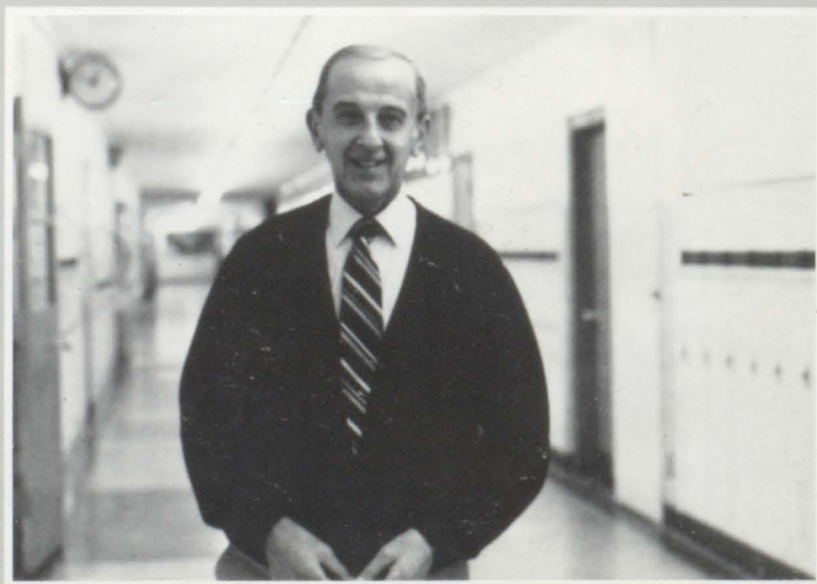

Mr. K's future plans: Working on the many court cases for the newly elected Judge Zieba.

When asked if he will miss Avon High School, he replied, "Absolutely! It's hard to forget twenty-nine years of your life!"

Good-bye and good luck, Mr. Klimczak! We will all miss you too!!!

14 years of service at Avon High School and half-way to happy retirement . . . it's time to relax!

Those Without Classes,

Above is the new superintendent of Avon Schools--Dr. Richard Hronek. He came to our community from the Bucyrus City Schools. Avon attracted his attention because of the unique challenge our system would provide. Dr. Hronek is excited about the sound instructional program and educational foundation of the Avon School System.

He can often be seen at school chatting with the students and staff throughout the halls of A.H.S. His contributions are certain to enliven the pride in our schools.

Above are the members of the Avon Board of Education. Top row, left to right: Mr. Tomlin, Theodore Schmitz, President--Norm Irwin and Dr. Hronek. Bottom row, left to right: Jim Smith, Joseph Scaletta and Dr. Jack Desario. Below are Mr. Tomlin, Treasurer, and Mrs. Bliss, his secretary.

These two on the left look pretty guilty of something, don't they? Well, they are the people who will handle your complaints about those ever-so-popular school rules, as they are the culprits who make them! That's right, it's Mr. Rick Buckosh and Mrs. Rosemary Jenkins! (Believe it or not, they make the rules for the good of all.)

The Year of Establishing

Prove They Have Style!!!

Above is the guidance office crew left to right: counselors Mr. Marshall and Mrs. Cash, and secretary Mrs. Fisher.

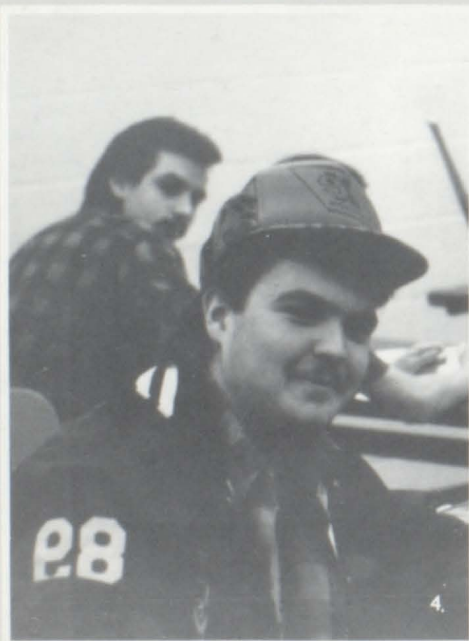

Above are the main office secretaries, Mrs. Dever and Mrs. Wanosik. Below are Mrs. Mayton and Mrs. McKinley, our librarians.

Above is the most-loved janitor of all--Mr. Ralph Roling. He's there if a light bulb fizzles or a sink gets clogged. Thanks, Mr. Roling, our janitor and friend!!

Expectations For Excellence!

The Melting Pot of

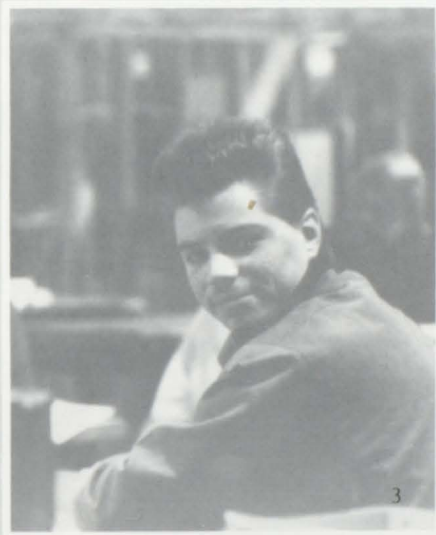

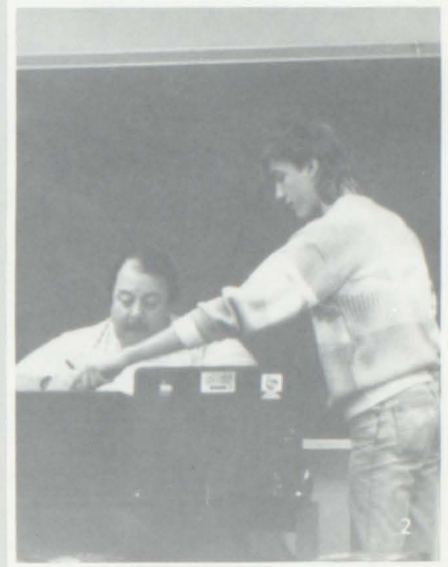

This year Avon High sent twenty students to LCJVS. There were nine juniors, ten seniors and one German foreign exchange student. These students all had a wide range of courses from auto-mechanics to word processing, with a bit of everything in between.

1. Word processor Alecia Urglic does her thing. 2. The Whole gang! 3. Smile pretty, Thomas Donato. 4. BJ Johnson gives us the seductive pose as he takes a break from class.

Row 3: Edward Thunning, Sam Satullo, Freddie Douglas, Brian Livingston, Todd Kinzel, Richard Kinzel.

Mr. Kelly is Avon High School's Occupational Work Experience teacher. For a portion of each morning, Mr. Kelly teaches all classes that OWE students need in order to graduate. When the school portion of the day is over, Mr. Kelly releases these students so they can go into their work places for the remainder of the day.

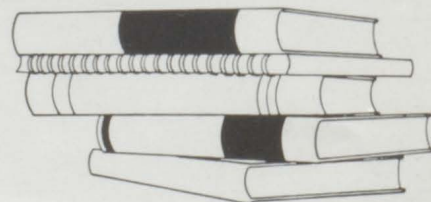

Teachers Working for Tomorrow

Every school has a very special program which deals with the education of students who have learning disabilities. Avon High School is no different. Our main learning disabilities teacher is Mrs. Gascon. Our tutor, Miss Sito, also lends a hand.

The learning disabilities program here at Avon High is excellent. Mainstream teachers and learning disabilities teachers cooperate to make it possible for students with learning disabilities to achieve better grades and to feel more confident when it comes to their education.

Thank you, Mr. Gascon and Miss Sito, for a fine job!

Taking Care of Business

Our business department here at Avon High School is one of the best around. Two wonderful ladies run the program, Mrs. Mostad and Mrs. Jensen. There are many business classes from which a student can choose to include in his or her curriculum. These classes include typing, shorthand, word processing, keyboarding and law classes.

Students in business classes enjoy helpful classes which will prepare them for the working world. There are even some field trips. This year, law students witnessed the drama of a real court case here in Lorain County Court. The excitement and hard work never ends. So everyone is "...Taking care of business, everyday!"

Captions: 1. Future lawyers Suzie Meixner and Christopher Laskey discuss the day's class content. 2. Our beloved business teachers, Mrs. Jensen and Mrs. Mostad. 3. Mari Gundersen looks confused. 4. Typing, typing, we love typing!

Study People and Events in Social Studies!

Our social studies department is run by a crew of three great teachers, each having his own style of teaching. First, there is good old Mr. Klimczak, our US History I and II teacher. He also teaches a couple senior econ and government classes. The other econ and government teacher is Mr. Janitzki, known also as Coach J. Last but not least is the rookie, Mr. Bruening. Our new social studies teacher teaches psychology, sociology, current events, world geography, and world history.

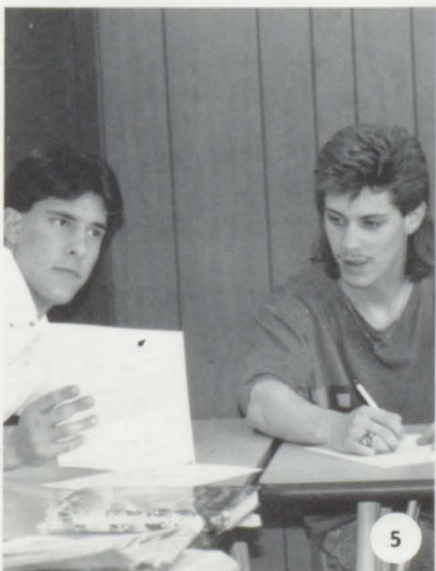

Throughout the year, the various classes do many different things. In US History, every junior knows that a movie coupled

with class discussion makes class very interesting. Mr. Bruening's classes enjoy art museum field trips as well as a trip to every high schooler's roots -- Avon East. Psychology and sociology students quickly learn what an essay exam is! Some seniors may feel that econ and government classes strongly resemble US History classes because of all those worksheets. Oh well, a class is a class, no matter how it's taught. Our teachers make learning social studies FUN!

Exploring the English Language

Students do many things in English class, including studying "Romeo and Juliet" in the 9th grade, creating their very own poetry book in the 10th grade, reading "The Great Gatsby" in the 11th grade, and studying "Macbeth" and getting dancing lessons in the 12th grade.

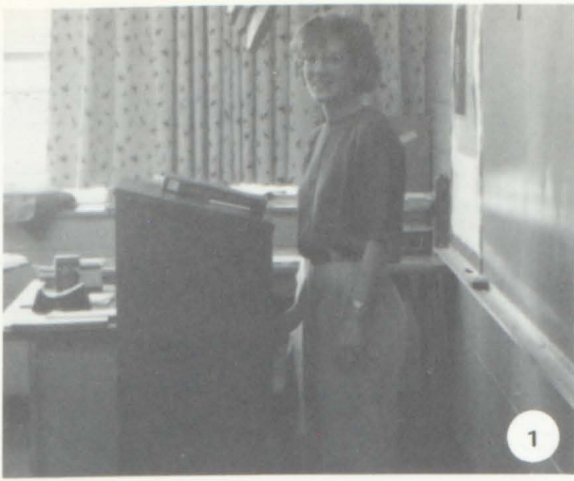

AHS employs five excellent

teachers in the English department. These teachers are: Mrs. Obbey and Mr. Eaton, English 9; Mrs. Meikle, English 10; Mrs. Hull, English 11, speech, and theater; and Mr. Reynolds, senior and college prep English.

Blazing Guns at Roaring Gulch

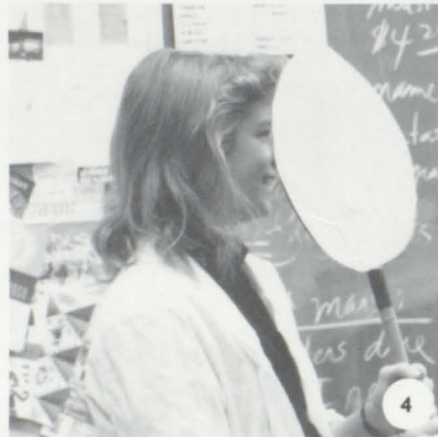

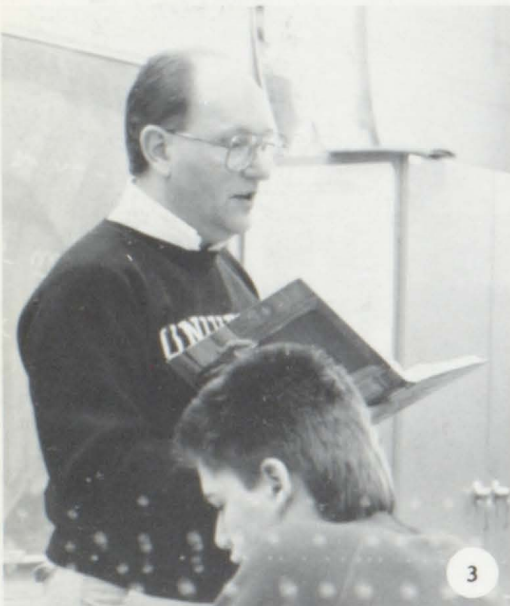

This year's theater class joined talent to put on a murder mystery play, "Blazing Guns at Roaring Gulch". The thrilling who-done-it was put on for one night only at the Avon Middle School gymnasium's stage. It was a great play which everyone enjoyed. Nice job!

Au Tour de Monde en 180 Jours

Foreign language is exciting and fun here at Avon High School. Throughout the year, students enjoy French taught by Mr. Zimmerman and Spanish taught by Mrs. Hubbard. Much hard work is involved in these classes, but the fun far outweighs the hassel of homework!

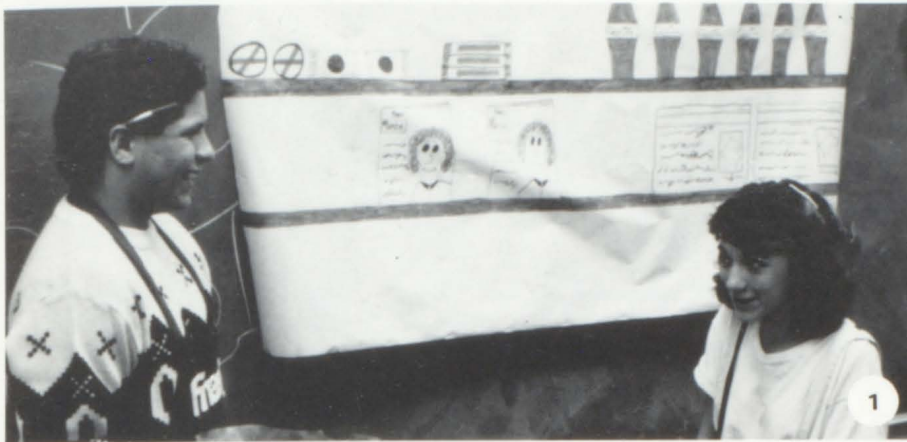

French and Spanish students

enjoy activities during the year such as self-made skits during class as well as during Foreign Language Week activities. This year, French students enjoyed a special activity--a trip to France!

Alrededor del Mundo en 180 Dias

Bonjour, USA!

This year Avon High School signed another page in history when we hosted seventeen French students and two French teachers. Students in French classes opened their hearts and homes to these people for two weeks during this school year.

These teachers and students had a chance to observe classes, as well as to make new friends. The time ended all too soon, but hopefully another exchange will occur again!

Math Counts!

The Avon High math department has four excellent teachers who make learning math a good experience for everyone--even for those who aren't very good at it. These teachers are Mr. Yonkof, the algebra and money management teacher; Mr. Wear, the geometry and the calculus teacher; Mrs. Smith, the pre-calculus teacher; and Mrs.

Naylon, the algebra II teacher.

Also in the math department are the computer courses. These classes are fun classes, though they also include a lot of hard work and thinking.

Tutorial

This year Avon High math teacher Mrs. Smith conceived a new idea--the creation of a math tutoring station run by not teachers, but students. This year's tutors (shown left) were: front to back; Susan Stockard, John Bauer, Ken Smith, Elena Linares, Chris Garrett, Amy Fitch, Ed Krystowski, Kevin Lacey, Kristine Hollars, Mark Crawford, Ericka Pizzillo, and Jeff Miller. Art is the Wine of Life!

Miss Furey, Avon High School's art teacher, has much to be proud of. This year, many of her students, new as well as older, grabbed many honors and awards in various art exhibits and contests. Art I student Charity Matty claimed second prize in a state-wide poster contest concerning AIDS. She also won various other prizes at a local art exhibit and at the LCCC Art Show. James Pitzer, art III, won the Superintendent's Award. His print was hung in the county superintendent's office this year.

Ten art IV students graduated

this year. Many of these seniors proved that four years with Miss Furey brings out much talent. Thomas Paulchell won first prize in a local art show. His work was also displayed at LCCC. Jennifer Rodachy was honored at LCCC this year for outstanding work at LCCC. Carole Fantozzi was also honored at LCCC, grabbing third place in All Lorain County. Great job to all and good luck to those pursuing art as a career.

From Sports to Studying

Health and Physical Education

Sweating off those extra pounds with Mrs. Stroney and Mr. Pickering in PE is something that 9th and 10th grade Avon High students really enjoy! Because it is a requirement for graduation, every student has had to endure the rigorous exercise in PE for one semester in both the 9th and 10th grades.

When freshmen students are not in PE class, they automatically have to take a semester of health class. Everyone has fun in there!

Cook, Sew, Clothe a Baby

Continuing in their reputation of excellence, the Home-Ec. department achieved and created many new things. The foods classes created many foods, anywhere from basic quick breads to an exotic mackadamia-nut-pineapple pie. The sewing classes once again "cleaned-up" at the LCCC Home-Ec. Association Style and Sewing Contest. All types of clothing were entered in the show, from basic shorts outfits, dresses, pants,

and formals., The Prep for Life classes put on a terrific wedding to show both elegance and fun. Parenting and Housing Design classes enjoyed many field trips to many exciting and fun places. All-and-all, this year was a very busy and extremely productive one for the Home-ec. department.

Our Home Economics department is run by three terrific ladies, Mrs. Podrosky, Mrs. Resar, and Mrs. Gainer. Thanks to three

GREAT teachers!

--Rani Hassel

Girls Grab Prizes in Style Show

Once again, Avon High School was envied by all others at the Style Show held at Lorain County Community College. Out of the twenty-four categories which could be entered, Avon snatched all prizes in twenty-two of them! In the two categories that we did not receive any prizes, we did not even enter! Another fine achievement goes to the girls and guys in the Home Economics department! Great job!!!

Our Singing Eagles were very small in number this year, but the three girls still sang at various places. Lead by Mrs. Berlyoung, Jennifer Weeks, Viola Collins, and Stacy Szep sang with Honors Choir. Jennifer Weeks, our soprano, sang a solo at the Christmas concerts that was absolutely beautiful. She used that solo to audition for the State Choir and made it! Nice job, girls!

How Do You Keep The Music Playing?

This year's Mighty Eagle Marching Band got off to a slow start. A new person became the band's fearless leader. He was Mr. "Vig" Viglione, and through the help of Karen "Phil" Donahue and Chris Radcliffe, the band rocketed to the top.

Whopping success did become the band's, as our awesome collection of musicians tore apart our competitors at the Avon Lake Bandarama. The year continued and all other competition toppled before the excellent breeze of this year's horns and drums. The ferocious flag squad swept the field brushing away all opponents standing in their path. No one could halt the band's quest for excellence.

Concert Band . . .

FROM CONCERTS TO CONTESTS.

Concert band. What exactly is it? Well, it is a group of talented, young, ambitious musicians who band together ninth period every day in the "dungeon" at the end of senior hall to make some beautiful music together.

This year under the direction of the new band director, Mr. Viglione, the concert band performed at seven concerts and events including the customary Pops Concert, the Christmas Concerts (evening and school), the Winter Concert, the Instru-

mental Music Festival, Commencement, and most importantly, at District Band Contest. Though the band had little rehearsal time between concerts, the concert band, once again, made Avon High School proud.

Some memorable moments--the school Christmas concert, rushed rehearsals, last-minute music additions, the tiny drum section, and the last time the concert band of 1988-89 played together as a full ensemble.

Pep Band and Jazz Band!

Entertainment With Spirit and Pride!

The winter months are by no means musically dormant for band members. It is at this time that the Pep Band and Jazz Band move to center stage. These bands are "fun" bands, as students are permitted to create through music. Hard work behind the scenes has made each performance dynamic.

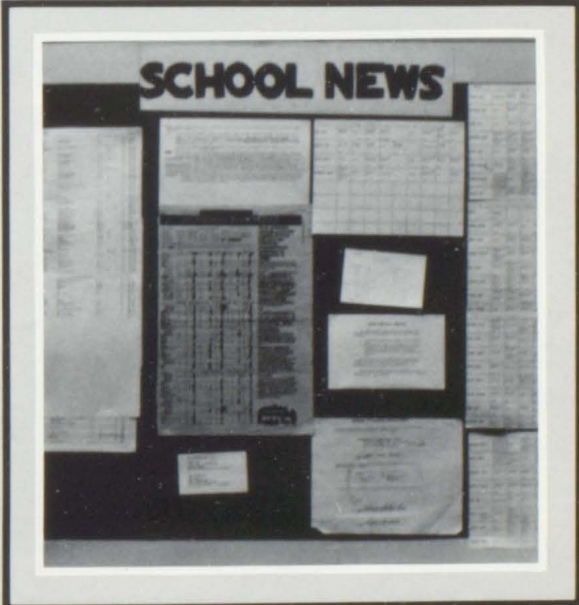

Students volunteer to donate their time and talent to Pep Band in order to psyche up the crowd at basketball games. Occasionally Mr. Vig can be seen blowing into the tuba to provide a bit of backup. The Jazz Band is an ensemble made up of students with a special interest in sprucing up music in a unique, jazzy way. Nice job, band!

During Spirit Week!

This year, Avon's awesome Cheerleaders put on not one, but two fantastic, fun-filled spirit weeks. Following tradition, Spirit Week took place during Homecoming, while our second Spirit Week was held during the middle of the basketball season. Both weeks included Purple and Gold Day, the day our student body sported our school colors. One day the students rebelled and went punk, leather and chains filled the halls. Famous Person Day brought the rich and famous as our students dressed as their favorite stars. We showed our admiration by donning jerseys and pads, and the next day, everyone relaxed and wore their pajamas to school. Other fun days were Hillbilly Day and Clash Day. Of course, no Spirit Week would be complete without dressing in our best for Dress-up Day. Thanks, Cheerleaders, for your hard work in filling our weeks with spirit!!

Cheerleaders Stir Excitement

Many times this year, our Cheerleaders put valuable time and effort into organizing and carrying out our pep rallies. The new theme this year was school spirit which shown forth through heightened crowd participation. Whoever was the loudest got to pie their favorite teacher or Cheerleader in the face--the victims were Coach J and Jenny Holowecky! Seniors played games--marshmallow eating and pizza eating, as well as wheel-barrow racing and shoe racing provided entertainment for the entire student body.

The pep rallies were enjoyed by all! Thanks for your time Cheerleaders and a special thank you to Mrs Belak! It was fun!

Bonfire!

One of the most exciting pep rallies occurred at the Homecoming Bonfire held in the school's back yard. Without a doubt, the rally was a complete success! The warmth of the bonfire brought our team to the high pitched fever that allowed them to burn the Falcon's hopes as Firelands lost 7-0.

The Eagle's Nest staff worked very hard this year to keep the paper going. We sincerely appreciate the efforts of Mr. and Mrs. Hull, the layout people, and all the student writers. We also want to wish the future editors of the paper much success!

Office and Library Aides

This year's high school office aides were: Brian Resar, Karen Hogrefe, Christine Czarney, Jennifer Weeks, Jennifer Wack, Amy Fitch, Christopher Laskey, Beth Bruder, Kelly Hughes, Mark Pickering, Thomas Fitzgerald, Douglas Wack, Brian Morog, and Thomas Logar. Your help certainly made things run a little smoother around Avon High!

This year's guidance office aides were: Amy Wearsch, Kelli Dreher, Keri Berens, Ericka Pizzillo, Karen Mikolajczak, John Upchurch, Brian Witherspoon, Ann Schmitz, Vorachai Chullanandana, Jennifer Moore, Susan Stockard, Corey Fisher, Heather Kirk, James Hull. Thanks for all the help!

This year's library aides were especially helpful. It seemed that everyday, there were more and more books that were overdue. Guess who chased after the students? These people were: Thomas Logar, Jeffry Thornton, Beth Hensler, Trisha Hagerman, Melissa Schweinberg, Sandy Alten, Benjamin Schmitz, Matthew Holt, William Hricovec, Julie Hensler, Lynn Perrotto, Renee Lindberg, Amy Ondrus. Thanks to your searching we did have books to read this year!

AHS Teen Institute

This year's Teen Institute had a great time making presentations to grade school students at Avon Middle School, St. Mary's, Holy Trinity, and Avon High. We are very proud of our involvement in the first Jr. High Power Weekend between Avon and Clearview. We hope to see many new mem-

bers next year. We would also like to thank Mrs. Fischer and Mrs. Gainer for being our TI advisors again this year. We Love You!

Avon High Student Council...

Celebrate A.H.S.!

This year's student council is proud of all the hard work and dedication exhibited by its members. Besides the donut and carnation sales, student council also sponsored the Homecoming Dance, featured the Sunshine Express, and had a teachers' car wash. The student council members also enjoyed a student exchange program with other schools, and a lock-in at the school. Thanks for a great year!

Highlights Staff 1988 - 1989!

The Highlights Staff tried to produce a yearbook packed full of memories for everyone. Under the guidance of the new advisor, Mr. Bruening, the crew began recruiting in September. Two editors were chosen--Carole Fantozzi and Rani Hassel. Business was conducted by Jenny Moore and Robin Gendek. Thanks to all who helped in any way during this year. ENJOY!!!!

Five years-- that's how long Miss Greener dedicated all of her extra time to Avon High. How did she do it? She was the person behind the scenes pushing the last five years worth of yearbook editors and staffers. That's right, Miss Greener was our loyal Highlights advisor.

Being advisor is no piece of cake. Beginning in October, Miss Greener would open up the school on Saturday mornings at 9:00 a.m. on her face could always be found a big smile and the smell of delicious brownies was always there to lure her staff through the chemistry room door. Every Saturday, sometimes until late June, would be spent this way. It's a hard job, but someone had to do it! Thank you Miss Greener and good luck on your next cosmic mission!!

Mind Battle

The academic challenge team was excellent this year. Under the guidance of Mr. Zimmerman, the team worked hard to achieve winnings. The year did not go without disappointments, but overall, the Avon High Academic Challenge team had a great year. Once again, our scholars here at AHS have made Avon very proud! Great job, guys, and good luck to next year's team!

Homecoming 1988

Royalty 1988

For the second year Avon High has chosen to crown not only a Homecoming Queen, but a King as well. Each Queen candidate-- Beth Bruder, Jenny Holowecky, Kris Hollars, and Suzie Jones-- was escorted by her father down the field. King candidates--Chris Laskey, Brian McCallie, John Miller, and Dave Pocos--were escorted by their mothers down the field. By popular vote, Brian McCallie and Kris Hollars were crowned Homecoming King and Queen of 1988!

Many extraordinary dances rocked our students this year. It got off to a roll with the Homecoming Dance. Balloons cascaded to the floor as the Homecoming Queen was announced. The lights in the Avon East gym shook at the Sadie Hawkins Dance. The awesome, jamming student body melted the snow at the Christmas Dance. Everyone was entertained by fantastic renditions of

Ray Charles, the Blues Brothers, the Sweeny Sisters, and Tome-Loc and his large-chested band. This year of great shaking, rattling and rolling dances came to an end with the Spring Fling Dance. It gave the students the long-awaited chance to don their summer clothes and go crazy. Our dances put the rock into rock & roll.

Lip Sync!

This year Avon High held the 3rd annual lip sync contest at the Valentine's Day Dance. A record number of groups combined talent and creativity to compete for one of three prizes. The competition was stiff, but a decision was made by our judges. Places were -- third place: "Wild Thing" performed by Thomas Logar, Michael Gay, Matt Workman, Mike Sarraino, and Eric Seigert; second place: "The Sweeney Sisters" Melissa Schweinberg and Donna Rivera; first place: "Twistin'" by "Ray Charles" Jonathan Sudy and "Blues Brothers" Joe Greiner and Paul Gudde. Congratulations!

"I Do...But Not Really!"

All year, the Prep for Life students work towards the big event-- the Mock Wedding. Students in the class become the members of a wedding party as well as the guests at a reception. Everything from dresses to bouquets used in a real wedding are donated by professionals. The Home Ec. class makes the wedding cake.

This year, the class was very small, and everyone had an important job to accomplish. The wedding party consisted of Carole Fantozzi - Bride, Jason Lunato - Groom, Angela Lundberg - Maid of Honor, Sean Boutin - Best Man, Kim Knable and Jenny Moore - Bridesmaids, and Scott Gilles and Jason Duckworth - Ushers. Ed Miller served as the minister.

Scholastic Awards Evening

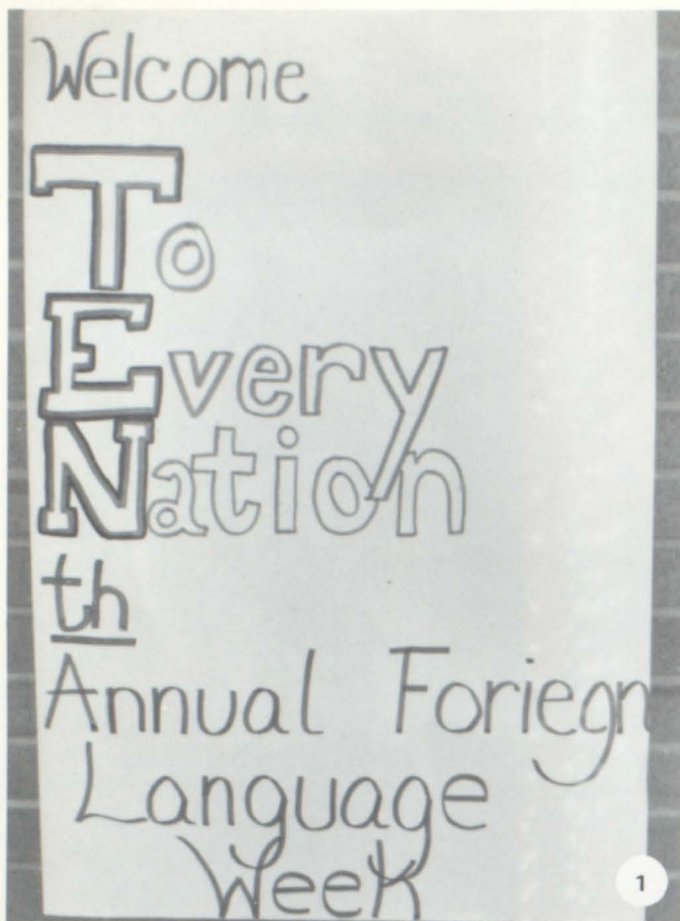

Avon High carried on the tradition of the Scholastic Awards Evening on May 23, 1989. This evening was special to all who were present, whether it was parents, teachers, or students.

Many awards were presented to students grades nine through twelve. First, second, third, and fourth year pins were presented, along with special awards from each department. The last part of the evening focused on seniors. The Top Ten, the Salutatorian, and the Valedictori-

an of the class of 1989 were introduced. The Phi Beta Kappa Award, The "I Dare You" Awards, and the Scholastic Athlete Awards were also presented. It was a great evening!

A.H.S. Celebrates World Languages!

This year marked the tenth anniversary of Avon High's Foreign Language Week. This year, it was held March 6-10. Many activities were held all week for the enjoyment of not only the foreign language students, but for the staff and students body as well.

Activities included a visit from two Soviet students, a collective visit from all the foreign exchange students in the area, a performance of the foreign language skits for the junior high, and of course, the banquet. Second-year students displayed their projects in the front hall, and the cafeteria ladies cooked ethnic meals for lunch each day. Once again A.H.S. celebrated the languages of the world. This fine tradition is one which will be enjoyed for many years to come.

This year's Foreign Language week held a special surprise for A.H.S. The new openness in the USSR--Glasnost--permitted two Soviet students to visit our school. These students shared information about the Soviet Union with Avon High's foreign language students, and Avon's students shared information about their lifestyles as well.

It is hoped that this special event won't be the first as well as the last. Maybe one day, Soviets will be able to spend a whole school year here at A.H.S. . . . not just a part of one day!

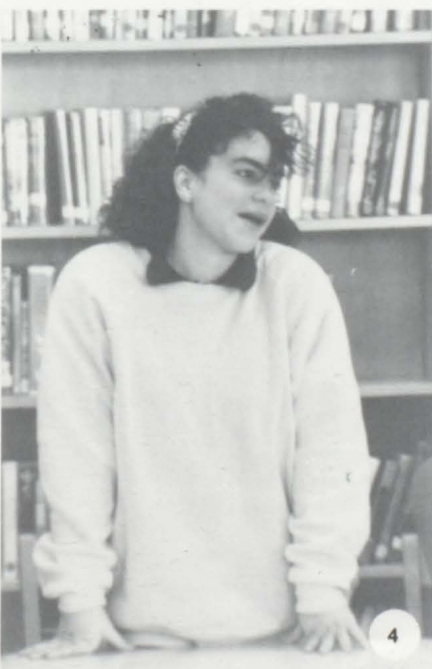

Live From A.H.S. . . .

It's Friday Night!

March 10, 1989 at Avon High School in the gymnasium-- . . . Live From A.H.S. . . . It's Friday Night!

French and Spanish students once again put on plenty of food and fun for everyone. Students decorated the gym and transformed it into a foreign land. Two full-length buffet tables and dessert tables were filled to the breaking point with dishes from every nation for all to enjoy.

Entertainment for the evening included skits and singing. Although many present in the audience knew little or no French and Spanish, the skits were presented in such a way that anyone could understand. It was fun!

Athletics

Few In Number, But Power-Packed!

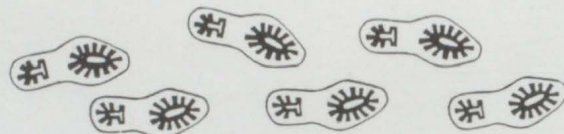

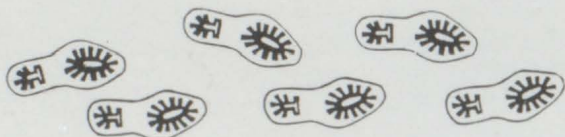

Boys Cross Country . . .

Even though we weren't the best runners and we didn't win any meets, Mr. Reynolds never gave up on us. He always encouraged us and pushed us on. Though we tried and failed, we did what was expected "our best". We know that Mr. Reynolds got frustrated with us a few times, but he always had patience. He's the most dedicated and caring coach we've ever had!

--Scott Abshire

The boys cross country team was few in number, but power-packed. Hopefully Avon High will produce many star male runners in coming years; this year it just wasn't meant to be. Good luck boys, keep striving.

Mr. Reynolds

Leader of the Pack

Mr. Reynolds--a teacher, a coach, a friend--is truly a man who has touched the hearts of many. His leadership and winning attitude in the classroom has carried over to the track, and his success in the past years has more than proven that. He sets high goals at the beginning of each season and teaches his athletes to strive for them. He works his kids as hard as he works himself, and he strives to make people believe in themselves. To you, Mr. Reynolds . . . the athletes of Avon High, both present and past, thank you--for your kindness, love, determination, dedication, and especially for your belief in them. You have deeply touched each and every one of their lives and have given them the winning attitude and the ability to reach their goals. Your dedication to them has not gone unappreciated, and they want you to know that you are and always will be "Avon's #1 Stud!"

--Sandy Alten

The 1988 Girls Cross Country Team, otherwise known as the Eagle Express, The Mean Machine, and the A-Train, led by Chief engineer Reynolds, kept the fine tradition of a winning season going by totally dominating their competition this year, whether it be AAA or A. This group of fine young ladies, consisting of (below) Kim Holowecky, Cathy Vasu, Jenifer Schafer, Sandy Alten, Carla Smith, Christine Durrach, and Linda Marlette, were champions of the Avon Lake Invitational, Vermillion Invitational, Northeast Ohio Coaches Classic, Lorain Community College Classic, and were sectional and regional champions. The Eagle Express also took control of the Lorain County AA League Championships as Jenny, Sandy, Christine, Linda, and Carla nabbed first team All Conference, and Cathy was named second team All Conference. The Mean Machine, now making that ride to Columbus a tradition, highlighted their season by going to the state meet and making Avon proud by garnering 3rd place despite injuries and sickness. A very fine performance by all was given. Next year, losing only one senior--Christine Durrach--the A-Train is anticipating another year of fine performances and high achievements. CONGRATULATIONS girls on a job well done!

The Eagle's Varsity Golf Team had an amazing year. After going a disappointing 3-11 in the regular season, our mighty Eagles finally managed to turn things around. The Golfing Eagles began to shine in their conference meet, taking a stupendous second place, but they didn't stop there! Those astounding Eagle's soared even higher to capture third place in the district meet. However, the highest point of the year came when they traveled to Seven Hills Country

Club to steal an impressive seventh place finish at the regionals, the highest placing ever achieved by an Eagle's Golf Team under the brilliant leadership of Coach Wear.

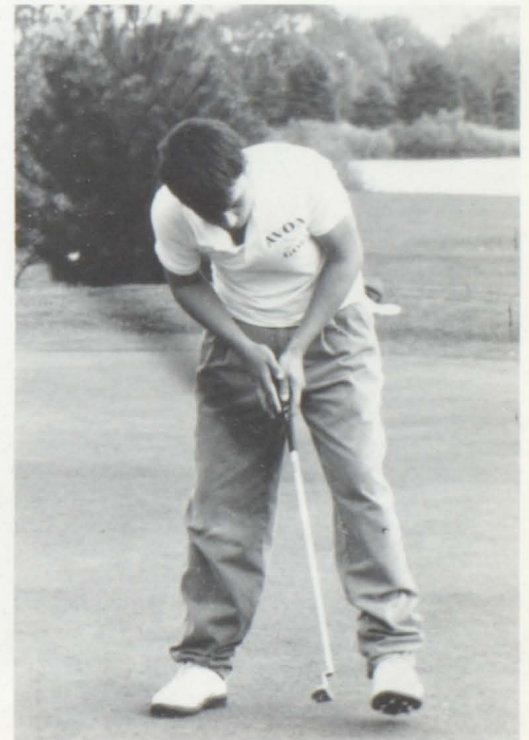

Congratulations should also go out to our Junior Varsity Golf Team, who had a winning season this year. One last bit of good news; none of the members of our golf team will be graduating this year so expectations are high for yet another terrific season!

Setting Sights High

Can they be undefeated?

The 1988 J.V. Eagles were flying high with a 20 and 3 record. The Lady Eagles had high expectations of an undefeated season in hopes of surpassing the previous J.V.'s record of 22 and 1. Although they didn't obtain that goal, many great wins were executed. The young team consisted of four juniors and eight sophomores. This unique combination proved their outstanding ability in volleyball. Thanks J.V.'s for keeping the Avon volleyball winning streak alive. To our fans, we hope to see you again next year.

All Stars

Several members of the Varsity Team deserve, and have received, special recognition for their contributions to the team. Renee Bower and Jennifer Phillips played in the Lorain County All Star Game held on November 9, 1988, at Elyria West High. The girls played a fabulous game, although it ended in a defeat. Mari Gunderson was chosen to participate, but due to scheduling conflicts she chose to play in the County All Star Game. Mari was also nominated to play in the State All Star game! At the game held in Columbus, Mari brought home a stunning victory. She also played in the All District Game. In addition to her other athletic achievements, Mari was named first team All Conference, Jennifer was named second team, and Renee and Amy Fitch received honorable mentions. Congratulations!

Varsity Girls Give It Their Best Shot.

The Varsity Volleyball team had a terrific and commendable season! The team worked very hard and tied for second place in the Lorain County Conference. A high point in the girls' fine season--they beat the previously undefeated Elyria West Wolverines in only two games! Mr. Yonkof received his 200th victory as a coach while the team completed their regular season 19 and 3. The few matches that the Lady Eagle Varsity team lost were always very close, each lasting three games a piece.

The Varsity Eagles went to regional competition and completed the season with a well-earned Regional Runner-Up position, and earned the standing of eighth in state. Our girls fought excellently and can be proud of their season. Thank you for giving the school yet another fine accomplishment to be proud of! Congratulations, and good luck in the following years!

Several girls on the varsity team were commended for their academic standings as well as their athletic abilities. These girls were named to the All Academic Conference. They were as follows: Suzie Jones, Amy Fitch, Rosie Schneider, Sandy Alten, and Jennifer Phillips. Congratulations girls!

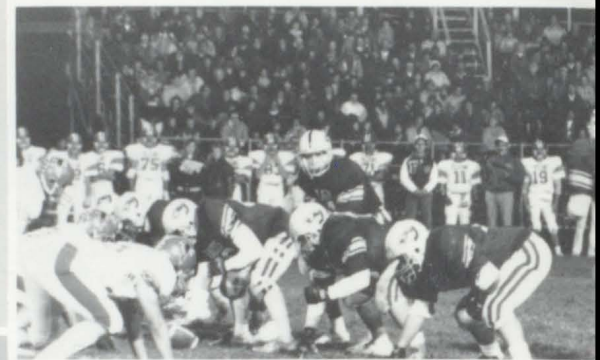

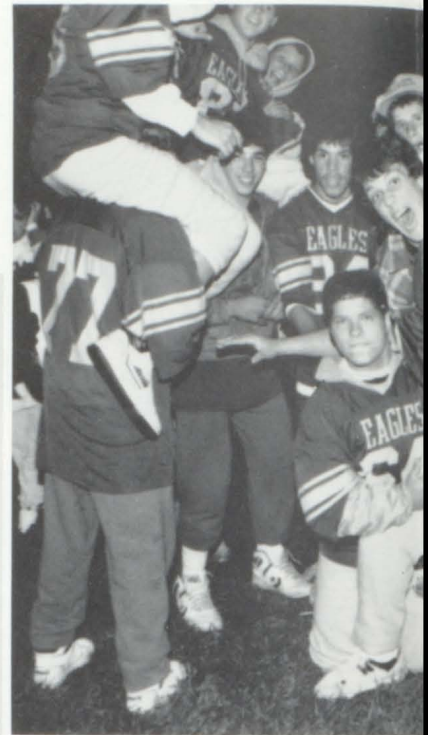

Avon smashes previously undefeated Elyria West in 2 games.

Eagles Stand Tall With Spirit

The 1988 Avon High Varsity Football team finished the season with a record of 5-5. The season opened with victories over Cuyahoga Heights and Lutheran West. Next came the disappointing loss to Columbia to round out the non-conference play. The Eagles then posted a 3-4 record in the tough Lorain County Conference including

an exciting Homecoming victory over Firelands. The season provided many lasting memories for the seniors as well as for the other team members, and we would like to thank the coaches and the fans for making this season a memorable one. We would like to wish next year's team the best of luck.

Go

Eagles!

JV and Freshman Football

The fall of '88' offered perfect weather for the fledgling freshman Eagles to "take off" on the football field. Unfortunately, they had some bumpy first flights and ended up with a dissappointing 1-4 record.

Our hard-hitting Eagles are no quitters though. They will be back next year rougher and tougher than ever and ready to live up to the reputation of the Mighty Avon Eagles! We wish our young eagles the very best of luck in the future! Keep your heads up high and soar through the clouds!

Girls' Varsity Hoops...

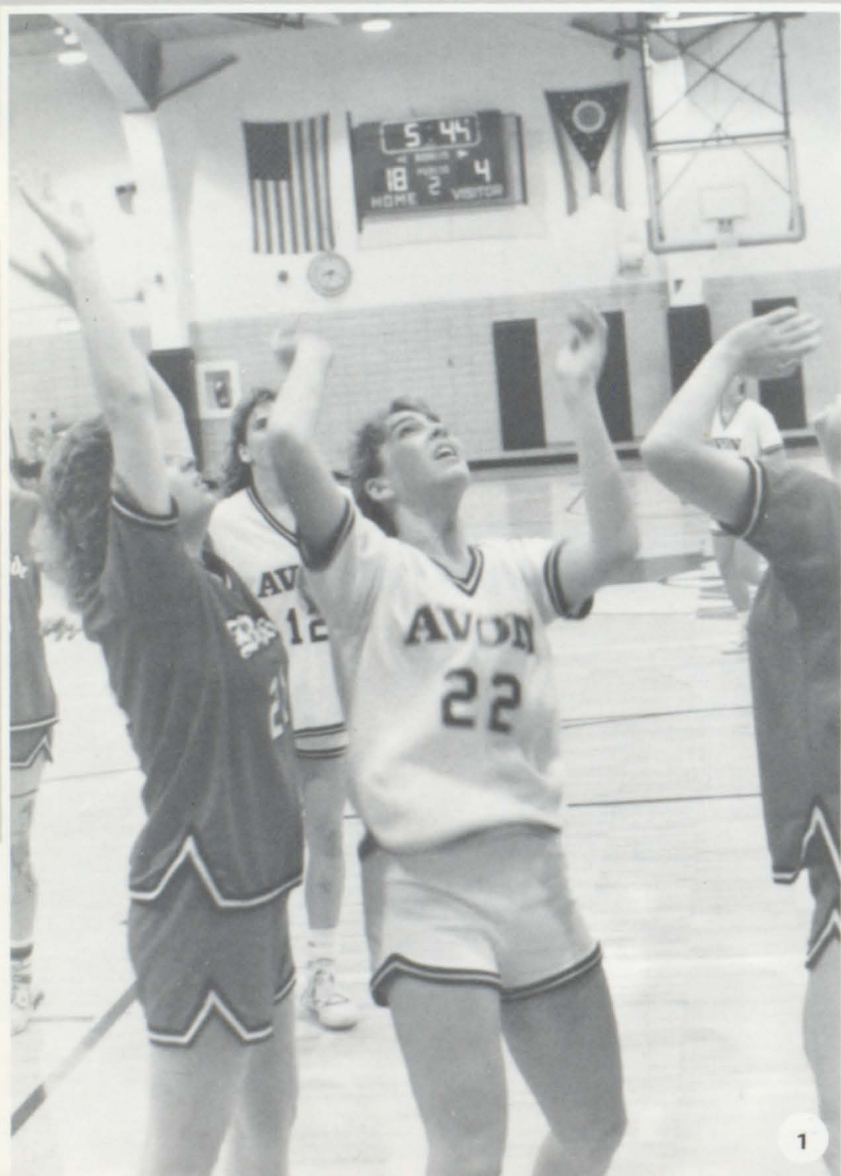

Avon's Girls Thrill Crowds East to West

Going into the season, the girls varsity basketball team were not expected to be Co-champions of the Lorain County Conference by many of the critics. What this team lacked in height, they made up for with speed, hard-work, and determination. Their hard work paid off with two victories over the Dukes of Wellington, and thus became the most

controversial games of the season. Avon's varsity girls ended up with a record of 16-7 overall, and 11-3 in the conference, landed in the sectionals of tournaments. Congratulations to the Avon varsity girls, Co-champions of the Lorain County Conference 1988-1989!

So Close...

Avon's JV's Go 16-1.

The girls' JV basketball team is very proud of what they were able to accomplish this season. Although they wanted their record to stand undefeated, they were able to hold their heads high after suffering only one loss to Firelands and finishing the season with first-place standings in their conference.

Being able to work together, as well as being able to rely on the experience and leadership of a great coach were just a few of the ingredients that made this team su-

perb.

A great big THANKS to everyone who supported us; we hope to see you back next year!

Freshmen Make a Great Start!

The Freshman girls' basketball season was a good one. Of course it would not have been without the help of our coaches, Miss Simon, Mr. Belak, and Mrs. DeChant. We ended the season with a record of 10 wins and 2 losses.

The season seemed to start out hard, but after getting used to the running, we didn't die--we just got tired. I don't think anyone expected the practices to be so intense. The difference between the practices of our eighth grade year and this year might best be described by comparing breathing to hyperventilating (believe me, we did a lot of that!). All-in-all it was a good year and we really learned a lot!

Varsity Boys Give It Their All!

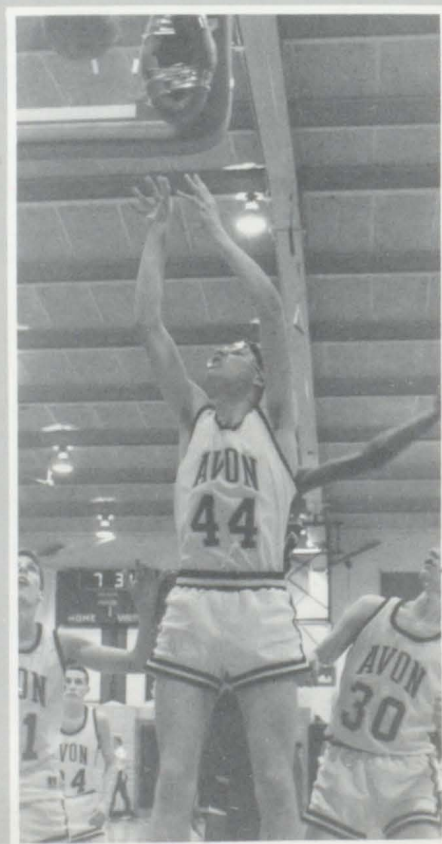

This year's basketball season provided many firsts. It was the first year Avon has ever beaten Keystone and Oberlin in basketball since the formation of the LC Conference. It also provided Avon's first victory over Clearview. Yet despite these firsts, the members of the team agree that we should have done better. Our expectations at the beginning of the season were extremely high, but after a few losses our confidence seemed to tumble. It took a victory over Midview to boost our morale. Our victory revived our spirits and allowed us to play very well and beat several fine teams and thus finish with an 8-13 record.

I think this season furnished many great memories. I'm sure the victories over Oberlin and Keystone will never be forgotten by the fans or the players. I wish next year's team the best of luck.

Tracking Across the Universe

Boys' & Girls' Track Make AHS Proud

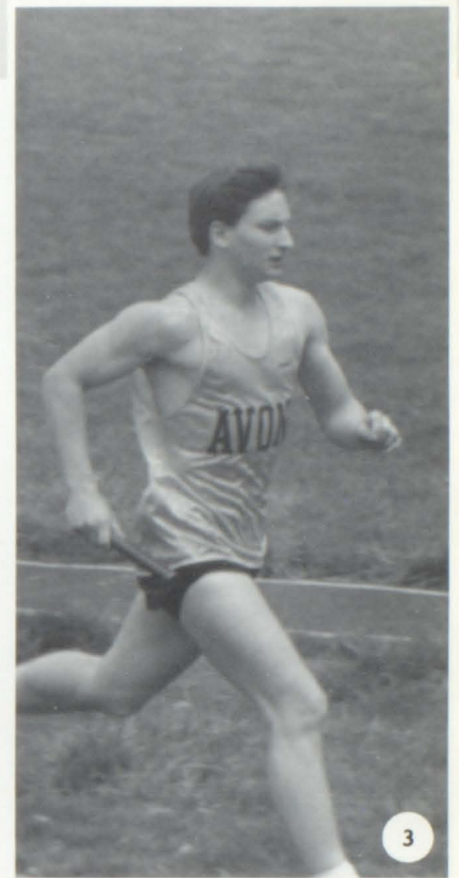

With speed, talent, and determination, the girls' track team once again lit up the track with many fine performances. An all-team effort was the key to success as the team went undefeated in the dual meets, captured the conference championship, attained the district runner-up spot, and named six girls -- Christine Durrach, Annette Satullo, Jenifer Schafer, Sandy Alten, Denise Wearsch, and Linda Marlette -- "All Ohioians." Congratulations girls!

The boys' track team showed spunk as they gave their best shot at each and every meet. As a team of primarily underclassmen, the taste of victory eluded them, but they received valuable experience that will help them in coming years. As the season progressed, their winning attitudes and the determination did not lessen, they surged upwards -- a sign of true contenders!!

Softball a Big Hit in '89

It was the first time in a decade. Achieving an awesome record of 11-4, Avon High's softball team demonstrated determination and pride to become District Runners-Up, an accomplishment last reached in 1979. Under the fine leadership of star coach Miss Sito, the Lady Diamonds showed their ability to "beat all on the ball". Avon ended the most exciting of seasons in a tie, with the

Wellington Lady Dukes, receiving second place standing in the conference.

Hats off to our star softball team. Thanks for the great job this year, and best of luck to our future teams!!

Varsity and JV Baseball

Despite the cold and the rain, our varsity and JV baseball teams managed to finish the season before the school year ended. Both teams showed tremendous effort to improve their teams throughout their seasons.

The varsity team finished the season with a record of 8-13. Their season ended when they lost the second game of a double-header in the tournaments.

The JV's also ended the season

with a commendable record. These fine boys will soon become Avon's varsity baseball team. Good luck and good job to all!

Wrestlemania!

Co-Captain Rob Wenzler--"Through the eyes of the beholder you may pursue anything if you put your mind to it."

Co-Captain Ed Miller--"Only the Strong Survive. Winning isn't everything, it's the only thing."

The Avon Eagles 1988-89 Wrestling team finished the season with a 2-5 record. We captured two victories this year coming back from the winless season last year. This was the second season that Avon sent five wrestlers from Sectionals to Districts.

The following wrestlers made it to Districts: Rob Wenzler 125 lbs., Troy Sprungl 130 lbs., Shawn Szep 135 lbs., Jim Wojciechowski 160 lbs., and Jim Schober 171 lbs. Voted most valuable wrestler of the year was Rob Wenzler. Ed Miller was presented with the coaches award. Nice job!

Avon High Raids Aquamarine!

Bowling Adds Fun & Excitement After School

Intramural Bowling got off to its usual raucous start. About eighty party-hungry people joined in anticipation of the outstanding times provided by the Aquamarine Bowling Lanes. Every week for approximately two months, maniacal mobs of psychotic students descended upon Avon Lake. Balls rolled and pins scattered as gales of hysterical laugh-

ter rocked the walls. The new quartet of champions is made up of Sandy Alten, Jennifer Kratt, Lori Robertson, and Amy Stockard. Hot on their heels was the team of Chris Laskey with John Miller, Mark Pickering, and Kris Hollars. These great moments were provided through the hard work of Mr. "Crazy" Klimczak and his helpers.

Freshmen...

What Does It

Really Mean?

Being a freshman really isn't what it's cracked up to be. None of the rumors heard through our earlier school years about getting beat up in bathrooms, carrying trays at lunch, and having pranks played on us WERE true. In fact, instead of waging war on us, the older students welcomed us into the school.

There were numerous new things to cope with, but many of us made it. Even though we were in the building last year, we weren't really prepared for the hectic lifestyle.

As a whole, the class of '92 would like to extend a thank you to all of our older schoolmates and teachers who made our first experience in high school a memorable one. We will do our best to uphold the high standards and school spirit you have set for us.

Hugh O'Brian Youth Foundation Presents: THE HOBY AWARD!

Three years ago, AHS began a fine tradition--awarding the HOBY Award, an award which is given to the sophomore student who has demonstrated leadership qualities, sensitivity to others, and desire to learn and share knowledge with others.

At AHS, each sophomore is asked to write a short essay, including what the individual considers to be his or her abilities in the above three categories. The teachers choose the 10 best and turn them over to a committee comprised of Mr. Buckosh, Mr. Marshall, Mrs. Jenkins, and sometimes select staff members. The best student's essay wins the HOBY Award.

This year, Lynn went to the Ohio HOBY seminar. She had the chance to meet and listen to some of the United State's most prominent business people and speakers.

According to John Marshall, "It (The HOBY seminar) takes good student leaders and tries to make them into GREAT student leaders!" Congratulations Lynn Fitch!!

Sophomores . . .

the school by displaying spirit and pride, and most importantly a person growing into the future role of upperclassmen.

Good luck Sophomores!

No Longer The

"New Kids"

Our Sophomore year at Avon High School was much easier than our freshman year. This was true because we had already become accustomed to the environment at the high school. It was an important year because we had to make a lot of decisions on what we are going to do in our later lives--going to JVS or staying here at Avon High brought much inner turmoil. Extracurricular activities added a heightened amount of excitement for those that got involved.

A Sophomore is not just a student at school, but a person involved in activities, involved in the support of

Juniors!

Upperclassmen . . .

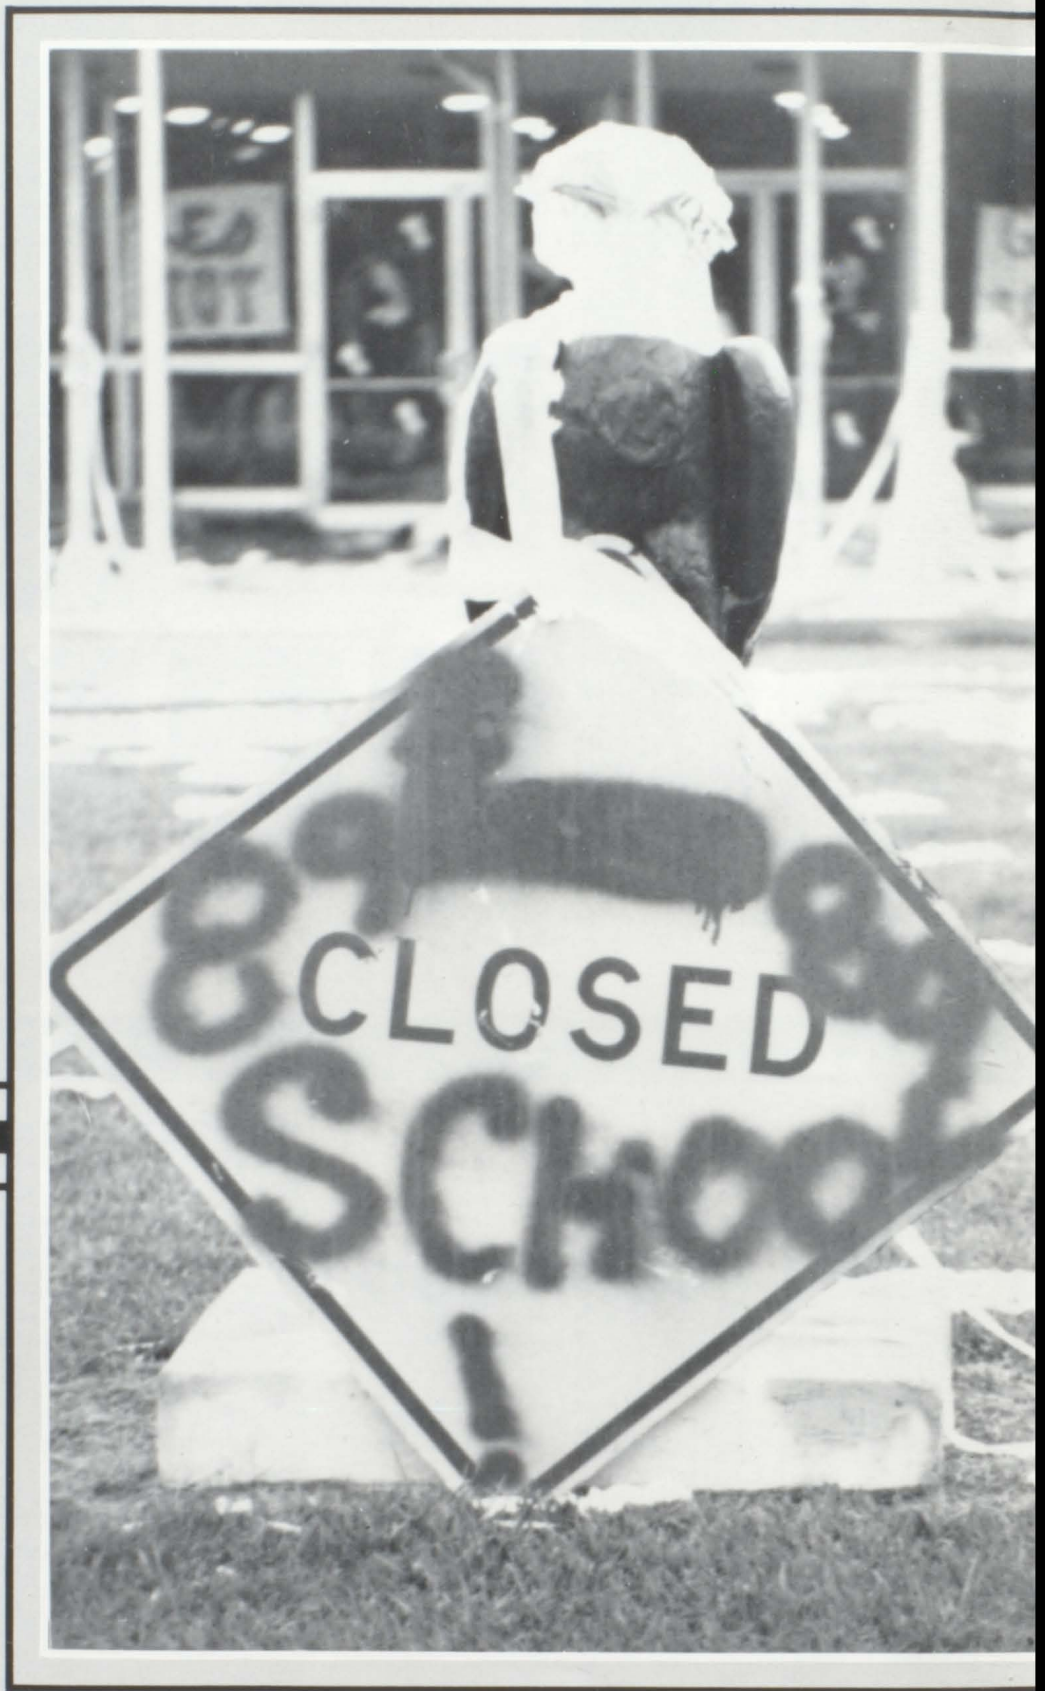

At Long Last!

Three years have passed, and the Junior class has much to be grateful for. Avon High School has played an extremely important role in our lives, and has brought us to become the mature adults we are today. We should all remember our high school years. As they say, "These are the best years of our lives!"

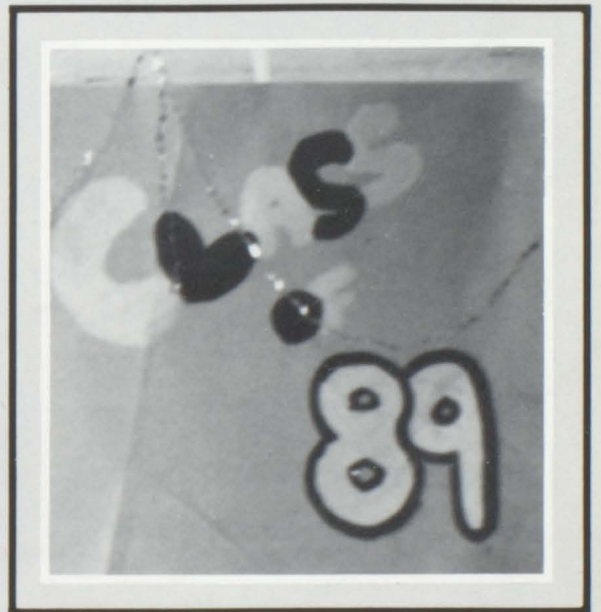

--Janet Hogrefe, Class of 1990

The Junior class was very busy this year trying to get ready for Prom. The hard work and dedication of the Junior Class Officers helped us considerably in getting a successful prom off the ground. We had the usual fundraisers and sponsored the annual Christmas Dance. All of which combined to make this year's Prom one of the best so far. We all looked forward to a fabulous end to a great year!

Tomorrow We Lead!

To Be a Senior . . .

A person earns the title of senior upon completion of his or her junior year. Once a person becomes a senior, his or her life changes. Seniors share in a wealth of responsibility, leadership, and class pride. They recognize members of their class as if they were family. They share relationships, victory, defeat, spirit, determination, pride, and most importantly, a goal. The goal of every senior is graduation; however, before graduation a senior becomes actively involved in school organizations and functions.

The seniors are the school's leaders. They are the captains of varsity athletics, the presidents of band and student council, the editors of the newspaper and the yearbook, and the leaders of other school clubs. As the school year reaches its final weeks, seniors begin to anticipate prom and graduation. Prom, for a senior, is a chance to share in the company of one's class for a final night, filled with memories that will last a lifetime.

A senior's happiest and saddest moment occurs at the same event--graduation. On graduation, a senior's mind is filled with thoughts of college life and college parties; but also, a senior looks back. That look back reveals a reluctance to leave the security and friendship that Avon provides; but that look back lasts for only a moment. Seniors then surge into the "real world", as graduates. New paths are taken, but the old ones are never forgotten, because memories last forever.

AVON'S HOMETOWN NEWSPAPER

Originally, Miss Greener asked me to be the Highlights yearbook editor this year. I accepted her request graciously and many new ideas began to come to me concerning how the yearbook would look. However, at the end of the 1987-'88 year, Miss Greener dropped the bomb; she resigned her position and the yearbook would gain a new advisor. Who would it be? No one had the answer to this question. For a while, I was afraid that there would be no yearbook.

At hand camp this year, I found out that the new teacher, Mr. Bruening, would be our advisor. I approached him about being the yearbook editor and found out that I would have to apply for the job and go through an interview. You know the outcome; Rani and I assumed co-editor positions.

I would like to thank everyone who gave their two cents (or fifty dollars!) worth toward this yearbook. Thanks so much to all students who contributed ideas, all staff members, Mr. Buckosh, Mrs. Jenkins, and Dr. Ironak, the yearbook staff - especially Rani Hassel, Brian Uozak, Jol Greiner, Robin Gendek, and Trisha Hagerman, Mrs. Kiser for the use of her camera when ours went on the fritz and for her cooperation concerning Florida band pictures, Mrs. Why and the cooks for napkins and change on donut days, all students who contributed personal photos, students and teachers who contributed compositions and art work for pages, Larry Best and Best Photography, The Press and Mr. Noga, all advertisers and patrons, Dave Marlette for taking pictures at state when the Cross Country team went there, and also Mr. Bruening. Special thanks goes to my parents for all their support. If I've forgotten anyone, I'm very sorry. Thanks to all!

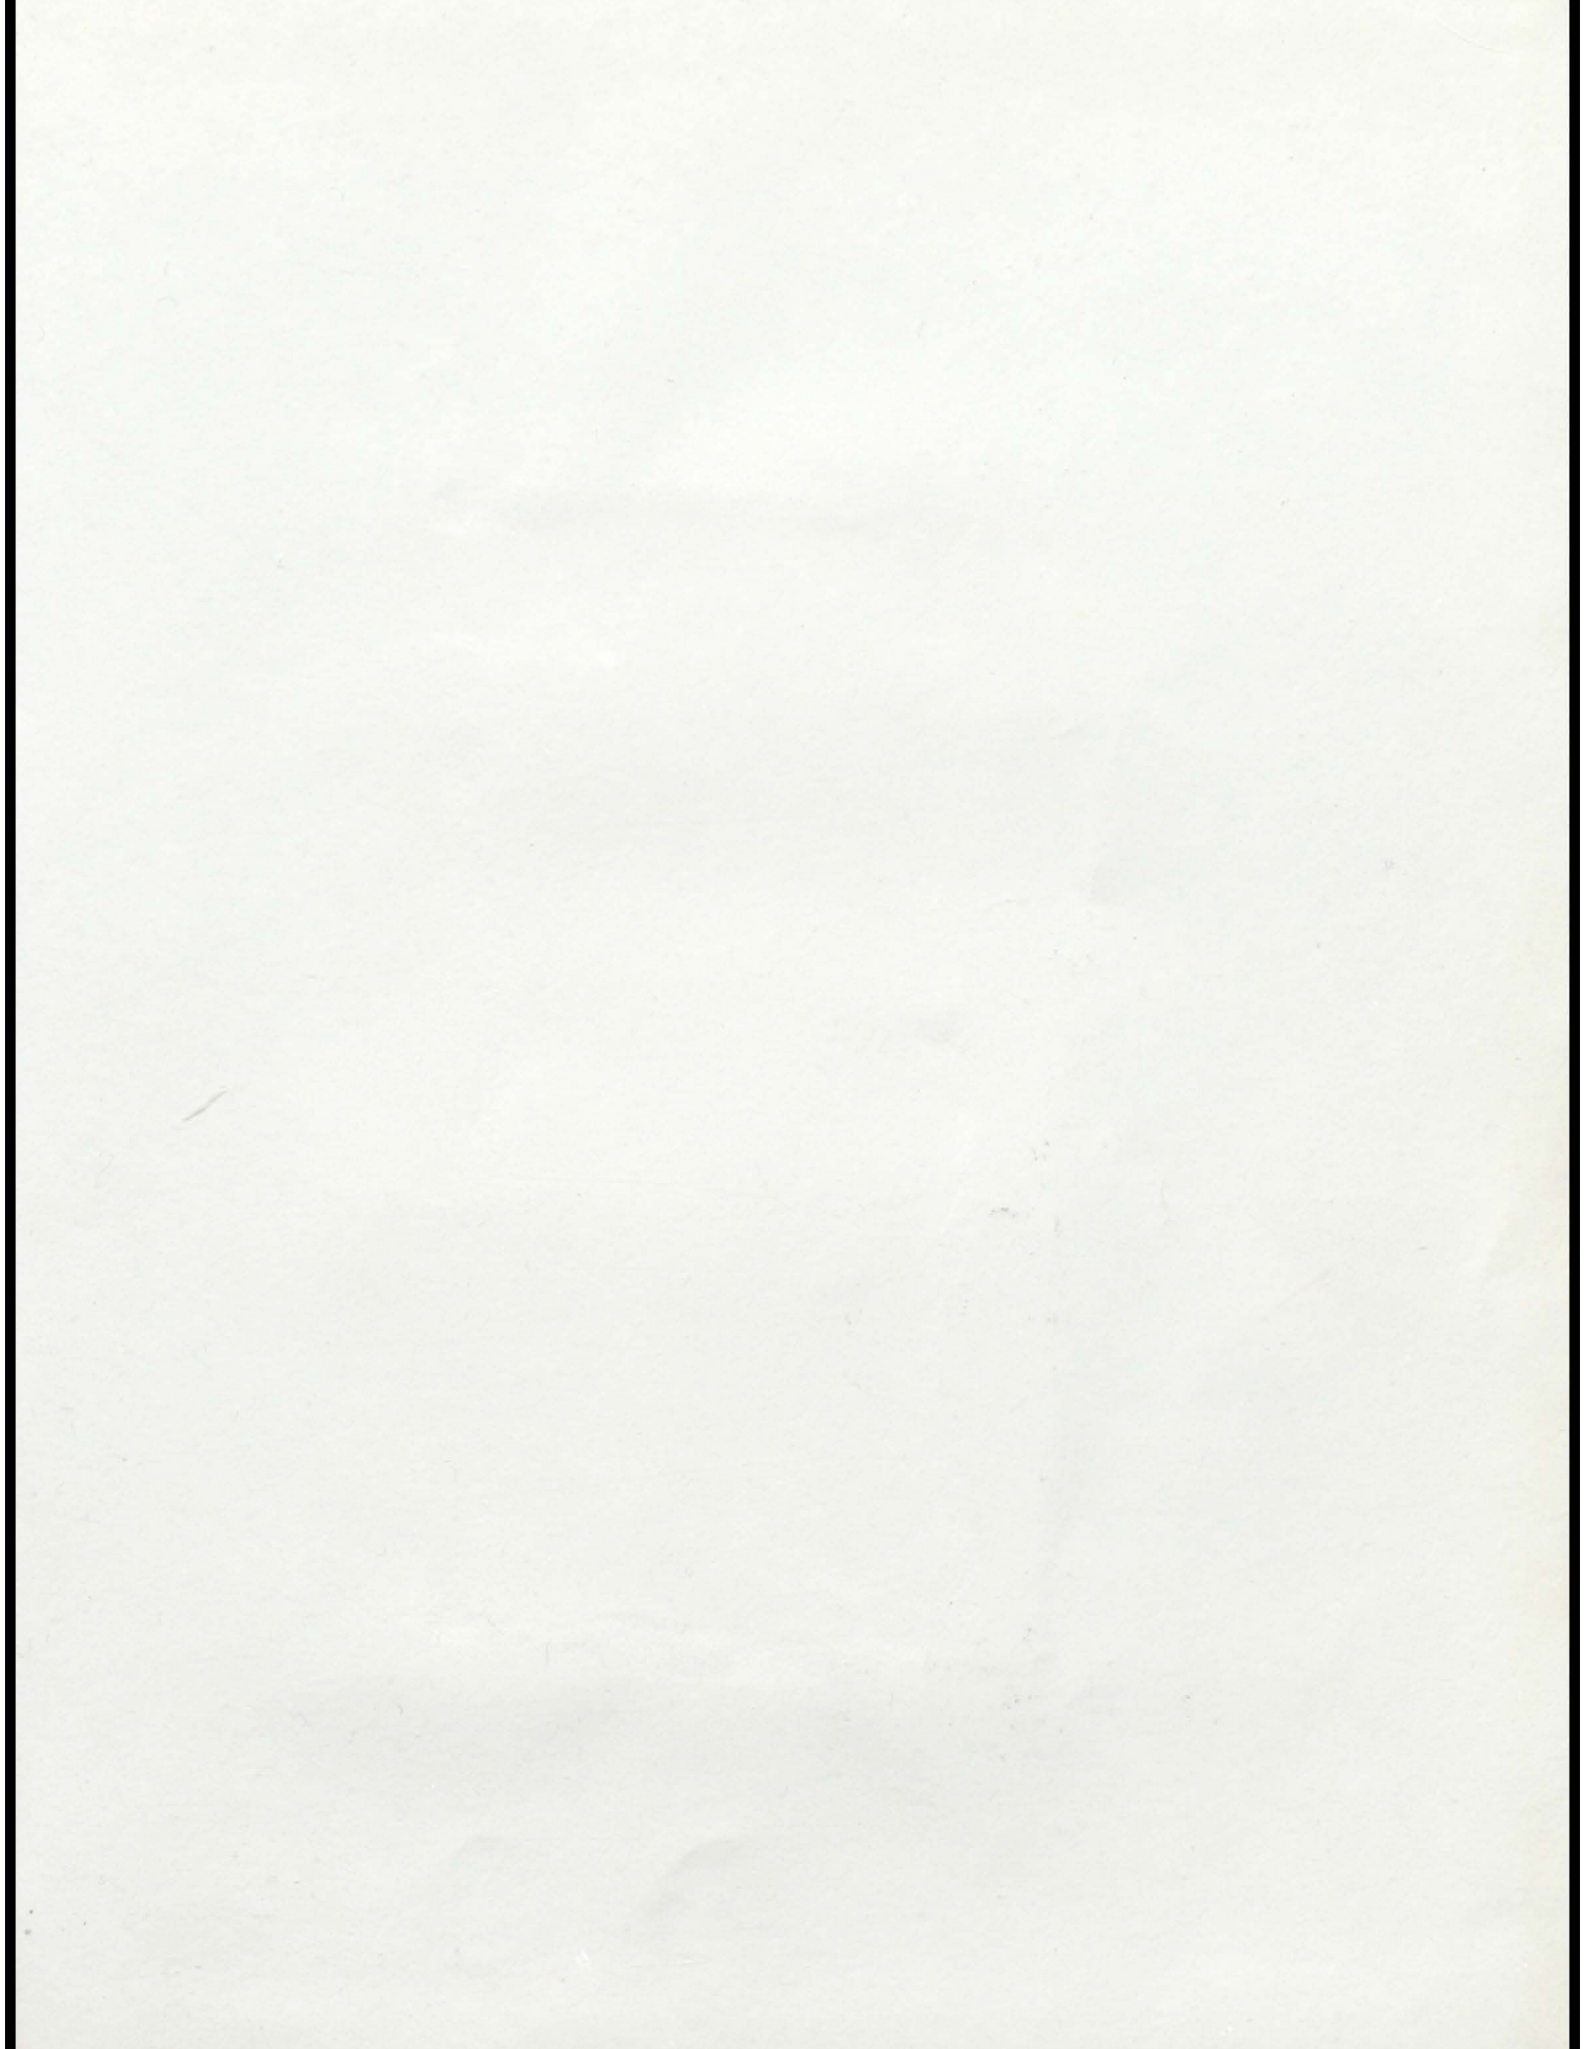

I hope that all of you have enjoyed this year's book - especially my classmates in the Class of 1989.

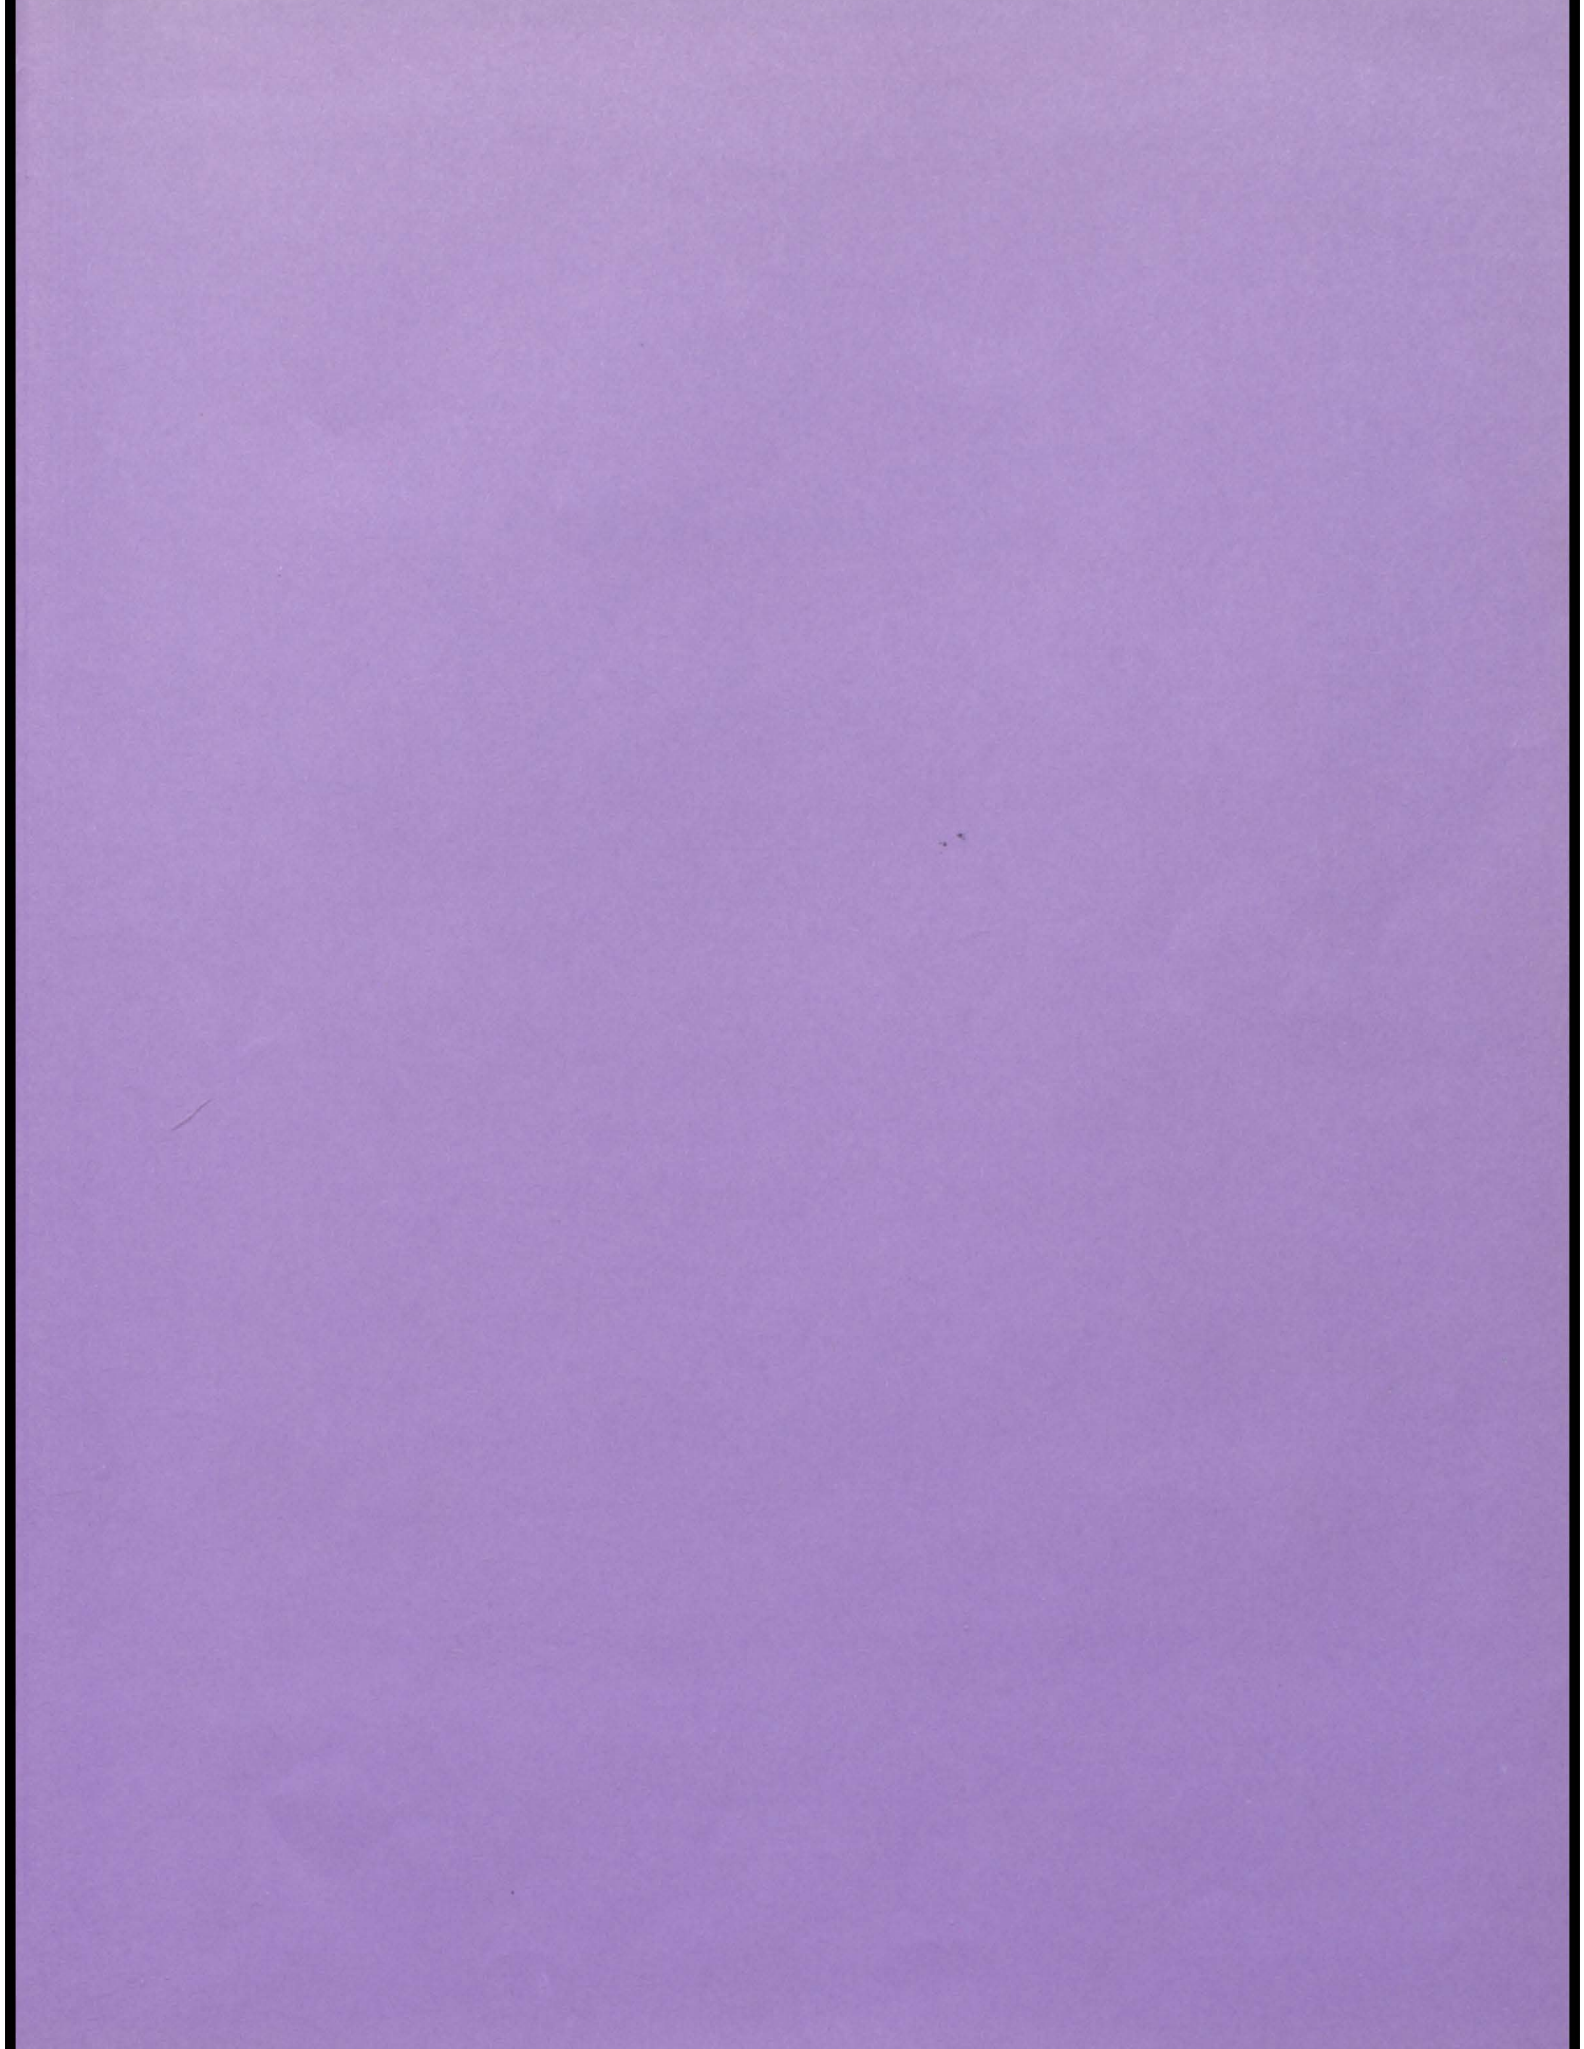

The path is long,
Let us walk together.
The times are difficult,
Let us help each other.
The way is joyful,
Let us share it.
As life opens before us,
Let us begin.
