THE 1953 GUIDE?

Mr. Frank Noster, President of the Board of Education.

Never before has this hard working, community-spirited group been so hard pressed with so many problems. The untimely death of Mr. Durling left them without the man who was always ready with wise counsel and judgement based upon many years of practical school administration. The building of our new elementary school certainly presented many new challenges. Facilities had to be inspected, bids had to be taken, blueprints checked, approved, and changed. The task of providing sewage disposal facilities certainly was a major problem in itself.

These and other problems plus running our present school system certainly presents a great challenge. We must express our thanks to these people for their endless devotion and dedication to our schools so that our American way of life, which we hold so dear, may continue for many years to come.

## The Board of Education

We take a glimpse of a board meeting — Mr. Noster, Mr. Masin, Mrs. Thompson, Mr. Standen, and Mr. Knight.

### WILLIAM JACOB DURLING

On December 29, 1952, Clearview Schools lost a great leader and a trusted friend. William Jacob Durling, who served Clearview for the past 27 years, passed on.

Coming to Clearview in 1925, with the enrollment being 210, Mr. Durling began his long and tedious job of enlarging and improving the schools. In 1927, a six room addition was built and in 1931, under his direction, a gym-auditorium, a new cafeteria, a shop and a number of other facilities were added.

William Durling had great dreams of building a new and more modern elementary school. So in 1952, construction began on one of the most modern buildings in Lorain County.

This man could be seen walking through the halls of Clearview with a ready smile on his face, never too busy to stop and chat with the students.

A few years ago when being considered for the post of superintendent of Lorain Schools, Mr. Durling expressed his feelings about Clearview in this way: "I feel highly honored to think that I could be considered for such a high position in a fine community like Lorain. But I feel at this time that I am well satisfied with my duties at Clearview, because we operate in this district like a small family — and that's the way I like it."

We all know that William Jacob Durling devoted his life to the expansion and perfection of the Clearview Schools.

The memories of the man, "who did so much for so many with so little" lives in our hearts.

The late Mr. W. J. Durling

Back: Mr. Steve Baksa.  
Seated: Mrs. Edna Nabors, Ida Abahazi

I imagine it would be rather difficult for the school to be run smoothly without the help of our great office staff.

Ida is always on hand to answer the phone and about 125 kid's questions daily. Mrs. Nabors keeps our accounts in tip-top shape. This is the first year Edna Nabors has been here, but everyone who goes into the office is always greeted by her friendly smile. Mr. Baksa, our athletic director has his hands full keeping our sports department in full swing.

Mrs. VanWagnen and Shirley Mason keep the elementary building going. Mrs. VanWagnen has her hands occupied with some 495 elementary students.

Seated: Mrs. Ruth VanWagnen.

The cooks, janitors and the "clean up" boys are also a main part of our school system. Without their endless effort to keep everything in working order the entire school would be at a standstill.

The clean up boys deserve a lot of recognition for the work that they do. They clean the corridors, rooms and rest rooms nightly.

Our cooks can always be depended on for a well-balanced meal.

A big round of applause should be given to the "helpers" of the school.

## Senior History

From Markley school came many students in their freshman year to join those all ready here at Clearview. We were a rather active and friendly group, becoming interested in outside activities with the help of our advisors Mr. Clark and Miss Wyvill.

Now we are Sophomores and we have elected our first officers, we are proud of our class as they chose John Skorupski, for President, Leo Kaliszewski as Vice President, Nancy Yacobucci as Secretary and Charles Spinello as Class Treasurer. Mr. Baksa and our class look forward to our Junior year and our first prom. The class sold ice cream and pencils to get a little financial aid for our next important year.

This year was indeed a very busy and exciting year. We have chosen the yellow rose for our class flower and dusty grey and scarlet red for our colors. Patsy Konrad, President; Bob Uszak, Vice President; Ray Bach, Treasurer and Billie Ossman, Secretary, help the class prepare for a trip to Hawaii, where we take the Seniors for their last prom. "Today we follow, tomorrow we lead," is the motto we chose, one which will never leave our minds.

Three busy and prosperous years are behind us. We are now Seniors, the leaders of the school. Many little seventh graders have gotten into trouble by mocking us. Chuck Spinello, our President, has helped us choose a press box for our class gift. Mary Ann Dziak, Treasurer; Pat Krajewski, Vice-President and Eva June Wolfe, Secretary, plan the committees for our Skirt and Sweater dance, Senior breakfast and picnic.

Years will come and years will go, but we shall always remember good old C.H.S. and it shall remember us.

## NEOPHYTES

These high school students are a group who take an active interest in dramatics — hoping some day to become a member of the Clearview Thespian Troupe. Their work takes them into an active part in the actor's roles and the important technical work that is connected with every play.

## ACTIVITIES

These younger students are also very interested in expressing themselves on the stage. It is out of this group that we will get our future Neophytes and Thespians.

## Vocal

As our band improved this year, so have our vocal groups. This is the first year where the groups have been so very active and their performances show the hard work that has been put forth. Mrs. Rebentisch, a new faculty member, has been working with Mr. Leckrone to harness the interest shown by all of the students. The highlight of the year was the concert "America Sings" presented in April. This year we were particularly proud of our barbershop quartet that was good enough to take honors at a county songfest. Here's to more and more singing next year.

ACTIVE BOOSTERS

## BOOSTER CLUB

The Booster Club is organized for the purpose of rendering service to the school in all possible ways, to inspire school spirit and be generally useful in supporting school activities.

The big social project for the year is the Snow Flake Ball held annually in January.

You may see Boosters in action at all games, dramatic, and musical productions and other school events. The corridor bulletin board is also their responsibility.

The Boosters stand for a finer and greater Clearview School.

This large group of girls form the Inactive Boosters, when they receive 50 points they will become members of the Active Boosters.

## VARSITY "C" CLUB

### "OUTSTANDING LETTERMEN"

The "Varsity C" is a club comprised of varsity athletes for the purpose of aiding the school through athletics.

We want our athletes to be leaders who will be a good influence on their classmates and on the younger children who watch them and often idolize them.

The officers for our first year were:

President ..... Jim Monagon

Treasurer ..... Bob Uszak

Secretary ..... Joe Fenik

Back Row—Mr. Baksa, J. Grizzell, J. Skorpupski, D. Karnes, B. Uszak, S. Zaborski.

Who is the British High Commissioner to Malaya? Who is Secretary of State? These are the questions that will be answered at the Quiz Bee Assembly. The students have been working hard all year hunting through volumes of magazines to prepare for this event. This year's group is made up of H. Davis, B. Uszak, M. Strasko, P. Pastor, G. Betzel, A. Huber. M. Strasko is president of the club and Mr. Baksa is advisor.

The Charles Palmer Davis Award was awarded to H. Davis last year and will be awarded this year to the person answering the most questions. Also, each student who participates on stage will receive a key for recognition.

Aren't these people the typical bookworms?

These girls under the guidance of Mrs. Rowe are learning to be homemakers of the future.

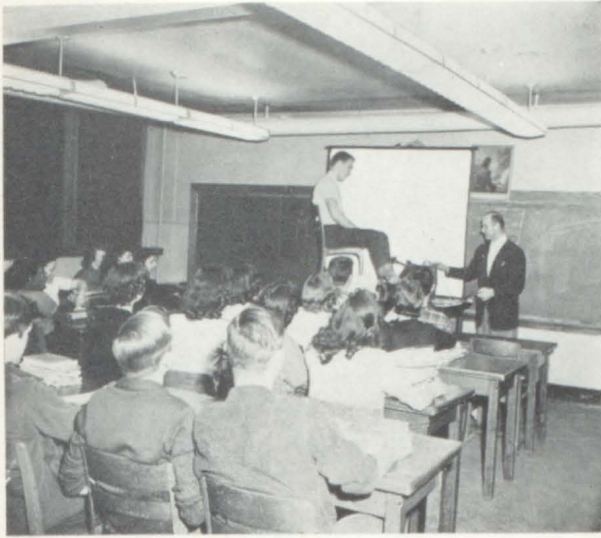

## FUTURE HOMEMAKERS OF AMERICA

The Future Homemakers Club of America is an incorporated non-profit organization whose main goal is learning to live better today in order that the homemaking pupils lives and those of their families may be better tomorrow.

The Clearview F.H.A. has won two State Awards of Merit and is trying for their third this year. Mrs. Rowe is the advisor and the officers are Carol Hale, president; Nancy Siebert, vice president; Betty Kulhay, secretary and Mary Anne Kakos is treasurer. The F.H.A. has a total membership of about 75 girls.

"Eager Beavers"

"Aid" means to help and that is just what these people were to the office staff during the school year. In the absence of the school secretary, the student aids answered the phone, ran errands, did small typing jobs, performed routine clerical duties, assisted visitors, etc. They had the opportunity to observe how an office actually functions and it gave them training in office techniques.

"Busy Girls"

As a part of their regular classwork, these senior shorthand students were assigned to be secretaries to the faculty members. They performed a worthwhile service for the school and at the same time helped themselves by becoming adept at performing many of the duties required of a stenographer or typist in an office. Thanks girls, for a job very well done!

# VARSITY FOOTBALL

"The team poses for a picture after a successful season."

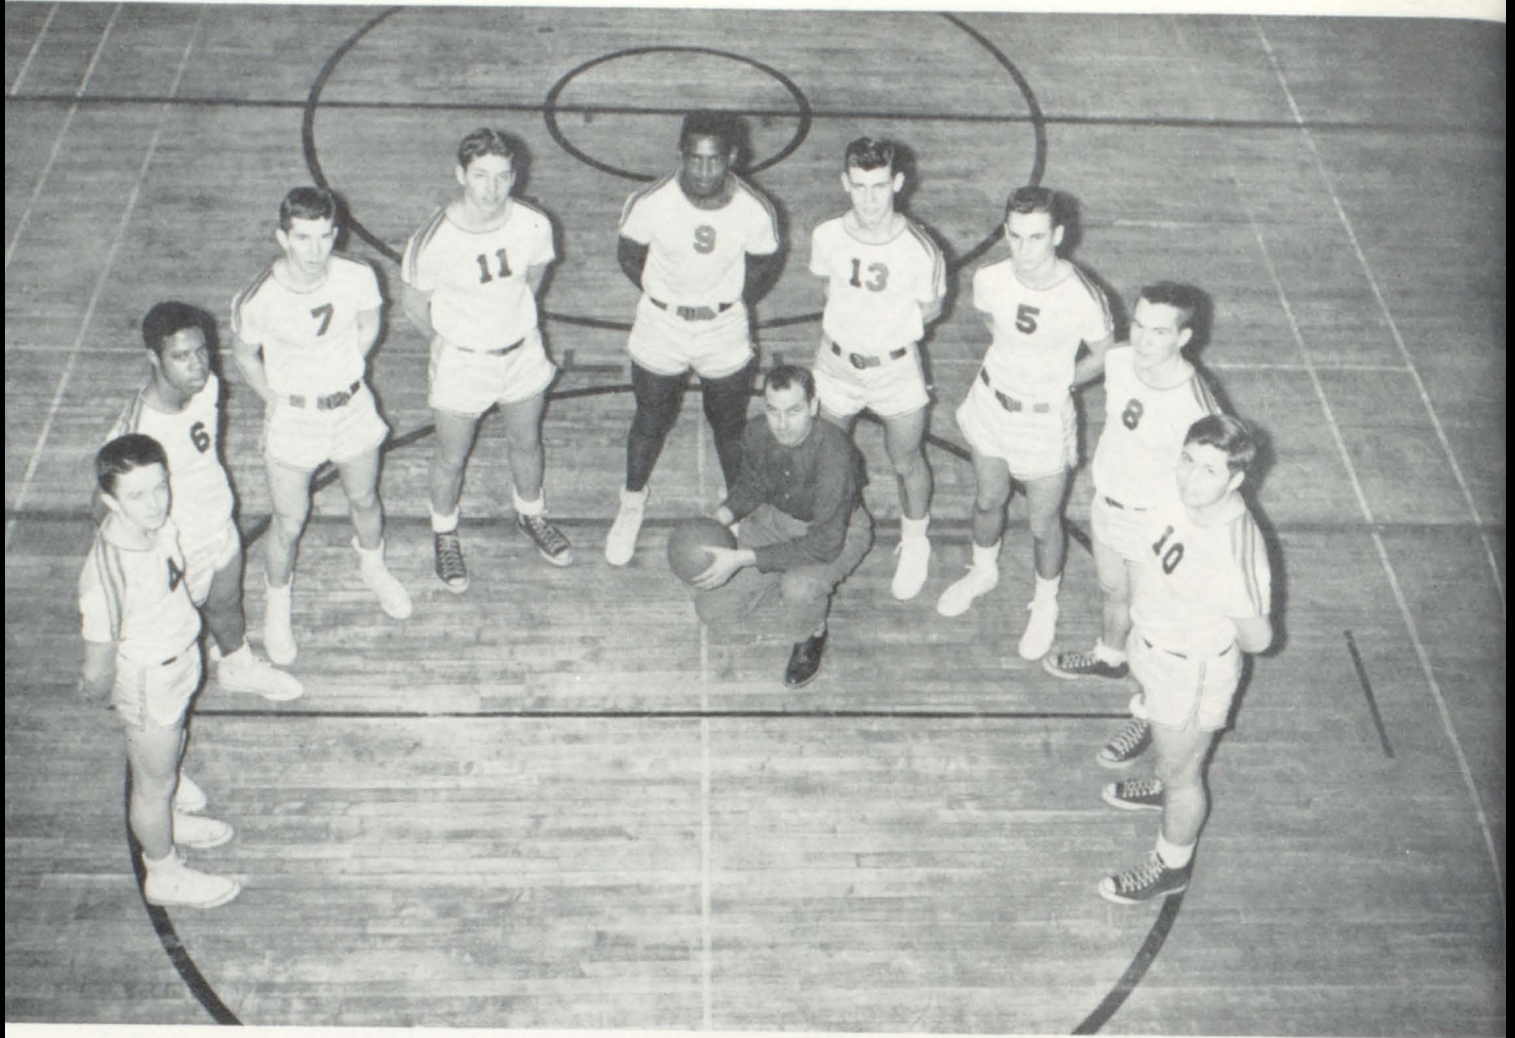

Jim Toth and Jim Monagon were picked as co-captains for what turned out to be a rather successful year. The team began the season by defeating Wellington 19-0 and the boys were able to play five straight games without a defeat. Amherst, our traditional rival, whipped us by the small score of 6-0 in a thrilling game. This was the first setback. For the Monday morning quarterbacks, a victory with either of the last two opponents would have given Clearview the Southwestern Conference Championship.

The offensive average was almost 20 points per game, while the defensive stalwarts gave up approximately 8 points per game.

Our hats off to you Mr. Swiegard and the boys for making the first year under the arclights so successful.

# VARSITY

J. Henes, B. Caldwell, H. Teaman, D. Buckholz, J. Horton, R. Dalzell, E. Szep, C. Bloom, J. Posze, and Coach Russ Lynch in the center.

The first basketball trophy since 1943 was won by our team of 1952-53 when they won the Lorain County Tournament and became a sectional representative. They continued to play well in the sectional and were defeated by Highland in the finals after a hard battle. The Highland team was undefeated for the season.

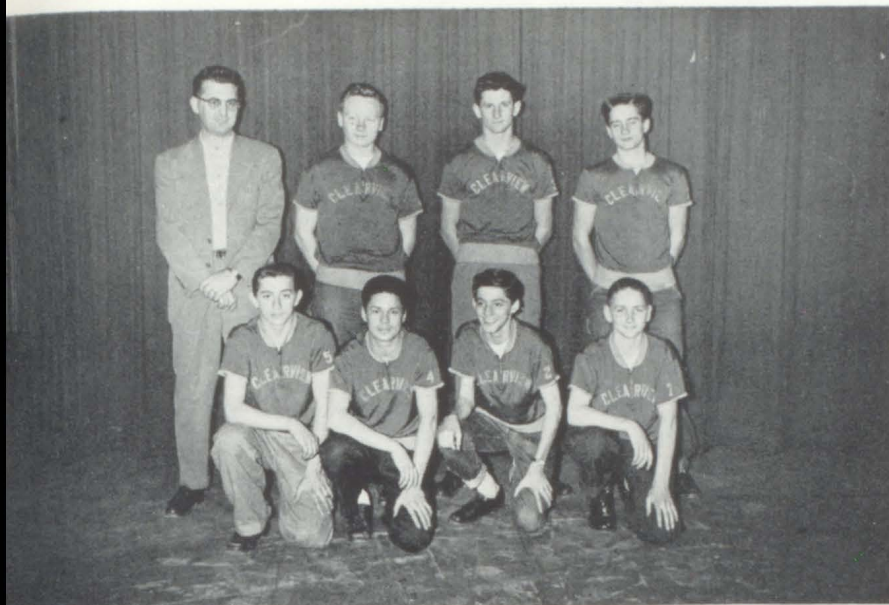

Our 1952-53 team had no returning lettermen and was comprised of a freshman, a sophomore, seven juniors and one senior. Almon Garrett, the only senior, was our captain and leader both on and off the floor. He always did his best and was largely responsible for the tournament success.

The team won only four games during the regular season but they never gave up, never stopped practicing hard and never lost their desire to be a success. The brand of basketball displayed at the end of the season was far superior to that shown in November and December.

Jim Horton was the high scorer and the most improved player on the team and Jack Henes, a freshman, is perhaps the most promising player.
