# FOREWORD

These are the students at Brookside High School. The school year of 1958-1959 was big for them--and exciting. It was a year in which they tried to catch up with Life, and Life tried to catch up with them. They took another look at the world and decided that Education was their assistant, their canoe over the rapids of Life.

It was a year of bustling activity. Upperclassmen flurried through the halls and worried about their "pet projects." Others found stimulation in sports: they were the spirit of Brookside fighting for Victory. Many students resolved to devote this year to the improvement of their studies. Seniors, realizing that this was their last year at their alma mater, developed a new love for the structure that had sheltered them during the hectic years of their young lives. They looked at the devoted walls, remembered the cherished traditions, and finally gazed out of the windows: the world was waiting.

This book, the 1959 Leader, belongs to the students . . . It is their book of memories, a record of Brookside High School, 1958-1959. As years pass, it will recapture the lost moments--the happenings forgotten today, yet remembered tomorrow.

# THE YEAR IN REVIEW

February 5, 1959

Dearest Diary,

The school year was here and almost gone before I realized it, but I feel I must tell you all about it and its activities . . . so string along, eh?

September 4th, the first day of school, was a ball (no homework--just the "getting settled" bit.)

Then came the 12th and football! We played the Lorain Sophomores at home. Afterward, the Junior Class had a sock-hop. They got lucky and made fifty-odd dollars. This is gonna be a rich class: I can tell!

September 19th . . . football again with Columbia at home. What a game! WE WON.

September 26th . . . football with South Amherst,--away. A game to match the 12th! We were cookin' that night!

The Brookside Band exhibited beautiful showmanship at the Parade of Bands, September 27th. It was held at Clearview. Rumor has it they received quite a few compliments from the other band directors also.

October 3rd . . . football again . . . Avon Lake this time. It was an away game that was a bit disappointing for Brookside fans . . . Oh well, you can't win 'em all.

Ah! Finally! October 10th . . . The end of the first six weeks. It certainly took its time getting here but is a welcome sight anyway . . . That night we played Buckeye, at home . . . looks like our winning streak is on again!

The 15th of October--report cards--no comment.

October 16th . . . Football with LaGrange at home . . . Chalk up another win.

We got all "spruced up" for school pictures on October 23rd. Everybody enjoyed the day (classes really got fouled up!)

October 24th . . . home football game with Firelands. Guess who won? We did (natch.)

October 31st and the big game: The Inland Firelands Championship at stake. We played Avon,--away. Band and team received a regular police escort all the way to Avon High--and we won! The boys really tied up this football season in a nice package . . . "There's nothing like a football hero . . ."

November 6th, and Pianist William Haacker so gently and cleverly inoculated us with some of that there long-hair stuff, brilliantly coated with some of our usual diet, that it was not only painless but actually pleasant . . .

"We Shook the Family Tree" was the name of the Senior Class Play presented on November 14th. Those seniors are real comedians!

Roger: another six weeks bit the dust on November 26th. Start of the basketball season, too. Brookside-Avon Lake at home, and what a game: The joint was packed, the uproar was tremendous, and we won by one great big point,--a basket just as the buzzer sounded . . . Jack, you doll! . . . After that, we NEEDED the 27th and 28th off, which we got for reasons of drumsticks.

December 3rd. Report cards.

December 5th: more bad news: the Belles of St. Mary's out-chimed Brookside's basketeers, 59-48.

December 12th . . . We beat Columbia in a home game, 73-38. (Were you there, St. Mary's?) . . . Frosh sock-hop afterward.

In the second home game in a row, we romped over Avon, 64-45, on December 16th.

On December 17th, the Hi-Y entertained the school with their annual Minstrel Show. Mighty nice job, too. Those guys really got out of school that day!

December 22-January 4th: Holiday vacation!

January 9th . . . basketball, away, with Avon Lake. We lost, 52-41. So you CAN'T win them ALL!

The Y-Teens held their annual Turn-About Dance January 10th. "The Boys" really liked this one.

January 13th, and we lost our first home game,--South Amherst: 40-35 . . . Ditto at Avon on the 16th, 45-37.

SO WE'VE BEEN STUDYING!

(Shudder!) I'll need all your support, dear Diary, when I think of that woesome day, January 22nd. EXAMS!

January 23rd . . . EXAMS! Two days running and almost too much for my constitution. Also that same day we had a home game with Firelands. Lost. 46-42. Those tests really shook the team!

January 28th . . . report cards . . . oh, well . . .

January 30th . . . Home basketball. Ridgeville stomped on us, 60-46. BUT WE CAME BACK! St. Mary's vs. Brookside on the 31st and how sweet is revenge: 53-51. (Close, but that only counts in horseshoes.)

February 2nd . . . we went down 73-45 to Clearview at a home game.

Charles King, vocalist, entertained Brookside on February 4th in a real cool "audience participation" gimmick. The whole gang sang "Happy Birthday" to Mrs. Garber and Mrs. Knorek, who blushed sufficiently for the occasion!

Well, here I am caught up with past events and looking toward the future. What next? Off hand, my crystal ball says:

February 6th, last home basketball game for the season,--B.H.S. vs. LaGrange. We'll win, of course. The same day will be National Honor Society Induction for "them as has it."

February 7th: last basketball game of the year with South Amherst, away. Another win it'll be, natch.

Two dances in February: the 10th Grade Dance on the 14th and the P.T.A. dance on the 18th.

The Ides of March bring the end of the fourth six weeks and report cards . . . Ye Good Olde Vocal Concert comes our way March 13th, and the Junior Play on the 20th.

Time off for good behavior March 27th to April 5th, and then April brings two more dances: the Band Boosters Dance on the 4th and the Hi-Y Dance on the 11th.

Come April 17th, the Band Concert will spell-bind us, and on April 24th, there's the Roman Banquet: a magnificent affair that's a privilege to attend! April 24th will mark its third annual appearance. This date also marks the end of the 5th six weeks!

April 25th . . . the Alumni Banquet. We undergraduates can't attend but there will come a time . . .

The student body will be able to attend a science assembly by Luther Gable, Ph.D., on the 28th . . . ought to be pretty interesting.

April 29th--report cards . . . you just can't get away from 'em!

The highlight of the year, the Junior-Senior Prom, can be expected on the 9th of May. The Juniors have a banquet before the dance starts; I can hardly wait! It's too bad you're a stay at home friend, dear Diary.

Our beloved Seniors behold baccalaureate on May 31.

("Shudder.")--here we go again--exams!

June 4--EXAMS! Oh,!!! to get rid of those abominable things! Ah well, this is the end of the 6th six weeks and, therefore, the last day of school.

June 5 . . . there go the Seniors departing from their loved ones never again to be acclaimed as "All American High School Kids." It's commencement time.

June 6--report cards . . . but we're free at last!

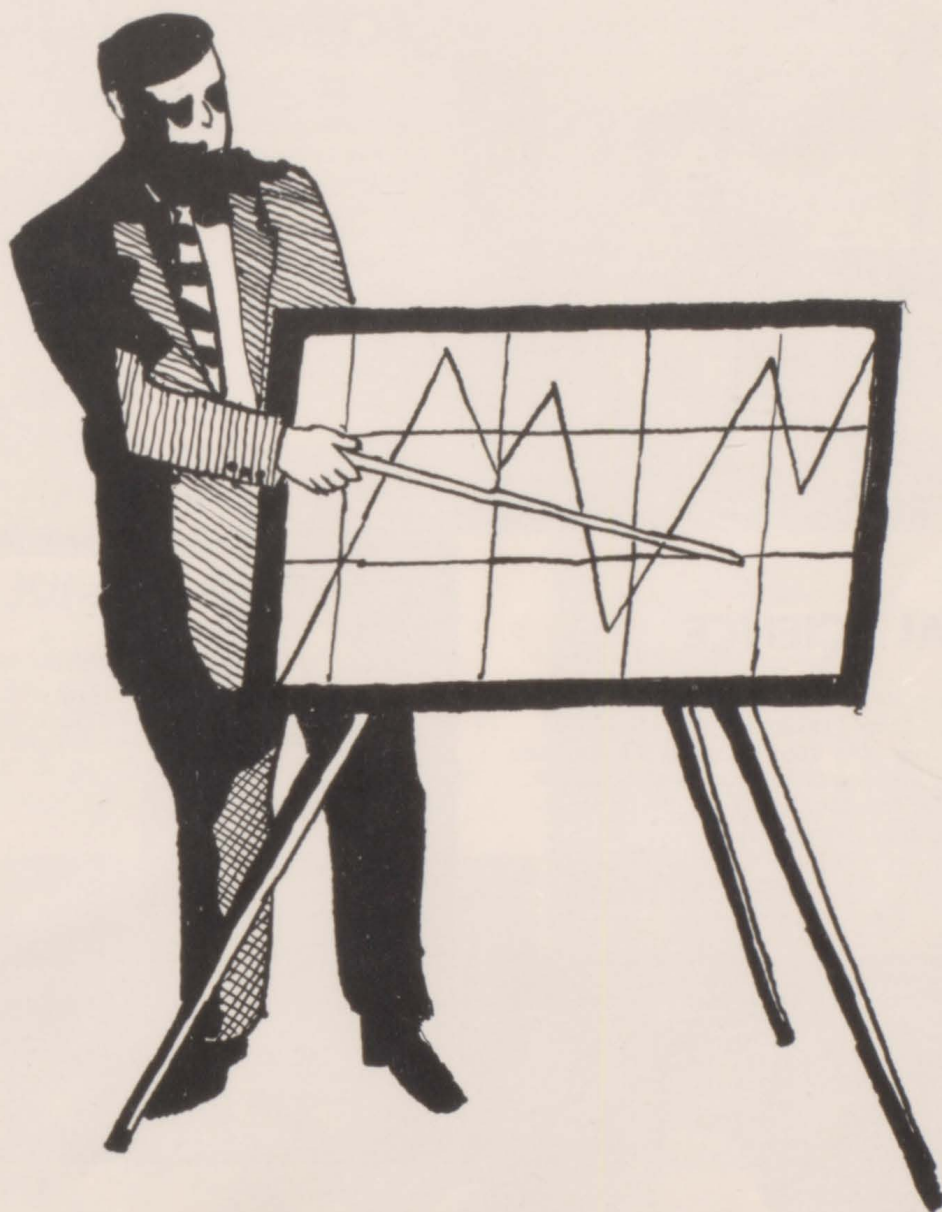

Yep, dear Diary, should auld acquaintance ne'er be forgot! But tomorrow's another day--what was it?--Oh, Honor Society and the LaGrange game. . . and so to bed.

Sincerely yours,

Betty Brookside

# FACULTY AND ADMINISTRATION

# FACULTY

## ENGLISH

English was emphasized at Brookside this year. Mrs. Norma Garber, in addition to her junior and senior English and composition classes, managed to be librarian, direct two plays, and advise Y-Teens, publications, and the junior class. Miss Ruth Sauer, sophomore class and Speech Club advisor, taught girls' phys. ed., speech, and freshman English. The freshman class and F.T.A. were sponsored by Mrs. Pauline Choate, who taught sophomore and junior English. Motto: Hard work never hurt anybody.

## SCIENCE — MATHEMATICS

Everything from equations to liters made up science and mathematics instruction. Mr. Wayne Browning, football coach and senior sponsor, taught biology, general science, and boys' phys. ed. Physics, chemistry, and general science were lectured by Mr. Richard Sutton, guidance counselor, junior advisor, and Hi-Y sponsor. Algebra, geometry, and general math were instructed by Miss Jeanette Shuman, freshman homeroom teacher.

## SOCIAL SCIENCE

Important news events were stressed in the social science department this year. Mr. John Verbanek, sophomore and Student Council advisor, imparted knowledge to the students in government, sociology, and Spanish. The seniors and Jr. Hi-Y accrued benefits from the counsel of Mr. Willard Smith, teacher of world history, American history, and world geography.

## OFFICE STAFF

Thanks must go to the busy office staff composed of Mrs. Barr and Mrs. Maticic. Here they are shown preparing an absence slip for student Lyn Balisteri.

## VOCATIONAL

Aiding the students in the general and commercial curricula was the aim of the vocational department. Mr. Dick Sevits, basketball and baseball coach, taught shop and driver's training. The commercial courses were under the direction of Mrs. Lena Gratchen, advisor of the Leader and Cardinal Courier. Home economics and Latin students were informed by Mrs. Alice J. Knorek, advisor of the freshman class and National Honor Society. Mr. Robert Telatnik was the instructor of mechanical drawing and shop and was assistant football and basketball coach.

## MUSIC

Providing the students with a knowledge of music was the purpose of the music department. Mr. Karl Kolin-ski, director of instrumental music, gave the school a band based on compatibility. An excellent mixed chorus and glee club were presented by Miss Patty Lou Satterfield, director of vocal music. All three organizations provided enjoyable entertainment.

## JUNIOR HIGH

Teaching the junior high grades this year were: Mrs. Nina Clawson, Mr. David Nitchman, and Miss Nancy Fox, seventh grade. Miss Fox resigned in the middle of the year. Eighth grade was taught by Mrs. Virena Youngquist and Mr. David Sellers. The seventh grade moved to Knollwood the second semester.

## IN MEMORIAM

Long remembered at Brookside will be Mrs. Naomi Krupp. Mrs. Krupp taught fourteen years in the elementary and junior high grades until her death in May of 1958.

## SUPERINTENDENT OF SCHOOLS

WILLIAM W. BARR

September, 1930, began a new era in the history of Brookside--for on that date Mr. William W. Barr began teaching here. He has taught elementary, junior high, and high school grades, has become principal, and finally superintendent of schools.

Mr. Barr brought with him a personality based upon kindness, understanding, patience, and humility, and it has remained and has imparted superb effects into the school district.

Mr. Barr enjoys his job and is never too busy for an understanding chat with a student. The students and alumni owe him a great debt--for honorable service to his fellow-man.

## PRINCIPAL

WAYNE A. WHYTE

This has been Mr. Whyte's first year at Brookside. His role as principal has been carried through very well--with the welfare of the students as his first regard. A graduate of Baldwin-Wallace, Mr. Whyte has given the school his time and efforts and they have been genuinely appreciated. Entertaining assemblies have been presented, and under his advice and supervision, projects have been maintained.

## MESSAGE TO THE SENIOR CLASS

Commencement should mean to you not an end in learning, but a beginning of a life full of new lessons to be learned every day. This June when you are graduated from Brookside High School, you will go your separate ways to learn. Some will go to college, some will learn a trade and some will seek employment in other fields.

Whatever vocation you choose there are certain fundamentals essential in life. The main point to a successful and happy life is to have a goal. Set your goal high enough that you will receive great satisfaction attaining it, yet make it low enough that it is possible for you to reach it. To set your goal in life you will have to take into consideration your limitations as well as your abilities. Secondly, choose a vocation with a future as well as one that will bring you satisfaction and enjoyment. Your relationship with others is another extremely important factor in your life. Be honest, dependable and sincere with others as well as with yourself.

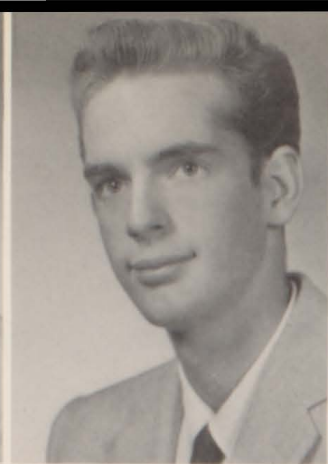

To have a well rounded life, learn to take an active interest in your church and community. It is one of your greatest duties as a citizen and we all need you. The eyes of our community are on you. Make them proud to have known you.

Those of us who have supervised your education wish you all the success and happiness in life.

Their last year was a busy one for the seniors. Life seemed to move too fast. They were here today--and gone tomorrow. They looked at all the little, unnoticed things around the building; the old steam pipes which had kept Brookside students warm for thirty-five years; the out-of-date drinking fountains (which somehow seem lovely) in the original part of the building; or the additions to the school which make one think of the growth of Brookside. The hard-hearted underclassmen (as they used to be) were now sentimental.

The seniors kept pace with all of the traditions of Brookside. Name cards were exchanged, senior photographic portraits were taken and wallet-size photos exchanged. Class rings were bought and underclassmen admired them. June 5, 1959, the date of their commencement, will mark the end of their own private era--a time in which they have learned and enjoyed life.

## SENIOR PLAY

A hilarious comedy, WE SHOOK THE FAMILY TREE by Hildegard Dolson, was presented by the senior class November 14, 1958, under the direction of Mrs. Norma Garber. The play was based on the autobiographical adventures of Miss Dolson when she was a teenager. Warren Maiden portrayed her boy friend, Freddie, and Judy Snodgrass played her. The play was very successful, and all enjoyed presenting it.

## 1958 CHAMPIONS OF THE INLAND CONFERENCE

Mighty successful were the words used to describe this year's football season. The powerful Brookside team romped over seven of its eight opponents. Lorain High Sophomores, Columbia, and South Amherst were early casualties. But Brookside was finally stopped by strong Avon Lake. They recovered this loss and went to murder Buckeye, LaGrange, Firelands, and Avon.

A dance and two testimonial banquets were held for our marvelous team. This was the second championship won by Brookside in the two-year old Inland Conference. This football season will be remembered for a long time to come.

# BASKETBALL

This year Brookside had a fair basketball season--at least an improvement over last year's record. Brookside bounced off to a nice start by edging arch-rival Avon Lake 48-47, but then lost to Midview and St. Mary's. The boys buried Columbia and Avon, but then entered a five game losing streak. Brookside delighted in overpowering St. Mary's, lost to Clearview, and smothered LaGrange.

With the superb record of the Reserves, next year's Varsity Team should be able to cop the Lorain County League Championship. Coached by Mr. Sevits and Mr. Telatnik, the teams exhibited good sportsmanship in a fair season.

The big question this year in baseball at Brookside is whether this year's team can duplicate the fantastic success of the Spring, 1958 Team. With an eager nine and the students behind them, the boys should make a good showing under the skillful supervision of Mr. Sevits. We can only wish them good luck and support them!

# GIRLS' SOFTBALL

**LEFT TO RIGHT:** Judy Smith, Dawn Patterson, Pat Bates, Carolyn Patterson, Gail Leidenheimer, Susan Fedor, Gayle Ramser, Kathy Proa, Chris Banjoff, Sandy Zamboni.

Lady Luck was just not at work this year for the Girls' Softball Team. A record of no wins and four losses was certainly disheartening to the girls and their coach, Miss Sauer. But true sports, the girls say: "Wait till next year."

# CHEERLEADERS

## VARSITY

A trio of attractive senior girls, Edith Opfer, Cheryl Armstrong, and Judy Snodgrass, has led us in cheers this year at football games, basketball games, and pep rallies. The peppy three are not newcomers to this activity. They were the Reserve Cheerleaders when they were freshmen. The next year Judy and Edith moved up to Varsity Cheerleaders, while Cheryl remained her position as a Reserve. As juniors and seniors, they were all elected to be Varsity Cheerleaders. Edith, Head Cheerleader, plans all the pep rallies, and the girls carry them through with skill and coordination. Together the Cheerleaders and the students have backed the teams, giving the boys support and determination to win.

LEFT TO RIGHT: Edith Opfer, Cheryl Armstrong, Judy Snodgrass.

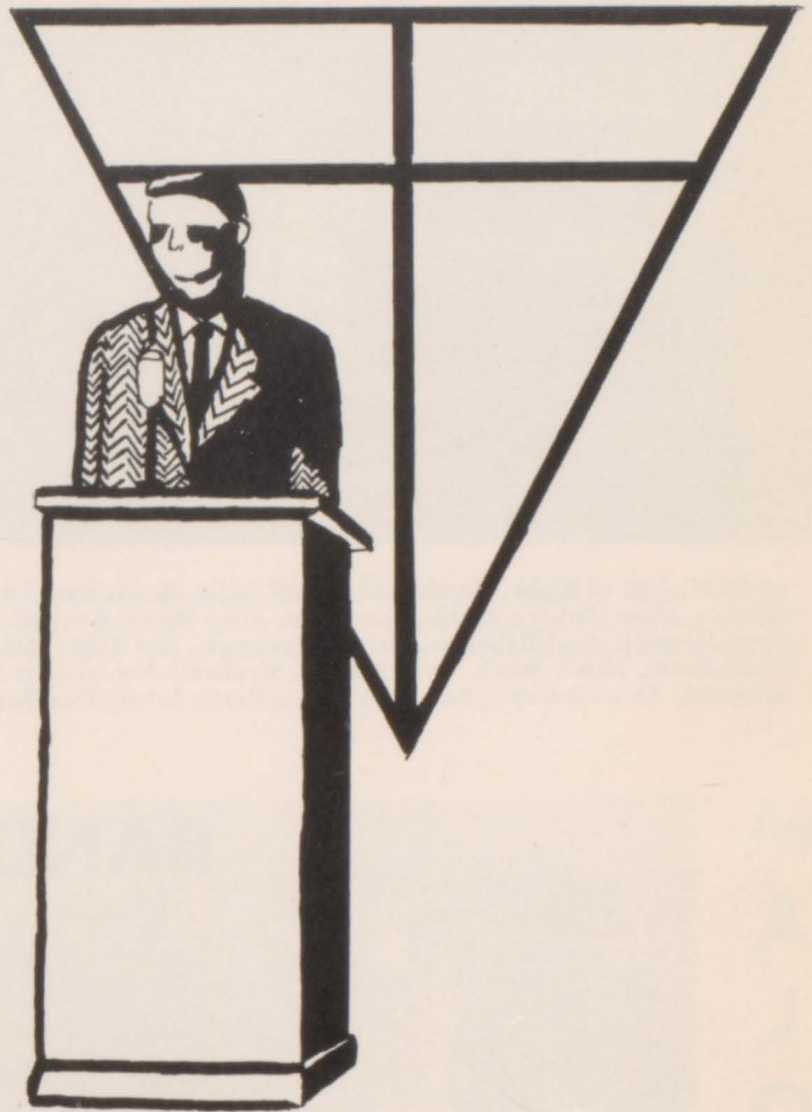

## RESERVE

Linda Gornall, freshman, and Sharon Gubeno, sophomore have entered the ranks of high school cheerleading this year by becoming Reserve Cheerleaders. The two have shown talent and hard work in their form, and Brookside is proud of them.

LEFT TO RIGHT: Linda Gornall, Sharon Gubeno.

## BAND

"M-I-C-K-E-Y M-O-U-S-E." The familiar strains of a happy song were emitted by the Brookside High School Band, under the direction of Mr. Karl Kolinski, at many football games. In addition, spectators were treated to "Davy Crockett," "I'm Late," and other songs closely identified with one of the favorites of both adults and children, Walt Disney.

These tunes were played with originality, compatibility, and that indefinable something which makes one want to listen to a song. They were also perked up by the intricate marching routines utilized by the band. All in all, the Walt Disney "Show" was an enjoyable piece of entertainment, one which the students of Brookside will long remember.

Mr. Karl Kolinski, director of the Band is directly responsible for their huge success in all fields of instrumental music. Without his immense talent, strenuous coaching, and beneficial teaching, the Band would have little of which to boast.

Capably serving as Band Officers this year were: Cheryl Armstrong, President; Sherman Tyree, Vice President; Sharon Siewiorek, Secretary; Bill Johnson, Treasurer.

Music, music, music was presented by the Mixed Chorus and the Girls' Glee Club under the cheerful direction of Miss Satterfield.

The two talented groups gleefully sang many songs, all of them melodiously and harmoniously. One of their highlights of the year was the highly-entertaining Christmas program given to the student body and the P.T.A. All in all, these two organizations have raised the standards of music at Brookside.

Deadline dithers, ad anemia, and loose layout were the few illnesses that plagued this year's Leader Staff. But, true to form, the Staff recovered and presented a yearbook that was directed at pleasing the students. Happy moments greatly outnumbered the fearful, for the Staff worked together and received priceless advice from the two advisors, Mrs. Gratchen and Mrs. Garber. Original ideas were presented by the Staff's publisher's representative, Mr. Pete Prentner. Marvelous co-operation was received from Mr. Michaels, the photographer, who went out of his way to please us. Many hours were spent working together on the book, but it was fun and we learned together. Too bad it's over!

Such newspaper terms as "streamers," "bylines," and "floating flags" filled the minds of the busy Cardinal Courier Staff this year. Six entertaining issues of the paper were published, and they were met by good response from the students.

Together with her sister publication, The Leader, the Cardinal Courier occupies the heart of journalism at Brookside. Reporters and editors tried to perfect their work with each issue so that they could learn and could please the students.

Election to the Cardinal Chapter of National Honor Society is the highest honor any student of Brookside can receive from his high school during his student days. Requirements for membership are Scholarship, Character, Leadership, and Service. The organization is sponsored by Mrs. Knorek and Mrs. Garber.

The sixth annual induction of the Cardinal Chapter was held on February 6, 1959. New members were inducted by the senior members who received this honor last year. Larry Gornall gave the Welcome, and Judith Snodgrass spoke on Scholarship, Margaret Phillips on Leadership, Edith Opfer on Service, and Donald Tipka on Character. Andrew Minda and Kenneth Pelfrey, both senior members, aided in the induction. Reverend Mr. E. Harold Kettner of the Avon Lake Lutheran Church presented the Invocation and the Benediction. Mr. Kenneth Shook, principal of Hawthorne Junior High School, delivered the main address. The Band, under the direction of Mr. Kolinski, played three selections.

New members inducted were: Billie Lyn Balisteri, Rachel Caley, William Johnson, Stephen Klemen, and Daniel Opfer, JUNIORS; Arlene Fitzgerald, Dan MacLachlan, and Letitia McSheffery, SENIORS.

## BROOKSIDE THEN . . .

The citizens of the Sheffield Lake School District were jubilant in 1924 when their first big accomplishment became known: Brookside School was opened. It housed all of the grades, and the people were joyous with the new, modern building. It boasted a large gymnasium and all the comforts that the students could have wished. But the famous tornado of 1924 damaged part of the building, and it had to be rebuilt.

It was not until five years later that Brookside received a high school charter and presented the first graduating class. The first principal was Mr. White who remained for a short time. Mr. James A. McConihe took his place and remained until 1941.

In 1939 an addition to the building was constructed and formed the northeastern part of the building. This meant more classrooms and an industrial arts room. Mr. William W. Barr took over the duties of principal in 1942 and later became superintendent.

The Sheffield Lake School District grew in the meantime. Brookside became crowded; and in 1950, Tennyson Elementary School was opened and alleviated the conditions at Brookside. Knollwood Elementary further relieved conditions in 1957.

The above picture, taken in 1942, shows a charming and silent Brookside with the still-remembered hedges that spelled "BHS."

# BROOKSIDE NOW . . .

Today, Brookside High School, an eighteen classroom building, looms her lofty heights to the sky. The eighth through the twelfth grades attend classes here and the atmosphere is one of preparation for life.

As a result of housing developments in the school district, many new students have entered in the past few years. The curriculum offered has been extended, more teachers have been hired, and the departments have been improved. An extensive remodeling program is under way at Brookside.

But the growing pains still ache. A new elementary school will be built this fall on Forest Lawn Avenue in Sheffield Lake. An addition to Knollwood was just completed, and the seventh grade moved there from Brookside. In the future, Tennyson will become a junior high school. All of these accomplishments will alleviate the growing pains--but what can be done when more developments are constructed? --this is the ache.

Brookside High School stands in this, her thirty-fifth year, with a bit of the old, a bit of the new--a school of which her students can be proud.
