LORAIN ADMIRAL

C

ALMA MATER

*Hail to our colors, gold and blue;
Hail to our alma mater true;
Throughout the years we shall stand by
With pride we'll keep your standards high.
The values we establish here
Will make our memories ever dear*

*Oh, Admiral King, so strong and bold,
Our endless love can ne'er be told.
The light that you created here
Will be a beacon through each year
And bring us always home to sing
The glory of our Admiral King*

*Tune: "Navy Hymn"
Lyrics: Marjean Ross*

|| What IS *the* DEFINITION Of CLASS?

The definition of class can be defined by any old dictionary, but what defines our class from all the others? What defines our intellectual appeal, or our wild and crazy style? What makes us, Lorain Admiral King, different from the others? We are a school of high academic achievements, great athleticism and sportmanship, we are full of school spirit and high class. Those are just some of the things our school is and should be perceived as. It is very sad that all do not perceive LAK as the great school that it is. When many think of Admiral King they associate us with the rumors of more of the bad than the good. That is not right, the good outweighs the bad by far. Only we, as a student body and staff can change those rumors. This year book proves the colors of gold and blue to be true, and that Lorain Admiral King is a fine school from every aspect possible. Forget the past and look towards the future. LAK is unique, classy, fun, and bright, and any of those that think otherwise may have judged the book by its cover. Here is a new cover for you to look at and you will see the many things that make Lorain Admiral King the best.
