Measure the Minutes that Count

Life is about those special moments that you never forget.

If the time comes that you're facing an emergency, you don't want to lose precious moments in an ER waiting room. The Avon Emergency Care Center offers high quality emergency care with excellent overall patient visit times.

Get the treatment you need and the compassion you deserve, so you can get back to the minutes that count.

Melanie Spiroff

Congratulations!

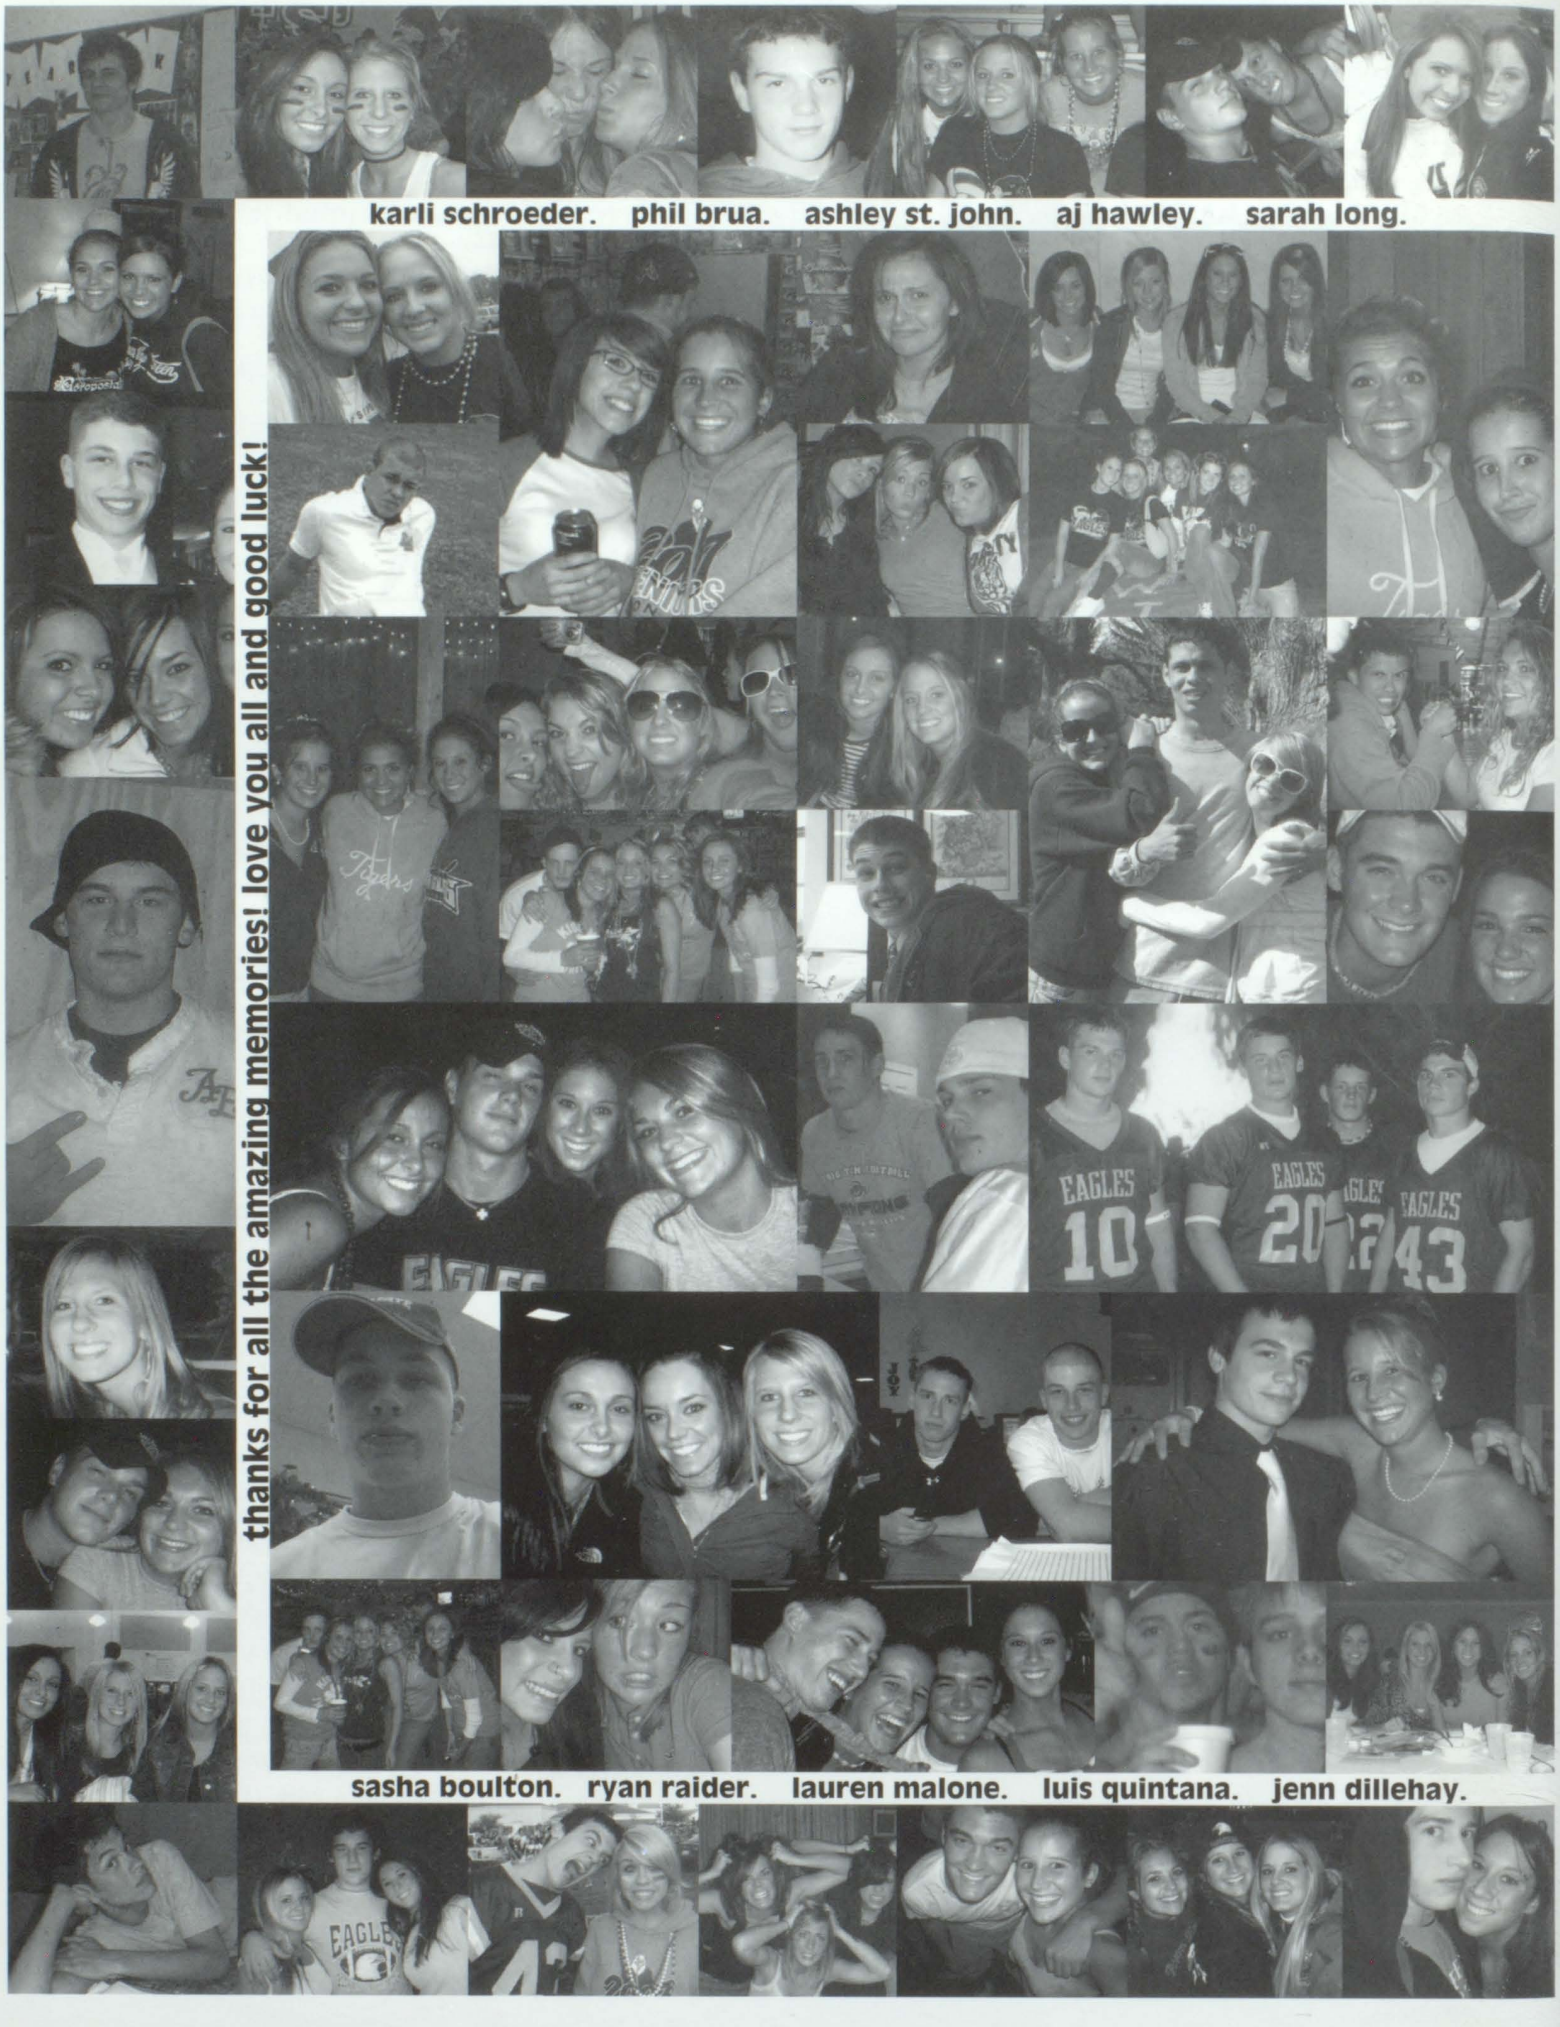

Mellie,

Stand tall in your beliefs and depend on yourself. Value people for what is on the inside, not the outside. Don't depend on material things for happiness. Nothing trumps hard work and integrity. Always remember the value of giving. Take time to appreciate the people who love you. Never forget that you are a gift. We are so proud of you!

All our love, Mom & Dad

Even though we've changed and we're all finding our own place in the world, we all know that when the tears fall or the smile spreads across our face, we'll come to each other because no matter where this crazy world takes us, nothing will ever change so much to the point where we're not all still friends.
