Crossroads & Commitments

Joel Penton

On September 18, 2007, Joel Penton, 2006 graduate and defensive tackle for The Ohio State University, came to speak to the students of Clearview High School. Mr. Penton encouraged students to make commitments to themselves and their future. He talked to the students about standing their ground when it comes to making important life decisions.

**no
regrets**

Welcome Gorana!

This year CHS was privileged to host Gorana Stumpf as a foreign exchange student from Croatia.

Being an exchange student is one great experience that changed my view on life dramatically. Honestly, it is not easy but it is worth it. I got to meet some extraordinary people and I found friends for life that I will always remember. I was faced with many cultural differences starting with eating habits, different mentality, school, friendships... However, as time passed by I started being a part of Clearview and began to experience true American life. In the beginning of my "adventure" I could give the whole list of differences between Croatia and United States, but by the end I needed to think hard because I got used to American way of living to that point that I didn't see those differences anymore. I had two great opportunities to visit New York and Hawaii and those are the places I will never forget and where I had an amazing time. I really hope I will come to visit Ohio one day and reexperience everything. Even though I sometimes struggled and had bad moments, I can say this was one big and great experience that I will remember my whole life and I wouldn't change it for anything. ~~~Gorana

Synopsis

Jimmy Took's only relative is Uncle Dan who is very wealthy and very generous. Somehow Uncle Dan gets the impression that Jimmy is married. Just as Jimmy finds himself in a position where he needs to borrow money, he receives a letter stating that Uncle Dan will be arriving soon to meet the bride. Afraid that his uncle will think he deliberately lied to him, Jimmy frantically tries to talk his girlfriend, Mage, into posing as his wife for a few hours. Madge refuses, so Jimmy attempts to hire Mr. Oswald, a humorous near-sighted fellow, to pose as a woman! Mr. Oswald also refuses- leaving only Jimmy's roommate, Bill. Against his better judgement, Bill gets dressed up as a girl! Things liven up when Mr. Oswald changes his mind and arrives as "Mrs. Took," and Madge also changes her mind and breezes in announcing that she too is Jimmy's wife! Jimmy rushes around trying to keep Uncle Dan from meeting his various fiancées as laugh tops laugh and Jimmy realizes his idea wasn't so bright after all.

The 2007 Football Season began with a big change as Coach Mike Collier took the reigns to lead the team in his first year as Varsity Head Coach. The team was committed to win and their efforts paid off, as they took first place in the Stripes Division for the second year in a row. Ending the season 6-4, the Clippers are looking forward to not only improving their record, but also continuing their dominance in the Stripes Division and taking the lead a third time.

CROSS COUNTRY

This year's Cross Country team gave everything that they had. Although there were some unexpected transfers and unfortunate injuries, this team was COMMITTED to win.

The Boy's Team finished 6-3 in head to head duals and placed in the top 5 in all of the invitationals they competed in. The boys ended up taking a solid 3rd place in the conference and qualified one individual (Angel Senquiz) to the regional meet.

BASKETBALL -- Varsity Boys

The expectations for the team weren't very high, because there wasn't much experience as a varsity team. The Clippers didn't start their season like they wanted, but the last half of the season they came out 9-1, ending their 07/08' season with an overall record of 13-8. Great job Boys!
