CANDIDS

Dedicated to Pearl Pearl attends Clearview's Prom with Jim Novak in 1966, and as you can see, they have done everything together since. Pearl displays her class incubator and stands with her last class of fifth graders. Graduating Seniors stand around Pearl, proud to have had her as a teacher back in fifth grade!

Pearl Novak

Her name says it all!

Pearl Novak has been with the Clearview Local Schools for 30 years. She began her career as a Librarian and has taught all subjects at the fourth and fifth grade levels. In those 30 years, she has worked tirelessly to establish a tremendous rapport with her students and to

create a dynamic and exciting classroom experience.

Everyday that Pearl steps into the classroom she not only delivers her lesson, but also a kind smile, tender heart, and open arms. She gives 110% everyday, and she is an

example to everyone around her. Pearl is a precious gem to be treasured forever. She retires this year with her husband James Novak. Thank you for all of your years of service, your example, and your legacy.

A Glowing Night: 2009

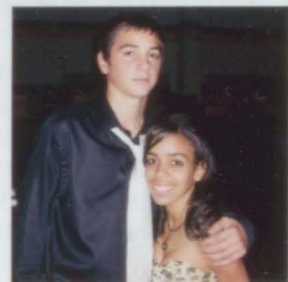

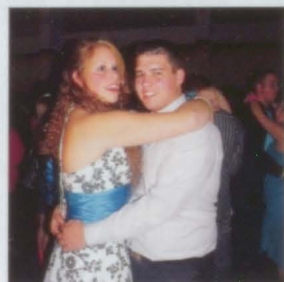

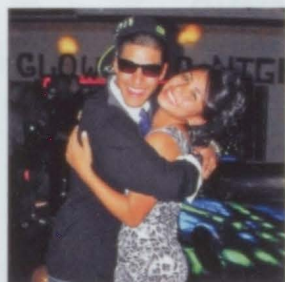

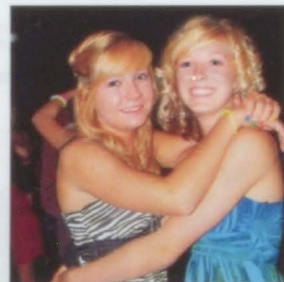

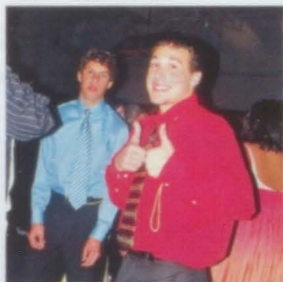

The theme for Homecoming 2009 was A Glowing Night. It was all about bright colors, flashing lights, and glow sticks. The night was full of dancing, and laughing. Over all, it was a blast, and was a night to be remembered forever.

From friends to couples, to blue hair and ribbons, we danced the night away, as the disco ball turned.

Interview With Steadmino

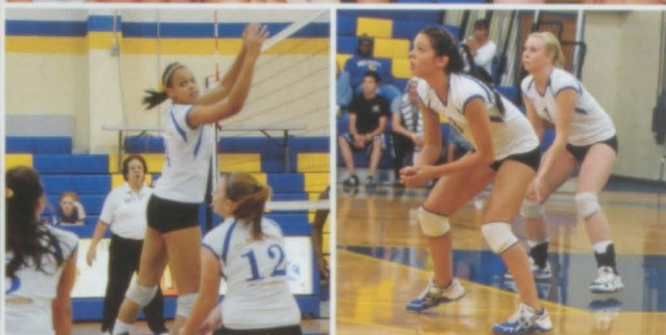

According to Coach Steadman the season went well. Despite some injuries it ended on a positive note. The boys finished fourth and the girls finished eighth in the Pac 10.

This season most of the awards were given to the MVP Gabe Cruz. He was awarded 1st team all conference and 2nd team all county. Gabe is also the school record holder with a time of 17:28. Kevin and Colin Watson were awarded 3rd team all conference, and Amanda Frazier was given an honorable mention.

Coach Steadman has just one goal for next year; "Summer miles equal fall succes."

The Lady Clipper Volleyball Team Made Clearview History

The varsity volleyball team defeated Vermillion and Rocky River in the first and second rounds of the playoffs to become Sectional Champs for the first time in Clearview High School history. The Lady Clippers had a record of 15-7 at the end of their regular season, and 17-8 including the playoffs.

Senior Sarah Bolmeyer had this to say about the team's season: "Although my senior season went by fast we accomplished so many things that haven't happened at Clearview. Also, my team made it the best season I could ask for."

2009 Patriot Athletic Conference Stripes Division Champions

The football team had a record of 8-2 and became the Patriot Athletic Conference Stripes Division Champions for the fourth year in a row. Losses to Wellington and Buckeye by a combined seven points wound up costing the Clippers a second straight trip to the postseason.

The devastating losses didn't keep the Clippers from having a great season. Coach Collier encouraged and motivated his team to finish strong. Great Senior leadership also carried the team to the end.

Anthony Hitchens was awarded the 2009 Golden Helmet Award for Lorain County. Hitchens gained 1,428 yards rushing this season and scored 21 touchdowns and holds many school records. Zach Anderson also broke a record for all time career passing yards.

Freshmen & JV Basketball

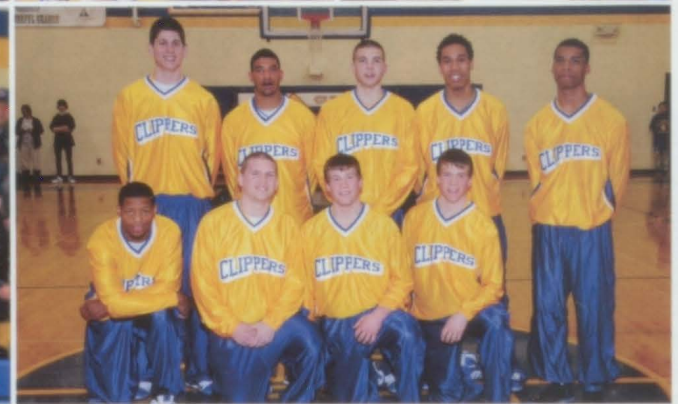

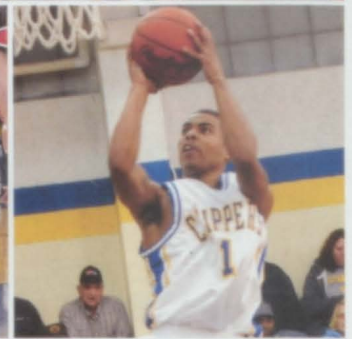

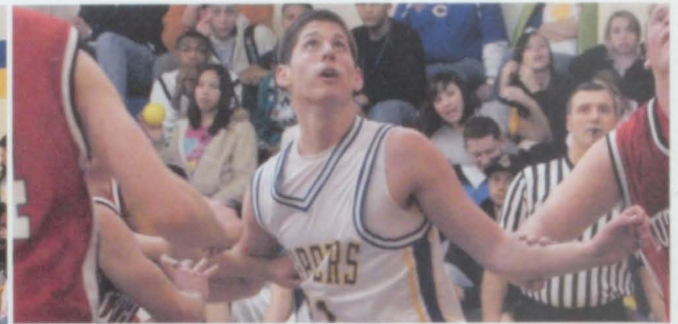

Boy's Basketball

Clearview is well on the way to establishing dominance in all sports and Basketball is no exception. This year's JV team had a tremendous season improving throughout the year.

The JV worked together as a team to accomplish a successful season.

The Freshmen team finished 3rd in the conference.

Varsity Basketball

What a season!!

The Varsity boys basketball team had a tremendous season. Not only did they repeat as conference champions but they also went on to face Celina in the Regional Semifinals. The team played their hearts out only to fall short during overtime.

Though many people knew our team would be good, not too many knew that they would have the success that they had this season. We are looking forward to repeating as conference champs next year!

Lady Clipper Basketball

The Junior Varsity girls basketball team had a great season this year. They all worked very hard as a team and became one big family welcoming three freshman players.

The Freshman girls basketball had a winning season. They all came together as a team and worked hard to win. They had some tough games but played their hearts out until the very end.

Both Junior Varsity and Freshman teams had a wonderful season this year, with the freshman going undefeated up to their last game. Both teams worked hard and are expected to dominate in the future.

The Clearview National Honors Society is an organization that is based on character, leadership, service to/for the school, and community, and also scholastic and academic abilities.

Every year, the NHS hold a school talent show, that we like to call "Star Search" as a fundraiser. Students and staff compete against each other and are judged by fellow students and staff.

Track

Success follows on the Track Team

This year's track team had many accomplishments with several students earning places as "first team all conference." The boys 4x100 also had great success as they traveled to the district meet. Senior Colin Owens made a trip to the state meet for the high

jump, taking sixth place overall.

The team is focusing on bringing back the confidence and state bound mentality that has been a part of Clearview tradition in the past years.

Speaking towards the coming years Coach Scott Sloboda says "The Girl's track team is very young, excited, and working hard. This group has the making of a very special class; we are looking forward to keeping this young team together for the next four years."

Look out, here they come!

Varsity Baseball

Just the Beginning

Although this year's baseball team started the season with a challenge, they managed to finish with a record of 18-8 bringing home Clearview's very first conference championship.

Junior Ian Mezlak held an astounding 675 batting average, 4th in the State all time, as well as a 1.60 ERA. In addition Coach Pihlblad earned the title of Coach of the year.

The JV team was also successful as they improved throughout the season.

Overall, this season was the beginning of what we can expect from our ball club in the coming years!

Senior/Faculty Challenge

As has been Clearview's tradition, the Seniors challenged the faculty once again in various events including: wing eating, badminton, ping-pong, basketball, and even "the wii."

Every year the Seniors believe that they will be the class to dominate and beat the faculty. Although they put up a tough fight, the class of 2010 failed once again as the faculty hold their title as "king of the campus."
