# SIIE OFNEW LORAIN CATHOLIC HIGH FOR BOYS \& GIRLS construction spring ioge 

## The Start Of Something Great

NEW CATHOLIC HIGH SCHOOL
''Meetings are slated next week to outline plans for the memorial phase of the Cleveland Catholic Diocese building fund drive which will open Oct. 10. The $\$ 4$ million structure shown will be constructed in 1966 here in the area of Washington Avenue and W. 35th Street. The new Catholic educational center will house between 2,000 and 2,400 students. The center will be built on 50 acres owned by the diocese just east of St. Peter Church-School at 3501 Oberlin Ave. The education center differs from a high school in that both boys and girls attend, but they will have classes in separate wings of the structure.

They share common facilities, such as library, cafeteria and laboratories. A meeting of campaign leaders is set for 8 p.m. Tuesday at St. Mary School, Seventh St. and Reid Avenue, with representatives to attend from St. Peter, St. Mary, SS. Cyril and Methodius, St. Joseph, Nativity and Chapel of Sacred Heart parishes. On Wednesday at 8 p.m. another session is slated to be held at St. Anthony School with the following parishes participating: St. Anthony School with the following parishes participating: St. Anthony, Holy Trinity, St. John, St. Vitus, St. Ladislaus, St. Stanislaus, St. Vincent de Paul."

"This year we celebrate the tenth anniversary of Loraine Catholic; that adds another decade of 60 years of Catholic Secondary Education within Lorain County. That is a tradition we can all be proud of.

Lorain Catholic opened its doors on September 22, 1969 amid planks over mud walkways, uncarpeted pods and men dripping through the ceiling to complete the electrical wiring. Teachers spent their first few months in the classroom with only chalk as a teaching aid. The spirit of the pioneer education that went on at Lorain Catholic during that time, a spirit that brought together the faculty and students in an effort to see that education and the building of Lorain Catholic's programs became a reality.

Many things have happened since the beginning of Lorain Catholic began. The building is completed
and well equipped. Many of our graduates are already involved in their chosen careers and proud of what they received academically, athletically and socially at Lorain Catholic. Several teachers that were in on "the ground floor" are still with us:

## Fr. Snyder Begins Decade 2

It is always a difficult task for an administrator to look back over the last year. So many things happen and so many changes are made that it sometimes can fill a book in itself. In my first year as Principal it has been a good and worthwhile experience. The adjustment from being a Chaplain, and a College instructor was not difficult thanks to to the understanding and help of a good faculty and the openess of so many students. A great deal of time is needed to build pride and an atmosphere where learning can take place in a spirit of Christian love, cooperation and self-respect. Possibly, my feelings of Lorain Catholic and towards the faculty, young men and women, students who have achieved academic and athletic honors can best be summed up by the words of Sacred Scripture:

Letter to Timothy 1: 2-4
''May God the Father and Christ Jesus our Lord give you grace, mercy, and peace. I give thanks to God, whom I serve with a clear conscience, as my ancestors did. I thank him as I remember you always in my prayers night and day. I remember your tears, and I want to see you very much, so that I may be filled with joy. For this reason I remind you to keep alive the gift that God gave you when I laid hands on you. For the Spirit that God has given you does not make us timid; instead, his Spirit fills us with power, love and self-control.

## Mr. Demcho

## 3 Years Of Dedication

I have spent fifteen years in education. The last three years as a teacher, dean, and assistant principal at Lorain Catholic. These have been the most rewarding years in education. The reward comes in watching an individual student grow to their fullest potential. Changes continually take place at Lorain Catholic. Schedules, curriculum, teachers, administration, and students continually change. These changes take place in every school across the nation. The one area that never changes is the spirit within the walls of Lorain Catholic. A spirit of success. A spirit of accomplishment. This spirit is here for all that wish to take it and nourish it. This is my reward. Seeing each individual grasp the spirit of Lorain Catholic and use it to fulfull their needs and potential. Each student, especially the Seniors, who have benefitted from the spirit of success and accomplishment at Lorain Catholic, be it academic, social, or athletic, will meet with success and accomplishment throughout their lives.

Mr . Demcho has been more than just an administrator at Lorain Catholic; he also has been a History teacher. This is the 1977 MONOLITH picture of the History Dept. featuring at top: Mr. Lawhead, Mr. Ziemke, and Mr. Francis. At bottom are of-course, Mr . Demcho and Mr. Flament, now teaching Religion.

Every year the Freshman take the National Educational Development Test, this year was no exception. As you can see in the picture some take it seriously and others take it as a joke. All four years of high school include taking some sort of test. Freshman and Sophomores take NEDT tests. Juniors take PSAT tests. Seniors take SAT and/or ACT for college.

## What Should I Take? Maybe We Can Help.

Through out the year you might have walked into the office and asked things like: 'Can I retake my pictures?'" 'Is Monday a free day?'" ''My name was on announcements, I want to find out why?" "Can I go home?" "Can we go to our next class because the bell never rang?' ' You probably got your answer from one of the people below. With out these people our questions would never be answered. Mr. Biehler is also an important person at our school. He keeps the school running, not academically but physically. On the left page there are those who answer your guidance questions and the nurse who can answer any health questions. Last but not least is Mrs. Bereznay, who keeps the commons running smoothly. If you have a question on what to do, where to go, or what to take there is always someone to answer your question at Lorain Catholic.

Mr . Ziemke coaches Tennis and assists Mr. Francis.

Miss Sally Stauder

If you ever want peace and quiet you can go to the school library as one student did shown in the picture at the right. You can study or look at books or some even catch up on their sleep. If you need any help in finding a book there is always someone to help you. In the library you can also find slides, film strips, magazines, and records. You might need them for a class presentation. Others on this page are: Mr. Graham for DECA, Miss Stauder and Mr. Sealscott for business, Mrs. Doychak and Miss Ocampo for the library.

## Activities And Organizations .

## Student Government Sees Some Changes

Student Government Officers and Committee Chairmen--First Row: Judy Poprock, Chairman of the Liturgical Committee and Community Affairs ; Ari Amiri, Treasurer; Tim Diamond, President; Sr. Ellen Mary, Advisor; Second Row: Jayne Hogrefe, Chairman of the Publicity Committee; Judy Kramer, Secretary; Paula Laboda, Corresponding Secretary; Carol DelGrasso, Vice President; Chris Schiavoni, Chairman of Activities Committee

[^0]"Today is not yesterday. We ourselves change. How then, can our works and thoughts, if they are always to be the FITTEST, continue always the same? Change, indeed, is painful, yet ever needful.
-- Carlyle
With this concept in mind, this year's Student Gov't. under the leadership of President Tim Diamond, took a long, hard look at itself and decided some things needed changing. Instead of being a forum of student opinion, Student Gov't. was primarily interested in activities, putting representation second. The organization was also too large to be effective, so after Xmas vacation, a special meeting was called at which the problems were discussed. All members agreed that homeroom representation was one of the major problems and that the system was
not working. The homeroom reps then decided to resign in order for new reps, three from each of the four classes to be elected. Communication would take place through an idea box, where students could place their written opinions. These would then be read at the meetings where reps would have the opportunity to take action on the different ideas. The officers also worked with Fr. Snyder in planning a principal's Council made up of two students, two teachers, and the administration in order to improve communication between the three groups. Much of the "REFORM" and its implications were hardly felt this year because of the lack of time, but they should be strongly felt next year and the years to come if the new school leaders have the same intense desire to serve.

There was an unofficial name change S.G. to the League of Students.

With all this going on you would think the group would have little left, but under the moderation of Sister Ellen Mary, Time Diamond, Carol Del Grosso (Vice President), Judy Kramer (Secretary), Ari Amiri (Treasurer), and Paula Laboda (Corr. Secretary) organized a series of activities. Chris Schiavoni (Activities), Judy Poprock (Liturgical), and Jayne Hogrefe (Publicity) planned the Welcome Back Dance, Homecoming and E. C. Week, Teacher Distinction Day, school masses, Food Drive, Blood Bank, Eighth Grade recruiting, and elections.

## First Year: Language Club

The Language Club was founded by French III and IV. It was the first Language Club in the history of Lorain Catholic, and it was aimed at having the students of foreign languages discover and experience different cultures and customs. The Club sponsored a nut-sale and gave two parties for the members in which French and Spanish cuisine was served. The officers include:

Moderator -- Mr. Ruggles
President -- Valerie Barnett
Vice-Pres. -- Paula Loboda
Treasurer -- Diane George
Secretary -- Rhonda Harsar
Publicity Chariman -- Maria Costa Refreshments -- Stephanie Fasco

The members of D.E.C.A. (Distributive Education Clubs of America) study the scenes behind all levels of retail and then put their studies to work for each member at their training stations. They go to these work training stations after attending school for half-a-day. The officers participated in the Fall Delegates Meeting held in Columbus in November. Later in the year, the whole class competed in D.E.C.A. competition. This year was the first time a student has won at state to qualify for nationals. This student was Dolores Bansek. All in all, D.E.C.A. is a challenging experience and is rewarding for future vocations.

# Pep Club Has Soul! 

Pep Club - - First Row: Jayne Hogrefe (president), Valerie Barnett (Vice-Pres.), Mr. Boris (advisor), Missy Cyran (Secretary), Denise Trepoy (Treasurer) ; Second,Row: Debby Lukotch, Kelly O'Connor, Joni Mihalic, Norene Dombrowski, Debbie Wright, Jill Bardar, Sue Scherach, Sandy Bacsi, Mary Carol Knechtegas, Vicki Montagnese; Third Row: Karen Argenti, Elisa Calabrese, Kathy Jasko, Renee Ziegman, Kim Danevich, Carol DelGrasso, Donna George, Barb Dillon, Laura Carpino, Jan Horosz; Fourth Row: Cory Kayle, Carolyn Ridenour, Carol Zink, Leeanne Cirell, Margarite Consolo, Lynn Urdi, Karen Whitehead, Dolores Bansek, Laura Septaric; Fifth Row: Chris Schiavoni, Sharon Schneider, Kathy Leghart, Rhonda Harsar, Cathy Urbanik, Anita Calabrese, Judy Kramer, Debbie Jankowski

Pep Club is getting better every year. This year was no exception. Like many other school organizations and clubs, Pep Club holds fund raisers. Some of the projects that Pep Club did this year was the selling of the left over "Bleacher Bum" T-shirts and selling ribbons twice during football season. Pep Club also gave out ribbons for the L.C.-E.C. game during basketball season. Pep Club uses their money in a different way this year. They gave the football team breakfast and the basketball team dinner. Plans were also made for the baseball team, because Pep Club felt the baseball players deserved as much recognition as the other teams. Pep Club cannot reward or give recognition to all teams at Lorain Catholic, but Pep Club certainly does not ignore them.
The goal of Pep Club is to be a very united group that can spread spirit around the school and also to reward the teams for their hard work. As was already said, Pep Club is getting BETTER every year!

Songs To Float By

The theme for the floats was songs. The Senior's float (top left) wished a 'Happy Birthday"' to Lorain Catholic commemorating its 10th anniversary and took first place in the float contest. The Sophomore's float (bottom left) featured the "Candy Man' ' and followed with second place. Pam Rushinsky (top right) was in paradise on the Junior float and the Freshmen went to Egypt with their float featuring "King Tut". (Middle) 1977
Homecoming Queen, April Kozich, wears her crown for the last time during her reign as her sister, Lydia, Chris Kosash and Jackie Maderia wonder who will take her place for 1978-79.

## Who's The Fairest? . . .

Who's the fairest of them all? This is the question presented to the students of Lorain Catholic every year, and it seems to be getting harder to answer. This years court was (left to right) Jackie Maderia, Lydia Kozich, Pam Rushinsky, Lisa Forthofer, Theresa Pellittieri. Next in line we have another senior attendant, Chris Kosash, as she stands smiling with her proud parents after being announced the 1978 Homecoming Queen of Lorain Catholic.

## E.C. Week

Whenever E.C.
week rolls around, everyone gets their spirit up for the big game. The cheerleaders help bring out all this spirit. They encourage the classes to paint signs for the commons and buy Spirit Links. All week long, the spirit links were sold by Student Government and by Friday, the seniors had bought the most!

First Row: Linda Super, Debby Lukotch, Chris Schiavoni, Janet Lesiecki, Mr. Lingler, Judy Kramer, Tim Diamond, Vicki Montagnese, Janet Jaworski, Second Row: Gregory Ilg, Jayne Hogrefe, Cathy Urbanik, Elisa Calabrese, Michelle Cyran, David Haradem, Paula Laboda, Patty Fairlie, Gina Drda, Sharon Morgan, Judy Poprock, Jill Bardar, Third Row: Nick Restife, Rhonda Harsar, Judi Miller, Martha Girz, Kathy Jasko, Judy Gaydosh, Kim Glowacki, Teri Drda, Monica Majka, Debbie Snodgrass, Chris Leonard, Fourth Row: Larry Mullinax, Tony Papay, Taras, Silecky, Brian Higgins, Kevin Krupp, Greg Gehlmann, Jim Klejka, Valerie Barnett, Patti Schwartz, Cathy Leghart, Philip Fragassi, Steve Richvalsky, Rich Zvosec, Ron Reber

## N.H.S.

This year, the Lorain Catholic National Honor Society was led by Treasurer, Janet Lesiecki; Secretary, Chris Schiavoni; Vice-President, Tim Diamond; and President, Judy Kramer. They had a very successful year, starting off with a car wash and the Homecoming flower sale. They raised enough money to have a memorable inductions ceremony, Mr. Tim Rose, former head football coach at Lorain Catholic, was the guest speaker. The success of the group was largely due to the hard work and dedication of Mr. Andrew Lingler, NHS advisor.

Tim Diamond gives one of the induction speeches for a new member.

## National Honor Society . . .

On February 5th, the National Honor Society inducted 28 new members. A total of 7 sophomores, 5 juniors, and 16 seniors were inducted.
Mr. Tim Rose, guest speaker at the assembly, spoke about resonsibility of young adults both now and in the future.

The Lorain Catholic choirs began the 1978-79 school year off on the right foot when they did their first performance in October. The Freshman Choir consisted of a group of highly talented students which made the choir one of the finest in past years. The largest choir, The Concert Choir, was made up of sixty-two members selected by audition. The Chamber Choir, the school's most select group, included fifteen of Lorain Catholic's finest voices. This choir not only performed at concerts but was also seen on Channel 43 TV on Christmas Eve, sang at the Lorain Palace Theatre, and for various other organizations. The highlight of the year was the Pop's Concert in May. All of the choirs sang familiar songs which were really enjoyed by the audience. This concert also included seven solo acts, including songs by Linda Ronstadt, Olivia Newton John, and James Taylor. The concert was a smash and ended the year the same way it started -- RIGHTI The choirs would have never been able to put on such performances as these if it was not for the hard work and effort of their talented director, Mr. Catalano.

The return of Lorain Catholic's Drama Club after a three year absence was a successful one. The biggest success was the production of UP THE DOWN STAIRCASE under the direction of Mr. Dunn, which brought an inner city school to the L.C. Auditorium. Terri Milasky, who portrayed the naive first year teacher, poignantly grabbed the audiences' attention through her battle to understand the needs of her students, especially the rebellious Joe Ferrone, played by John Holomuzki. The Drama Club also qualified eleven members for the International Thespian Society and participated in Lorain's charity Haunted House.

The Drama Club scares Lorain's children for charity during the Halloween Season. The event was sponsored by the Palace Theatre.

# Up The Down Staircase 

Alice (Paula Leboda), Lou (John McConnell), Linda (Sandy Bacsi), and Edward (Brian Higgins) complain about all the things they have lost. None of the characters find their lost articles, but their teacher helps them find their lost selves throughout the play.

Miss Barrett (Terri Milasky) gets a lecture from Mr. McHabe (Taras Silecky) about Joe Ferrone's (John Holomuzki) possible theft of a wallet. This scene is Miss Barrett's first introduction to the destructive inner city environment.

Miss Barrett (Terri Milasky) takes another of the offices useless notices from Cindy Churchill.

## The Eucharist

The question "What sets us apart?'" can be answered in two words- The EUCHARIST. The fact that we celebrate The MASS in school sets Lorain Catholic apart from the public schools in Lorain.

Unexpected Vacation -

## Chalta: On Strike!!

The students had a surprise coming to them in April. Instead of having the usual one week vacation, they had three! This was due to the CHALTA strike.

The strike was probably the most exciting event of the year. Of the 24 lay teachers in the school, 20 of them participated in the strike.

Mr. Flament, the CHALTA Union representative said the teachers went on strike for two reasons. The first being money. The teachers felt they deserved a fair payraise. The teachers did not want their raise to come out of the students pockets. The second reason therefore was to find other ways to raise money.

Was the strike successful? Mr. Flament felt the strike was fairly successful. The Teachers recieved a fair pay raise. The most important outcome of the strike was that the Diocese set up a commission for new ways to raise money.

The concept Mr. Flament wanted to bring across was that they weren't striking against the school but against the diocese. He felt Fr . Synder and the administration were understanding and the students were just great. They gave food and support to the teachers during the two weeks.

Seniors '79

## Class Of 1979: On The Way Up

Senior class officers: Nick Restifo, President; Debby Lukotch, Treasurer; Taras Silecky, Secretary; and Brian Higgins, Vice President.

The graduating class of 1979 has been through their share of trials and tribulations.
When they first started out as freshmen, no one had any doubts as to whether they would make it or not. Look at the seniors now -- they finally did it!

Without the guidance and leadership of class officers, a class can easily fall apart, and the seniors were not the ones to crumble down. They were to rise in power each year.

Their freshmen, sophomore, and junior years brought great efforts to raise money. Significant fund raisers included the Aleister Crowley concert, two donkey basketball games, flower sales, and the light sale, which all paid off at the 1978 prom and prom-to-dawn.

But, the senior year is definately the year not to be forgotten. With the leadership of the senior class officers, Nick Restifo, Brian Higgins, Taras Silecky, and Debby Lukotch, the 1979 senior year was not one to be overlooked.

During Homecoming, the senior float, ''Happy Birthday, Lorain Catholic", received the first place award; the seniors sponsored another very successful donkey basketball game; the class officers worked many hours preparing the Senior Banquet; the seniors had one last full school mass at the Bacalaureate Mass; and then the seniors finally graduated.

The graduating class of 197 can now say that they are ready for anything anywhere!

## Baccalaureate Mass 1979

On June 1, fourteen priests and Bishop James Hickey concelebrated the Baccalaureate Mass.

This was the last mass that the seniors shared with the remainder of the L.C. community.

Select seniors read the readings, the responsorial psalm, and the petitions. The class officers presented the gifts.

The theme of this year's mass was
"The Times of Your Life," and a slide presentation was shown during the Communion reflection.

After Mass, there was a reception in the library for the seniors.

## Lorain Catholic Celebrates Its Tenth Anniversary Graduation Exercise

Graduation at Lorain Catholic has a ten year tradition as photo from 1971 indicates.

Fr. Snyder adjusts Mr. Boris' stole.

Brother Bob and Mr. Macholl recollect moments of their graduating days.

While the band played the traditional 'Pomp and Circumstance," the 154 members of the 1979 graduating class marched into the gym.
Since this was the tenth anniversary of Lorain Catholic, the faculty fascinated everyone by wearing black robes and caps with stoles of the school colors of the colleges they graduated from.
The seniors, their families, and their friends listened to the inspiring words of the Commencement Address given by Rev. Thomas Boone, the first Chaplain at L.C .

Rev. William Snyder presented the candidates for graduation, as the Most Rev. Clarence Issenmann, the retired Bishop of Cleveland, congratulated the seniors as they received their diploma from him.
Mr . Dennis Demcho and Sister Loreta Gilloe presented the honors and awards by the seniors.
The seniors that participated in choir over their four years sang "The Lord Bless You and Keep You" with the Concert Choir for the last time.
Then the newly graduated seniors marched out of the gym to the recessional, "Odyssey.'"

Vicki Montagnese moves her two tassles from left to right indicating that she has just graduated from four years of high school.

Fr. Martello gives an opening prayer as Fr. Boone, Fr. Snyder, and the Most Rev. Issenmann look on.

## A Special Day To Be Remembered

## Gridders Continue To Improve

The Spartan Football Staff was led by three dedicated and knowledgeable men. (above) Left to Right, Coach Dave Snell (offensive line, defensive backs) ; Coach Rich Sealscott (offensive receivers, defensive tackles and line backers) ; Head Coach Rocky Hammond. These three men were mainly responsible for the Spartan's turnabout from 1977. They kept the team in shape and high spirits. A very special thanks goes out to these men from the entire school. Without them, there would be no football team. (left) Coach Snell tries out his new stero headphones.

By winning 3 of their first 4 , the year ahead looked good, but injuries began to take their toll on the small number of players. The Spartans went through the turmoil of 4 -straight losses. But with continued student support and spirit, the gridders fought hard and won the last 2 games to salvage a 5-5 season. Although small in size, the Spartans made up for it in determination and hard work.

The long, hard turn back to the glory years of 1970-72 took a big step in 1978. Lots of the credit should go to Mr. Hammond, who took over a tough rebuilding task, and made our team contenders in just two years.

Seated: Mike Long, Doug George, Tim Kirchner, Nick Bayus, Gaylord Kruse.

The 1978 Freshman Football Team recorded the best won-loss percentage in the history of our school. They compiled a 6-1 record against must larger opponents. The little Spartans made up for their small size in numbers by outhitting and out-hustling the other teams. When asking Scott Caco who he felt were the standout players, he replied; "There were really no individual stars. Our offense scored the most yards ever, but our defense also played an important part." The other players interviewed pretty well agreed with their quarterback. The Frosh played as a team, no player tried for individual glory. The high point in the season was beating a heavily favored Southview team by the score of $8-2$. We are looking forward to next year's football season. The Freshman Football Team of 1978 will be an excellent addition to the varsity next year.

From the long, summer practices, to the final buzzer at the basketball tournaments, the spirit of our cheerleaders was shown time and time again. The year started off with Vicki Monta Montagnese coming in as runner-up in the Miss TJ Cheerleading Contest. The Cheerleaders kept busy all year by putting on skits at pep rallies, decorating players lockers, painting signs, preparing and serving breakfast for the basketball team, as well as cheering at all the games. They stuck with the teams through good and bad times. Their cheering was a valuable asset to the spirit of the school.

## Sophomores Upset Juniors In Powder-Puff.

The Sophomores surprised everyone on their way to the Powder-Puff Football crown. In the first game, the Seniors were stopped by the Sophomore defense, which didn't give up a single point in both of their games. The final score was $14-0$ in a wild game. The came the Juniors, who had won 2 games and were favored to beat the Class of 81. Lisa ''Dolly"' Forthofer ran for 2 TD's, as the sophomores pulled off a major upset by defeating the Class of 80 . The score in the championship game was $12-0$. On the victorious sophomore team were; Lisa Forhofer, Janice Conley, Carol Ridenour, Lisa Milasky, Donna George, Lisa Ritenauer, Karen Whitehead, and DD Wilson.

Lisa Ritenauer (above) tries a sweep, while Eileen Klear reaches to stop her. Debbie Wright (middle) holds out an open hand but is heavily guarded by a tough sophomore defense. The sophomore team was coached by Gary White, Dan Foisy, Shawn Reagan, and Dick Olson. Although the weather wasn't great, everyone got a little wet but they had a good time.

## Cross Country Has Best Record Ever

Although few in number, the Spartan spikers finished with a 12-4 meet record, the best in our school history. Terry Hunady was the most valuable, with Bill Jasko giving stiff competition. Dave Difrancesco, who qualified for the district meet, was voted the most improved. The Spartans should do well next year with returning strength. Even though the girls didn't have enough runners to make up a team, they made great showings in the meets. Therese Godlewski was the most valuable and Kathy Jasko was most improved.

The girls volleyball team gained valuable experience this year. The team did not win any regular season matches, they won their first tourney match against Cleveland Central Catholic. First-year coach miss Blaettnar commented, ' 'We tried real hard all season, but we were just inexperienced. Every match was close. ''

The J.V. Team included: (bottom row) Manager Margarite Consolo, Kathy Lawhead, Patty Johnson, Kathy Godlewski and manager Maureen Klear. (top row) Paula Laboda, Janet Tubbs, Cindy Churchill, Carolyn Ridenour, Rose Consolo and Miss Blaetener.

## Spartan "Basketball Superiority" Continues

Varsity Basketball (left to right) Tom Girz, Tim Talbot, Bob Scrofano, Dave Canalos, Tom Concheck, Dino Pelusi, Rich Zvosec, John Miraldi, Tim Staller, Rick Leidenheimer, Jim Lawhead. (center) Coach Jim Lawhead.

The tradition of LC superiority in basketball continued durring 1978-79. The Spartan cagers rolled down most of their opponents on their way to a very impressive 17-3 record. The Spartan success included winning the 7 th. sectional in the schools 10 year history. Flashes of the 25-1 1976 team were evident as the Spartans won their first 8 games. The Spartans hit a slump and lost 2 of 4 games, but they came back to win the last 5 games, including a $74-53$ rout of EC before a standing-room-only croud at our gym. The tournaments went as expected with the Spartan fans looking to Columbus, but that was not to be. In the first game of district play, the Spartans couldn't get their offense going and were upset by a hotshooting Olmsted Falls team. Although the season ended on a wrong note, we can still be proud off our team. The Spartans class performance in every game led to a share of the Erie Coast Conference crown with Elyria Catholic.

Dino Pelusi (left) takes another ball to the hoop. Dino set the school record by scoring 43 points against Brookside. (middle) Brian Stowe, the Spartan varsity manager for two years, was an irreplacable asset to the basketball team. Coach Lawhead (below) watches the action on the floor intensely. Mr . Lawhead has coached winners in 9 of the 10 years at LC. His teams have compiled a 154-54 record, which is a $74 \%$ winning percentage. That's a winning edge not too many coaches have accomplished. Mr. Lawhead has coached Lorain Catholic to $7 \mathrm{sec}-$ tional crowns, 2 district championships, a regional championship, and a state runner-up. The 197879 team will go down as one of the best teams in Lorain Catholic's short, but glorious basketball history

Offensive Power Leads The Way

The big name in the Spartan success story was the high octane offense. They scored over 100 points on 4 separate occasions. (opposite page) Dino Pelusi ( 22.3 pts. a game) scores two of his 446 points. $\# 24$, John Miraldi ( 14.1 pts a game) flips in a foul foul shot. This page: (upper left) Jim Lawhead pops one home over a frozen opponent. Jim's specialty was assists. In 20 games, Jim set the season assist record by dishing out 163 assists. (above) Rich Zvosec, who grabbed 683 rebounds in his career, which is second only to Ron Wilczak's 687, shoots the ball. (left) Tom Girz puts in his $150 \%$. Tom dished out 101 assists and recorded 73 steals. His presence on the floor inspired the rest of the team.

(upper left) Bob Scrofano lays one up. Tom Girz (upper right) leads the Spartans on to the floor. Although the offense was great, the Spartan defense also played an important part. The Spartan guards were constantly stealing the ball while the big men were blocking shots. (bottom right) Tom Girz applies pressure defense on a Southview player. (above) Rick Leidenheimer heads the Spartan zone defense. The Spartan defense was responsible for the famous Spartan 'fastbreak."

## Junior Spartans Roll Down Opponents

The JV's recorded a impressive $14-3$ record under Coach Pogachar. Leading the junior Spartans in scoring was Rick Sand, their standout center. Scoring over 100 points for the year were Joe Kintler ( 122 points) and Steve Richvalsky (129 pts.). Tim Talbot dished out the assists. In only 10 games for the JV's, (after coming down from the varsity) Tim handed out more assists than anyone one on the team (48). Giving excellent hustle and defense every game was John Tubbs. The other Spartan regular was Tony Fill.
(top row) Shawn Reagan, John Tubbs, Greg Sfiligoj, Coach Ken Pogachar, Steve Richvalsky, Jim Klejka, Rick Sand. (kneeling) Ken Matuszak, Tony Fill, Jerry Timko, Joe Kintler, Tom Pozega, Jeff Wagner. (missing) Dave Difrancesco, Bob Flynn.

## Freshmen Play Tough <br> Girls Win Erie Coast Conference

The 1979 girls basketball team won the Erie Coast Conference, the first time it was ever contested, with a perfect 6-0 record. First year Coach Micki Tubbs said, "This team has really improved this year. They came from 1-5 record to post a 8-6 mark. " The Spartan girls were led by co-captains Janet Lesiecki and Cheri Batista. Janet broke the scoring record first by scoring 28 points, then Cheri broke that record by scoring 30 and broke that record by scoring 31 points against Southview. Janet averaged 13.6 points a game, while Cheri averaged 16.8 a game. Other members of the championship squad were: Clare Batista, Kay Ciarrone, Nancy Feeley, Therese Godlewski, Kathy Lawhead, Melony Moldovan, Patti Schwartz, and Janet Tubbs. The JV standouts were Sue Schuster, Lori Bengele, and Karen Whitehead.

## Golf Team Keeps Winning Tradition

Top row, left to right: Mark Jakubec, Ken Majka, Tim Staller, Steve Richvalsky, Tim Talbot, Patti Schwartz, Claire Batista. Bottom row: Dave Beremnay, Chris Majzun, Coach Jim Francis, Larry Mullinax, Dave Fazekas.

The Spartan golfers finished their season with a $15-9$ record and won the first Eric Coast Conference championship with a perfect 6-0 record. The Spartans were led by most valuable golfer and team captain, Tim Staller. Also helping was Mark Jakubec, who was a AA sectional medalist and played in 3-straight district tournaments. Tim and Mark were both three-year lettermen. Two-year letterman Tim Talbot also put in many excellent rounds of golf. Dave Bereznay was voted the most improved.

## Spartans Heat Up After A Slow Start

The Spartans started off slow, but finally got things rolling and won their last 5 games to finish with a respectable 12-8 record. The MVP for the year was Scott Nossek. Nossek batted . 321 and had a perfect $5-0$ pitching record with 2 shutouts and a 1.30 ERA. Scott also committed only 2 errors while playing 1st. base. Named to the Erie Coast first team were; Tim Upton, Scott Nossek, and Rick Leidenheimer. Recieving honorable mention was Mark Zelnik, who had a 3-1 mound record. The Spartan baserunners had excellent speed. As a team, the Spartans stole 66 bases, which beat the old record of 59 set in 1971. Scott Nossek and Tim Talbot led the way with 15 and 14 stolen bases respectively. The Spartans have won 10 games or more in all 10 seasons under Mr. Macholl and have been over .500 in 9 of the 10 seasons.

Bottom row: Ron Reber, Mark Zelnik, Rick Leidenheimer, Tim Upton, Scott Toth, Tim Knipp. Middle row: John Klejka, Brian Tibbetts, Greg Majjasie, Greg Gehlmann, Coach Macholl. Top: Randy Reber, Jeff Wagner, Tim Talbot, Steve Richvalsky, Scott Nossek.

## Tennis Team Nets High Praise

Bottom Row: Coach Mr. Ziemke, John McConnell, Terry Hunady, Jeff Findley Top Row: Mark Hoenig, Nick Ksenich, Joe Kintler, John Tubbs, Tim Girard, Dave Haradem

There were many suprises during the tennis tournaments, but Terry Hunady was the most pleasant one. Terry survivied the sectionals and went down to the districts where he lost a very tough match. All year the Spartan netters played tough under Coach Ziemke. They compiled a $9-5$ record against tough opponents.
Other stars for the Spartans were; Joe Kintler, first singles; Dave Haradem and John McConnell, first doubles; Nick Ksenich, third singles; Jeff Findley and Mark Hoenig, second doubles. The Spartans did well but had some heartbreaking losses in sectional play. Hunady, however, did a great job representing Lorain Catholic in the dissticts. Once again, Spartan tennis had a team of winners.

Jeff Findley (top right) is positioned to make a winning return then (center right) finishes up his form with a nice followthrough while keeping a steady watch on the ball. ## Is Tops

(Bottom row left to right) Lisa Forthofer, Leanne Cirell, Terri Milasky, Chris Kosash, Lisa Kosash (Top row left to right) Mary Carol Knechtges, Captain) Janet Lesiecki, Anita Simko, Valerie Barnett, Coach Mrs. Alten

The girls hard work and enthusiasm showed this year when they beat tough opponents such as; Lorain, Amherst, Admiral King and Southview. The girls were led by MVP Chris Kosash and Janet Lesiecki, a 4-year letter winner and Spartan Spirit leader. Valerie Barnett, who played 2nd doubles with Terri Milasky, was the most improved. Other stars were freshman sensation Lisa Kosash and sophomore Lisa Forthofer. The girls will have 3 returning lettermen next year.

## Young Team Learns Under New Coach

Coach Dave Boris took over a young team and turned them into competitive contenders by the end of the year. The girls softball team was led by senior shortstop Melanie Moldavon, both defensively and offensively. Also leading the team was fireballing Chris Leonard. Next year the girls have lots of returning depth with Chris Leonard, Eileen Klear, Nancy Feeley, Patti Schwart, Paula Loboda, and others. Mr. Boris is looking forward to the upcoming year with high hope and enthusiasm.

## Track Team Picks Up The Pace

The track program continued to improve during 1979 as more of the old records fell. This years team was a bunch of enthusiastic, energetic, and dedicated bunch. The players were given individual attention by Mr . Snell, who was helped by Amy Powlak, Mr. Lopresti, Father Ray, Mr. Gregg, and Mr. Smaldino. With this individual attention, each member of the team improved their times. The areas in which the Cindermen were strongest were; middle distance, distance, and sprinters. The individuals that stood out were the record setters. There was Shawn Reagan in the 440 (52.4); Shawn Reagan, Jim Ciarrone, Scott Trifiletti, and Tom Pozega in the 880 relay; Joni Mihalic broke two records, the 100 yard dash (12.3), and the 100 meter low hurdles (15.8); and Cheri Batista in the high jump ( $4^{\prime} 10^{\prime \prime}$ ). Everyone worked hard and the year ended with the annual picnic at Mill Hollow.

## Yearbook:

## Comments And Faces From The Tenth Edition

NO ONE knows what really goes into a yearbook except the people on the yearbook staff itself. This years rookie staff found out about all the time and effort that goes into the yearbook, the hardway. It took a lot of time, patience, and willingness to learn things fast for the advisor, Mr.
Dunn, as he entered his first year as yearbook advisor. It was the first year for the rest of the staff, too, with the exception of photography, which
meant they all had to work and learn together. But, we pulled through and produced what you have set before you now. This is the finished product. It was frustrating, nerve wracking, enjoyable, fun, confusing, timeconsuming, but most of all, rewarding. We hope you've enjoyed it.

Underclass editors Joni Mihalik and Martha Girz are getting a SMALL reward for all of their work during the long, hot summer. A picture in the MONOLITH!!!

Editor, Cathy Urbanik, is trying to direct the LATE undersclass section of layout. Janice Conley, underclass editor (left), is typically paying more attention to the photographer than to Cathy.

Frustrating and very rewarding are the best words to sum up my work as advisor of the MONOLITH this year. This year's staff had NO experience (including the advisor), yet we learned together and accomplished much more than we dreamed possible. It's interesting to think that the MONOLITH in its tenth year worked as it did in its first from scratch!

Mr. Dunn (advisor) explains why deadlines are important to meet. No one believed him.

## And All The Ones We Didn't Use

Joni Mihalik (underclass section editor) sorts through pictures, illustrating how difficult it really is to pick all of the perfectly CORRECT pictures for the MONOLITH tenth anniversary edition. As this page shows, not all the good pictures find a space.
