dirt on your hands

embarrassing moments.

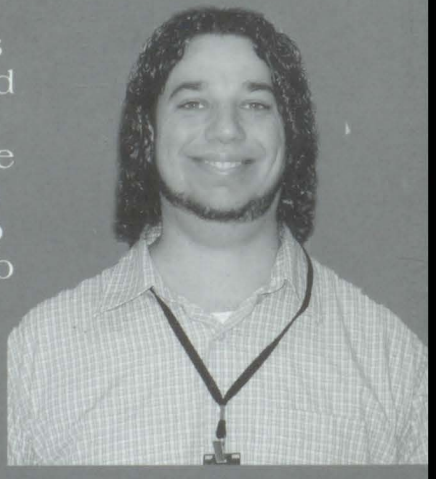

"i was walking up the stairs near mrs. getz's room. as i was getting near to the top of the stairs, my books fell right between one of the teacher's 7" stilettos. she fell down four steps, into a wall and screamed "who did that?!" i apologized quickly and ran to hide in mr. postle's room."
nolan andersky

"at my great grandmothers 90th birthday party. i was bored so i ran off with my brothers and cousins. we were running around in the coat room and i got tangled in a coat. i lost my balance. i fell. i felt a sharp pain and discovered i fell on a board with a loose nail that pierced my left buttocks. i was nervous to tell my parents because i did not want a tetanus shot. i eventually told them and everything was okay.
connor friss"

"i was sitting at the lunch table with my friends and i took a huge drink of water. amanda mirth said something really funny. it made me spit my water out on everyone sitting across from me. everyone in the lunch room started staring at me and went silent until they burst out laughing from matt mentler yelling "say it, don't spray it!" everyone at my lunch table was soaked! it was so embarrassing!
julie knapp"

"a friend of mine had convinced me to join his church basketball league when i was 15. we would play our games every saturday at the church right after the girls games. one game, after the girls were done playing, my friend and i were getting ready to play. i took off my warm up pants and began to do lay-ups. as i was warming up, my friend ran over to me in a frenzy to inform me that i forgot to put on my basketball shorts. by that point the entire girls team, along with all the spectators, were laughing hysterically and staring at me standing in my boxer shorts. i made a quick dash to the nearest vacant room to put my pants on and attempted to return as if nothing happened."
mr. sindelar

one day, i was making everyone laugh by walking through the hall on my hands. it was really funny until my right arm gave out and my face and shoulder slammed into the ground.
matt fulhammer

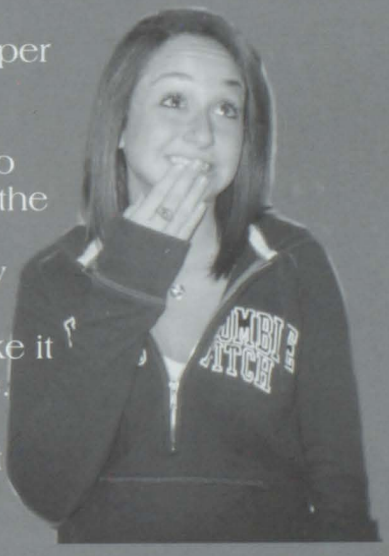

so... i was coming back to school from my release and i was in a hurry because i fell asleep and i was running late. i went to get out of my car and i felt a cool breeze on my legs. i thought the breeze was from my pants getting unsnapped because i had break away pants on. little did i know they were all the way at my ankles dragging behind me! only a couple of people saw...no big deal...!
stefani simkovich

after playing an intense game of basketball, in my sweet gym class, i went to get a drink of water. i was really thirsty and had to wait in line behind connor friss. so... i was messing around. i bumped him out of the way. connor got even & shoved me back. i slammed into the drinking fountain and it fell right off the wall! i fell to the ground crying from laughing so hard. the janitor had to rush over to fix it because we could not get it back on the wall. as he was rushing to get it on the wall water was pouring everywhere! when i walked out of the locker room my teacher did not look too thrilled. so... i just told him i did it!
amanda mirth

the summer of our 8th grade year, brittany loper and i went to kellys island. during a pit stop by the lake, i discovered i had to use the restroom really badly. with no bathrooms around, brittany told me to just go in the woods while she blocked me from all the people. i squatted, and let it go, after i was done brittany and i ran out of the woods laughing. brittany soon noticed a spot on my pants. scared people would see, brittany poured water on my rear to make it seem like she tripped and accidentally splashed me. brittany got in trouble by her mom for splashing me and we spent the rest of the day laughing at the wet spot that was left on the go cart.
