AVON HIGH SCHOOL

ALMA MATER

This, our school, may be considered by some as just another red brick building by the side of the road, but it means much more than that to us.

Although we've had our many trials and tribulations while attending, all of us can look back and remember many pleasant times.

Who—we are!
What—we do!
How—we play!

Congratulations Seniors:

The six year cycle brings another high school class to the parting of the ways. No class ever graduated from high school in a more historic year than this one of 1943. What changes have come to our world during your high school years!

This changing world will change for all of us—especially the younger. The meanings of life, citizenship, business, human relationships, even religion must be altered. You are sharing and you will continue to share in these recent tremendous changes.

Our basic values of art and culture, the individual virtues, justice in human relationship and elemental faith in God are at the heart of all change. They will not be destroyed. Wisdom is more than knowledge; character is more than ritual. The formal training of the last six years is going to help fit you for tomorrow's world, no matter what changes may come.

Hail, then, and farewell as you go into tomorrow's world. May you live comfortably with yourself; be a constructive workman and a useful citizen. May your classmates in school and your friends of the years cherish you to the end.

HISTORY OF THE CLASS OF '43

19

Forty-five "children" started school in '39, under the guidance of Mrs. Boyd. The Seniors enjoyed seeing we Freshmen "tremble in their clutches." All survived the ordeal though. The class president was Donna Bommer; vice-president, Eugene Schwartz; secretary, Jesse Stumphauzer; and treasurer, Joan Weber.

In 1940, a little more "grown up," the Sophomore year began. Miss Halpin helped us survive this term. Roland Wyvill made an excellent president, and Jeanne Smith a vice-president. All minutes were taken by Dot Brown, and money was put into the trustworthy hands of Ruth Kelling.

Now, with only twenty-eight in the crew, we Juniors were under the supervision of Mrs. Hammett. We had two very successful events in our Junior year. Under the very able direction of Miss Halpin, we presented "No Bride For The Groom." The Junior-Senior Prom was supervised by Mrs. Hammett. A gay time was had by everyone from the first song of "Anchors Aweigh," played by Helen Super and her orchestra, to the "Home Waltz." We used the theme of nautical decorations. Portholes were included, the tables formed an anchor, and supper was eaten by candle-light. Our president was Vic Vasu; vice-president, Wally Rauscher; and secretary-treasurer, Dot Kral.

As young men and women, we entered our fourth and last year of high school with Mr. Shellman as our class advisor. We presented a roaring three act comedy entitled "The Professor Proposes." Our class officers were: president, Dorothy Krueger; vice-president, Virginia Mitchell; and secretary-treasurer, Jeanne Smith.

As our class motto we had "Climb though the rocks be rugged." Our class flower was the green and white carnation and we chose green and white for our class colors. Our commencement day was May 27.

We regret very much losing Earl Perry, but are proud that he enlisted in the Marine Corps.

Station B-L-A-B, Avon, Ohio, now brings you Ima Snoop reporting on the latest happenings of the day. Come in, Ima.

"Hello, everyone, Ima Snoop reporting. It's grand to be back reporting to you again. My vacation was marvelous. While in Florida, who should I run into but that dashing Romeo, Vic Vasu. Since he has been a life guard on the beach there, he has rescued six girls, all of whom claimed they were really drowning when they screamed for him.

"Rumor has it that Margaret Fitch, tutor of some of Hollywood's movie children, will soon be middle-aisling it with a French count.

"The latest book out, which you must read is 'How to be Married and Remain Happy,' written by that genius of the pen, Joan Urig.

"According to the latest poll, the Marines have chosen Norma Linden as their favorite 'pin-up' girl.

"The WAACS throughout the nation will soon rise to a swing version of taps, styled by that sentimental gal of swing, Dot Kral.

"Ginny Spanos, America's new ice queen, is the only girl skater who does cart wheels on skates. She is drawing record crowds at 'Bower's Ice Palace' in Avon.

"Flash! Jim Ackerman, handsome playboy, has gone to Africa to convert native girls. However his wife keeps a close watch on him.

"Jeanne Smith, movie magazine editor, finally met Clark Gable. Although he left her breathless, she can now tell you what the government meant when it called for more 'man-power.'

"Joan Weber, lady ambulance driver in South Africa, was just rescued from being eaten alive by a native chief. Her rescuer was an Avon boy.

"Martha De Chant, Avon's only lady taxi driver, has designed a new car. It is called the Marthmobile and is equipped with knee and elbow action.

"Virginia Mitchell, daring woman explorer, has returned from Canada. She brought her

new husband, an Eskimo, with her. They spent their honeymoon in an igloo and he is reported to be a 'blubber' millionaire.

"Ladies, here is something to lend variety to your meals. Roland Wyvill, famous army chef, has just patented a new type of limburger cheese. He has practically eliminated the odor.

"Flash! Be married in style. Jim Smedley, local justice of the peace, has a Get-Hitched-Quick Bureau. He offers cut rates to everyone.

"Wally Rauscher, new middle-weight boxing champ, is reported to be getting his fourth divorce. He says he wants to make them all happy.

"The latest candidate for president of the U. S. is Ruthe Kelling. Her party platform is, 'Women will make the world safe for democracy—and men.'

"Theresa Krebs, vivacious dancing teacher, spends her free evenings at the Big Barn entertaining men home on furlough.

"Ladies, are you wondering what to do with Junior while you are at the factory riveting? Dot Krueger has started a day nursery and for a small deposit she will take care of him.

"Donna Bommer is now Veronica Lake's double. She was offered \$50,000 for her "peek-a-boo" bang but refused because she thinks it adds to her glamour.

"Today was her lucky day. Marcella Malinsky, elevator operator in the Empire State building realized her fate, but suddenly, as the elevator hit first the basement and then the ceiling, she flew out through the top and landed safely on the roof of a wealthy millionaire's penthouse. The latest report is that he proposed.

"While ferrying a bomber to Egypt, Bertha Klingshirm met six Jap planes. They were about to shoot but she winked at them and they flew away.

"Well, that's all the news from here so I'll buzz off. This was your snoopy-scoopy announcer, Ima Snoop."

Jeanne Smith.

"THEY CAME, THEY SAW, THEY CONQUERED"

We students are very proud of this collection of trophies which our athletes have won during the history of Avon High.

They are truly symbols of sportsmanship and fair play, two things which cannot be too highly emphasized in these times of world disorder. It is our sincere hope that the future athletes in the school will carry on and increase the number.

The Avon Eagles started the 1942-1943 season of Basketball with a bang, when they won the first three games.

The Varsity won six out of ten games played, while the Reserves also won six out of ten games played.

Only three out of the eight who earned letters this year will graduate. They are: Capt. Jim Ackerman, who has been on the varsity for two years, and Rauscher who also played

on the varsity for three years. Vasu played on the varsity for one year.

The chances of winning the championship for next year are very prospective. The Varsity will be almost entirely made up of this year's Juniors, but with the aid of some of the hard fighting Freshmen such as Don Hubbard, Bob Buck, Francis Bommer, and many other fellows who have fought hard on both the Varsity and Reserves.

CHEERLEADERS

Left to Right: Phyllis Sample,
Coradell Sample, Dot Kral.

The three cheerleaders, Dot Kral, Phyllis Sample, and Coradell Sample, were the fair lassies who led our team to victory in most every game played. During the basketball season, they held many pep rallies in the school auditorium. At the last rally of the year, all the basketball players of both the Varsity and the Reserves said a few words in behalf of their team. All the rallies were ended with the school song, "Root for Avon."

Dot Kral cheered at all the football and basketball games for the past three years. Phyllis Sample cheered for two years, and Coradell Sample was elected in her Sophomore year.

Some of the cheers were:
Choo, choo, get off the track
For pity sakes don't hold us back
We've got the team, we've got the fight,
We've got to win this game tonight
So fight team, fight team
Fight! Fight! Fight!

What're we doing? Why we're going to town,
Let's go team, give a little more
Come on Avon, Raise that score!
