

ANGELA PETERSON/SENTINEL

Peaceful protest

Firefighters from Orange County, Orlando and Reedy Creek join Winter Park Firefighters Union Local 1598 in picketing Winter Park City Hall at Park and Lyman avenues. The firefighters are protesting a contract approved Aug. 6 by the Winter

Park City Commission. A union vote on the contract is coming up. About 25 firefighters participated in the peaceful picket for about 6 hours Monday, handing out leaflets to passersby. Signs bore messages such as 'We need your support.'
