

Prevention stressed in annual week

Fire truck rides, displays available at mall this week

Demonstrations and displays are on exhibit this week at the Winter Park Mall as part of Fire Prevention Week.

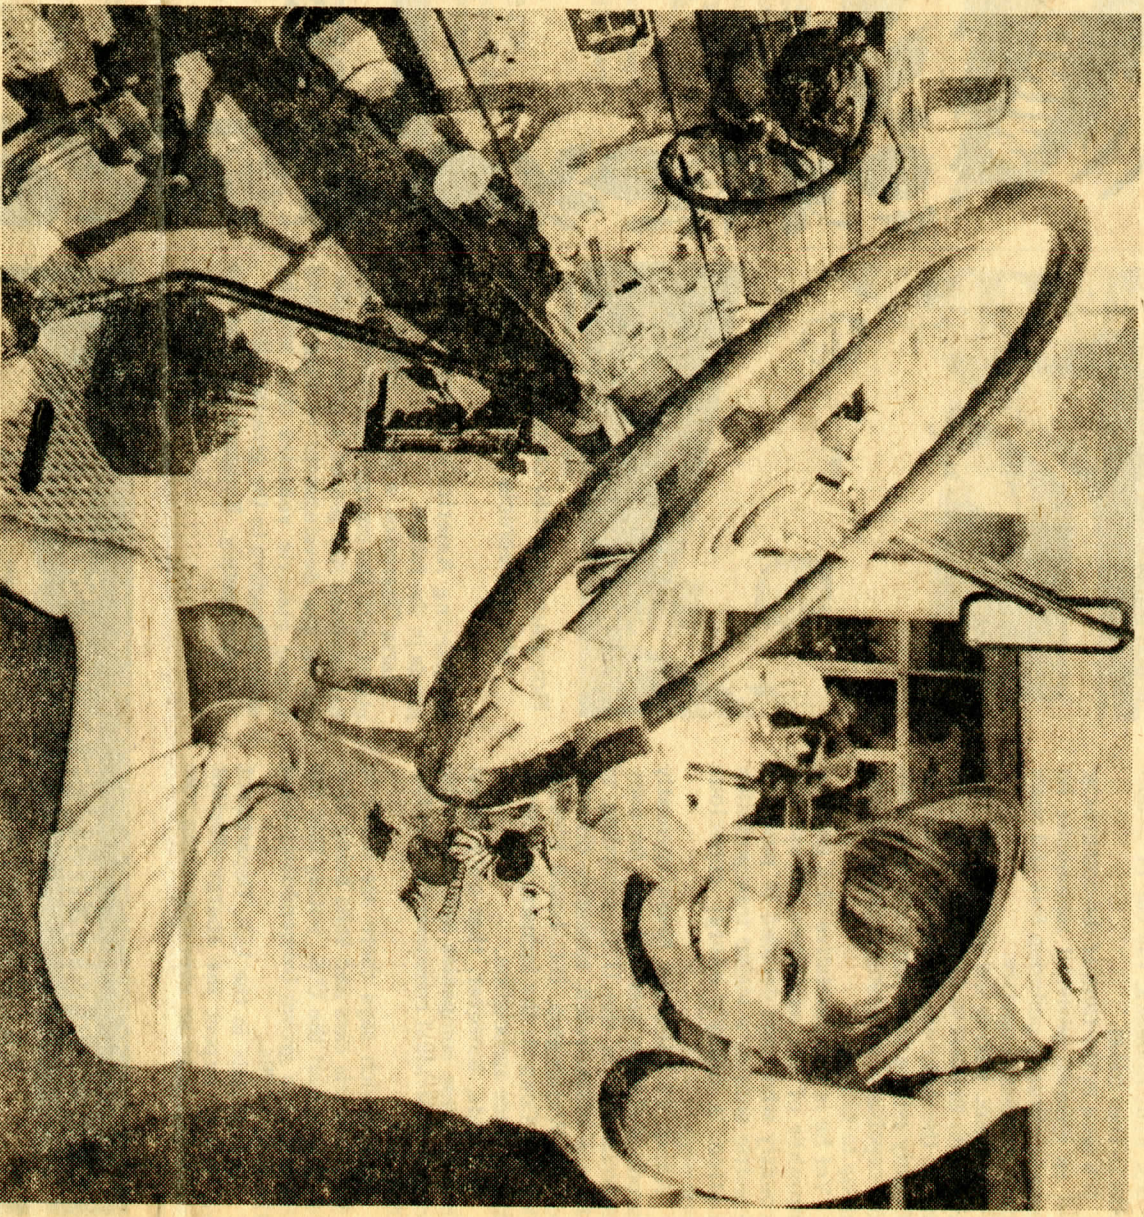

Displays including the Careless People's Cemetery, which was constructed by the Lockhart Fire Department, illustrate what could happen to people in their home if they're not careful.

Fire prevention movies also will be shown and information material will be available.

Fire truck rides will be offered and plastic fire helmets will be handed out from 3 to 6 p.m. today through Friday and from 1 to 5 p.m. Saturday.

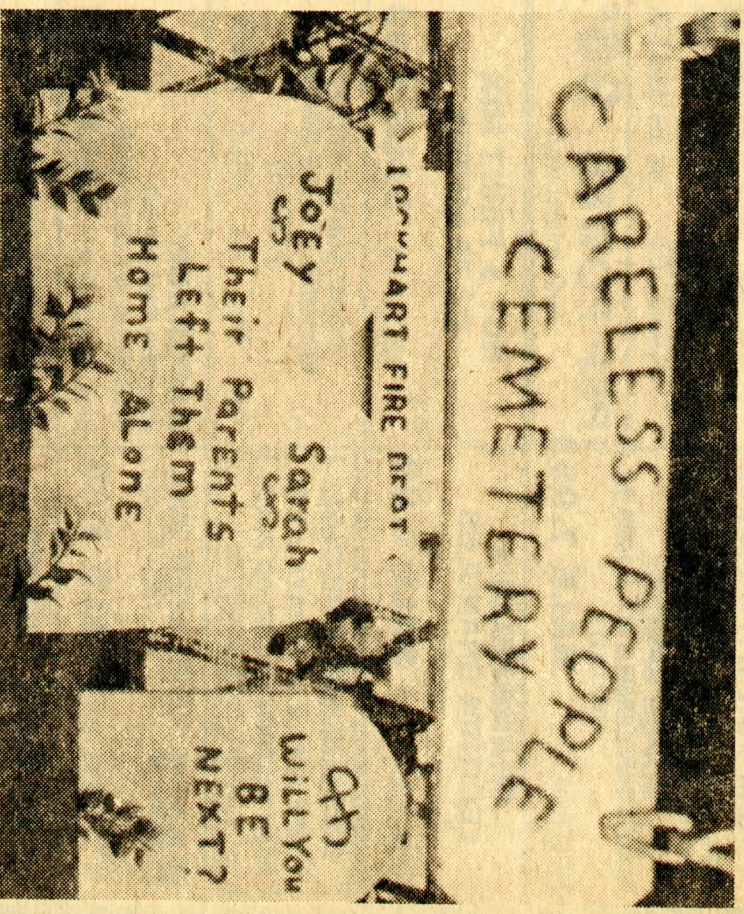

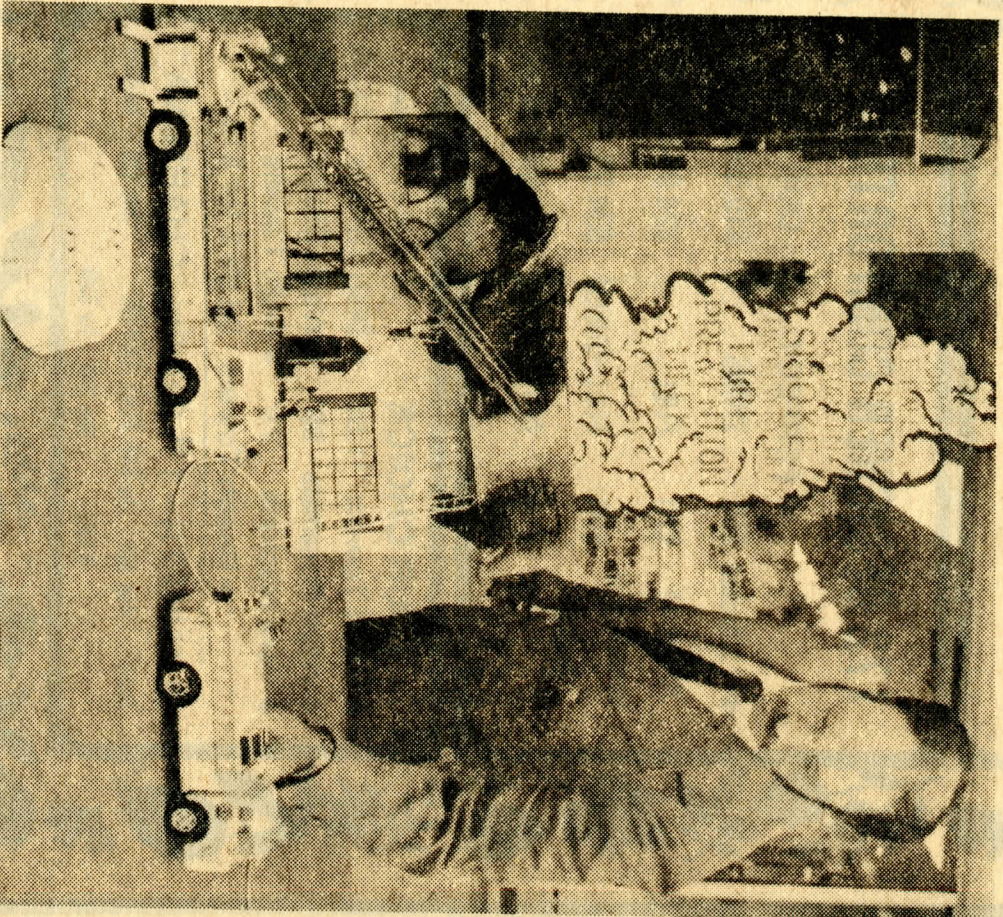

Persons may have their blood pressure checked from 10 a.m. until 8 p.m. today and from 10 a.m. until 5 p.m. Friday.

Fire departments that are taking part in the week's activities at the mall include Winter Park, Maitland, Killarney, Goldenrod-Dommerich, Lockhart and Pine Hills.
