## Barnett Bank Is Top Sponsor Of Keep Winter Park Beautiful

Keep Winter Park Beautiful was pleased to announce to the public on Nov. 22 that Barnett Bank of Central Florida has committed to donating \$10,000 to become the major sponsor in the \$150,000 Winter Park Farmer's Market beautification project.

The initiative, spearheaded by Keep Winter Park Beautiful, a local affiliate of the Keep America Beautiful system, incorporates brick walkways, period lighting, landscaping and seating areas. The focal element, sponsored by Barnett, is a gazebo.

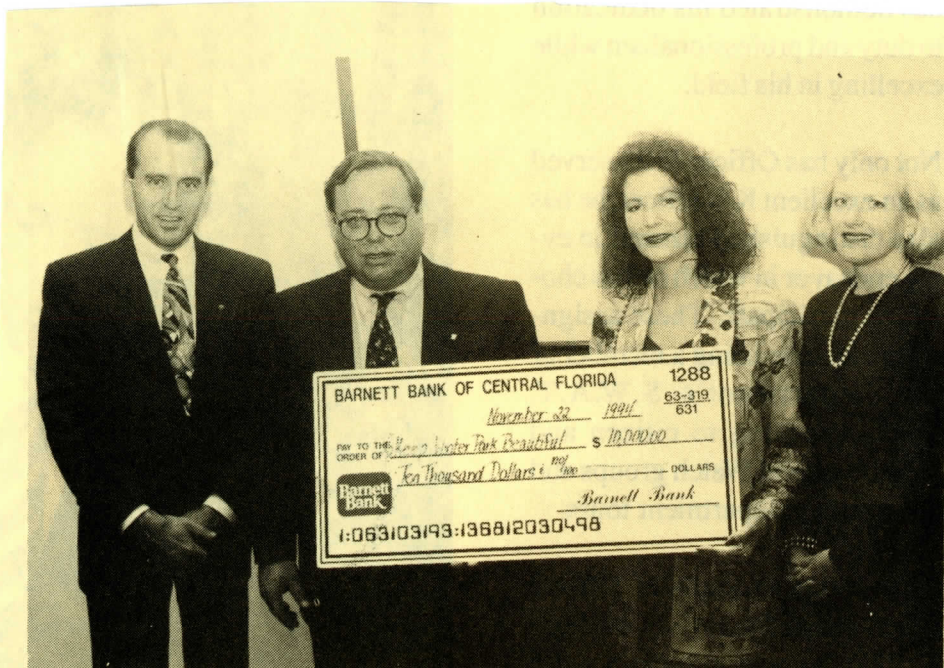

"We are very pleased to be part

of this project," said Thomas Yochum, president of Barnett Bank of Central Florida. "The Farmer's Market is one of our community's most historic and treasured sites and the grounds beautification will be something residents and visitors will enjoy for years to come."

Barnett Bank has been joined in the corporate sponsorship efforts of the Winter Park Farmer's Market by Forness and Company Certified Public Accountants, The Crossroads Foundations, The Winter Park Observer and the Bank of Winter Park.
