City of Winter Park Seeks Publicity Professional

Observer 10-20-94
The city of Winter Park's
"Keep Winter Park Beautiful"
program is seeking a P.R. pro-

fessional who would like to do-
nate a few hours each month to
their community by serving as
chairman of the Business/
Community Relations Commit-
tee. This committee works to-
ward educating the communi-
ty on preservation,
conservation and beautifica-
tion of Winter Park. Much fun.
Please call 262-1814.
