## Leu Gardens to host old-fashioned event

WINTER PARK — Leu Botanical Gardens presents a night of candlelight and Christmas lights during the Olde Fashioned Christmas Celebration tonight.

The annual event features festive holiday lighting in the 55-acre park, music from a Belgian street organ, and hot cider and cocoa. Santa and Mrs. Claus will be on hand, and visitors also can browse through a holiday gift boutique that includes items made from materials gathered in the gardens.

Admission is free. The event is from 5 to 9 p.m. For more information, call 246-2620.
