

Free detectors installed

Outlook 10-5-89

Winter Park Fire Department Lt. Dave Walton is seen installing a smoke detector Oct. 2 at the residence of Charles and Cornelia Curry, 715 Douglas Ave. In November, Charles will be 75 and Cornelia will be 91. They received their free smoke detector through the fire department's program, which gives one detector to any resident that is either handicapped, elderly or cannot financially afford to buy one. Curry said that he has lived for more than 40 years at his current address. (Ralph Bormet photo)
