Measuring 36" x 26" the new map features updated street listings, easier-to-read map text, and a list of the buildings in the city that are part of the National register of Historic Buildings. The history of Winter Park included on the map was written by Mark Andres. The cover is done by local artist Phil Eschbach. The maps are available at the Winter Park Farmers Market and through the city at the suggested retail price of \$3. Proceeds to benefit Keep Winter Park Beautiful.
