Spring means cleaning, throwing out, beautifying, recycling....and garage or yard sales. This year get rid of the things you no longer want or have room for by joining with your friends and neighbors in the city of Winter Park's third annual "City for Sale" garage sale. The deadline for joining in the Great Winter Park Cleanup Event is April 19.

Recycling through garage sales is an element of the nationally celebrated Great American Cleanup effort. Toward this end, Keep Winter Park Beautiful will offer participants joining this effort during the weekend of April 26, 27, 28 the following:

- A reduced city of Winter Park garage sale permit fee of \$5.
- A complimentary garage sale sign.
- A map of all participant locations.
- A great American Cleanup T-shirt.

- Complimentary advertising in the Winter Park/Maitland Observer (if signed up by April 15).

- A \$10 stipend toward your Orlando Sentinel ad IF you fulfill the below listed requirements and you include the following line in your ad: A KWPB "City for Sale."

"Follow these easy steps to join in this Great American Cleanup effort," says Jean Sprimont, executive director of Keep Winter Park Beautiful.

- Obtain a permit from Winter Park City Hall and fax or bring it to the KWPB office. Tell us the days, times and three featured items for your sale. Your sign, bags, T-shirt, map, coupons and possible other extras will be ready for pick up April 22.

- Upon receiving a copy of your Orlando Sentinel bill and a copy of your ad, and a copy of a receipt showing that you donated at least a portion of you left over clothing to the charity of your choice, a \$10 check will be mailed to you.
