

## Ballroom Dancing Classes

*Observer 5/25/2000*

Keep Winter Park Beautiful continues to sponsor three levels of Ballroom Dance lessons. On Tuesday evenings at the Winter Park Farmers Market, the beginner lessons are offered from 7-8:30 p.m. and the advanced basic lessons are offered from 8:45-9:45 p.m. The Thursday evening advanced intermediate level lessons at the Lake Island Center will feature a one dance class from 7-8 p.m. and a newly added style and technique class from 8:15-9:15 p.m.

The beginner lessons cover the waltz, rumba, fox trot, cha-cha and swing. The advanced basic class focuses on two selected dances that change every session, and the Thursday night advanced intermediate dance class concentrates on one dance which changes each session. Instructor Stuart Nichols explained, "Although we felt we offered a well-rounded program, with the rising interest in ballroom dancing, there clearly is a demand for a style and techniques class."

The nominal class fee for all of lessons is \$50 per person for the eight week session. The beginner and advanced basic sessions begin on June 20, Aug. 22 and Oct. 17. The advanced intermediate One Dance, and Style and Technique sessions begin on June 22, Aug. 17, and Oct. 5.

Proceeds will benefit the Keep Winter Park Beautiful projects. For further information, call 407-599-3364.
