## Fire Department announces promotions

In July, the Fire Department held promotional exams for one lieutenant position and two engineer positions. The exams included a written test, physical abilities test as well as practical situations applicable to each position.

***Firefighter/EMT Mike Templeton, left and Firefighter/EMT Gary Mitchell were recently promoted to Engineer.***

Firefighter/Paramedic Rick McGarity was promoted to lieutenant. McGarity has been with the City for over nine years. As an A-shift lieutenant, McGarity will be in charge of Station 60.

***Firefighter/Paramedic Rick McGarity, who has been with the City over nine years, was recently promoted to Lieutenant.***

In addition, Firefighter/EMT Garry Mitchell and Firefighter/EMT Mike Templeton were promoted to engineer. Mitchell has been with the city for eight years and Templeton has been with the City for over five years.
