

Firemen support MDA fund-raiser

Outlook 8-10-89

Winter Park Fire Chief Mehl presented a certificate of appreciation and a fire department hat to Muscular Dystrophy Association poster child Jamie Harris last Monday during a free chili lunch held at the Station 61. The lunch was held to promote the MDA telethon which will be held on Labor Day weekend. Firefighters throughout Florida have been among the biggest fund-raisers for the MDA. Last year the Winter Park Fire Department raised over \$15,000—the most, per capita, of any fire department in the state. (Ray Lucas photo)
