

Farmers Market "Find Your Brick" Party

Observer
7-20-95

By Jim Rovira
Special to the Observer

The Farmer's Market Grounds Beautification Project is nearly complete, and Winter Park is getting ready to celebrate. Keep Winter Park Beautiful is sponsoring a Find Your Brick party from 6-8 p.m. on Friday, July 28. Supporters of the project are welcome to attend and those who purchased bricks will be able to walk the grounds and find their personalized bricks. A free meal will be available for 500 people on a first-come, first-serve basis along with live music, door prizes, clowns, face paintings, and a special appearance by the "three little pigs" from Walt Disney World.

The program will begin at 6:30 p.m. State Rep. Allen Trovillion will briefly speak about the history of the Farmers Market and newscaster Ben Aycrigg will serve as the master of ceremonies.

By July 28, all of the major renovation will be complete with only some landscaping and final details remaining to be completed in August.

A fall gala will be held upon the final completion of the Farmers Market renovation and the entire community will be invited to attend.

Keep Winter Park Beautiful and affiliates would like to thank all those who made the Farmers Market renovation project possible. Bricks can still be purchased and will continue to be offered even after the project is completed. Other sponsorship opportunities such as lamp posts, benches, and trees are also available and sponsors will be permanently recognized at the Farmers Market. Anyone interested in sponsoring the Farmers Market renovation can contact Martha Murphrey with Keep Winter Park Beautiful at 623-3364.

Almost ready for the grand opening on July 28
