WINTER PARK — A beautification blitz will take place June 25 along Park Avenue with merchants, Boy Scouts and other volunteers weeding, planting and cleaning the shopping district.

The cleanup is being coordinated by the city, the Park Avenue Area Merchants Association and Keep Winter Park Beautiful. Merchants are urged to review a facade improvement list from the city to determine what to do with storefronts.

The association is looking for volunteers to work that day from 8 a.m. to noon. Call the Winter Park Chamber of Commerce at (407) 644-8281 for details.
