Coming up this semester // Spring 2026

Weekly Programming

Sundown

Sundown is our High School Bible Study, where we gather for intentional fellowship, devotionals, and prayer to start the new week off on the right foot, taking home little rituals to help us center God in our day to day.

Sundown meets on Sunday evenings from 7:00pm-8:00pm in the Couch Room (Eastminster 204) and resumes on Jan. 25th.

Youth Group

Youth Groups are our fun, formative gatherings that revolve around teaching and building community.

YG meets on Wednesday evenings from 6-7:30pm (for middle school) and 7:30-8:45pm (for high school) and resumes on January 14th.

Be sure to see our special events highlighted on the next page!

Children Mentors

Children Mentors is a Youth offering during the Faith & Fellowship Hour on Sunday Mornings for service hour credit. Middle and High School Students will be placed in a children's ministry classroom to assist teachers and mentor children during their Faith Formation classes.

Children Mentors meets in the Chapel (first-floor breezeway) at 10am and resumes on Jan. 25th

What we are all about!

Navigating the middle and high school years can be tough, unpredictable, and sometimes overwhelming. We're aware of the challenges young people face, from the fast-paced shifts in culture to the pressures of the world around them. After considering the facts and listening to the voices of students, we've concluded that what they need most is a consistent, safe, and inclusive space where they can simply be.

At PCPC Youth, that's exactly what we provide. Every program, every gathering, every moment is dedicated to creating a space where students can find belonging. But it's not just about the space—it's about the people who fill it. Our incredible team of adult and student mentors is what makes PCPC Youth truly special.

As a program, our commitment is clear: to encourage, uplift, and listen, while ensuring that every student has access to the loving community they need. We're proud to be part of a long legacy of care and support here at PCPC, and we're thankful for the opportunity to continue that tradition.

All are welcome!

PCPC Middle School Youth Group

spring calendar

All Special Events are held on campus at their normal times and places unless communicated otherwise!

Youth Sunday // April 26th

PCPC Confirmation Class of 2025

Download our Church App!

Search the App Store on your phone or tablet for "My One Church App"

Please take a moment to create an account on our One Church Software! From there you can add your family members and update your communication preferences (i.e. subscribe to the newsletter by email or USPS mail, sign up for Children & Families emails, Faith Formation emails, etc.). We're also asking all PCPC members to add a profile photo to your One Church account. This is a great way for staff throughout various church programs to continue putting faces to names, so we can build more meaningful connections with families.

If you need help registering, email or call Susan Frost: susanfrost@palmaceia.org

If you have privacy concerns, please contact our Business Administration Erin Lagor: erinlagor@palmaceia.org
