

STEWARDSHIP PLEDGE FORM 2026

By accepting electronic donations, St. Stephen's makes it easy for you to give. We would like to share that the cost of credit card donations is 3% of your gift. You may prefer to set up an electronic transfer from checking or savings through our secure channel.

WHY PLEDGE TO THE 2026 STEWARDSHIP?

- To honor God and grow spiritually.
- To affirm your commitment to our parish and community.
- To empower the St. Stephen's Vestry to make accurate budget projections and effectively steward your dollars.

WHAT IF I DON'T KNOW EXACTLY HOW MUCH I WANT TO GIVE NEXT YEAR?

- We understand that every parishioner has different financial circumstances! If possible, we ask that you share the minimum amount you or your family plans to give.
- Additional gifts can always be made through the offertory plate or online.
