Solutions for:

- Manufacturing
- Ergonomics
- Lab Stations
- In-plant offices

Simple

For additional convenience and speed, our Quick Ship program has select colors in stock all the time, and we've put together 20 configurations for pick-and-go solutions.

Flexible

As the manufacturer we can design and produce new products that meet unique needs. We have a "Just Ask" philosophy.

Affordable

Our systems are built for quality and better pricing. Our prices can't be beat!
Most of our products ship assembled, saving even more with low installation costs.
