

STREET TEAM PHOTOGRAPHER

Description: The On Tap street team represents the magazine at events throughout the DC area. The primary objective of their attendance is to take photos of the event to go in our online galleries and in the magazine. It's a great way to build your portfolio while earning extra cash. Note this is an "as-needed" position. Photographers will be assigned events based on an available assignment list sent out at the beginning of the month.

Responsibilities: Take photos at events of people having fun. Give people business cards showing them where to go on the website to see their photo. Follow the photo guidelines for each assignment (ie. take minimum number of requested photos, follow client requests). Send photos to editor within 24 hours of the event and provide caption. Post a minimum of one photo to On Tap Instagram account while at the event

Requirements: Must be 21+. Must have your own camera. It's a plus if you have portfolio or website of your work but not required. You do not need to be a professional photographer for this position. We accept photographers of all levels. Assignments generally take place nights and weekends but not late nights.

How to apply: Please email resume and portfolio of your work to kayla@ontaponline.com
