

Yosemite Camping Trip 2017 • Detailed Itinerary

Welcome to our *Yosemite Camping Tour*, our all-inclusive road trip from San Francisco (2 or 3 days) made to show you the cool spots of Yosemite National Park and skip the lame ones. To stay true to the park's roots, we camp — *like on a road trip with friends!*

DAY 1: Depart for Yosemite

Hop on board our comfy Orange Sky van for a ride across the California landscape, where we'll pick up any last minute supplies and arrive in Yosemite around noon, followed by sightseeing stops @ the giant Sequoia trees, Yosemite Valley (and popular lookouts), and Glacier Point, *one of the best sightseeing spots in the world*. Tonight, we set up camp — a surprisingly easy task — and cook dinner over an open flame.

- Picnic lunch + dinner *included*
- Campsite + firewood *included*
- Tent + gear (sleeping bag, pad + pillow) *included*

DAY 2: Yosemite Free Day

Rise and shine to your free day in Yosemite, where we begin with a breakfast of bananas, Nutella, spinach + eggs and more. With our stomachs full, we'll head to the trails to see waterfalls, wildlife, and snap selfies from the top of 900+ meter cliffs (if you're up to the challenge, of course). Upon our return to camp, we'll relax, roast marshmallows and devour a hearty dinner under the stars. Ah, camping in America. What's not to love?

- Breakfast + lunch *included* (to-go sandwiches for treks)
- Dinner + dessert *included*
- Orange Sky advice *included*

DAY 3: Yosemite + Return to San Francisco

Today you'll wake up to another complete breakfast (French toast + fruit, anyone?) followed by a team-effort breakdown of our campsite. You can then lounge on the beach to tan, float in the Merced River, or browse the gift shops and museums at leisure, which you may not have had time to do yet. In the late afternoon, we'll head home to downtown San Francisco with an estimated arrival time of 10 p.m., a good ending to our Yosemite camping trip with friends.

- Breakfast + lunch *included*
- River tubes *included*
- You pay for your dinner on the way home (a quick stop)
