MEMORIAL HIGH SCHOOL

A qualitative Catholic education in the Marianist Tradition

WHO WE ARE.

WE ARE ONE HEART. ONE MIND.

“The community of believers was of one heart and mind...”

Acts 4:32

Kellenberg Memorial believes in an education of both the Heart and the Mind. Our school lives out a **Catholic Identity** and encourages students to grow into a personal relationship with Jesus Christ. Kellenberg Memorial promotes a daily prayer life along with spiritual enhancements such as retreats, mission trips, and service opportunities that will enhance the faith life of our students.

Focusing on the development of the whole person, a strong emphasis is placed on the formation and growth of faith in each and every Kellenberg Memorial student. Through daily prayer, personal reflection, monthly Mass, school-wide prayer services, divisional retreats, Advent and Lenten Missions, as well as a wealth of extracurricular activities centered around community service and personal sacrifice, students are invited to experience their faith on a deeper level and incorporate that faith into their daily lives. Through the spiritual dimension of their education, students grow into mature, Christian men and women, all in an environment that focuses on the core values of Civility, Order, and Respect.

WE ARE MARIANIST.

Established in 1987, Kellenberg Memorial High School has quickly grown to become one of the most prominent Catholic high schools on Long Island. Providing a Qualitative Catholic Education in the Marianist Tradition through a growing family of faculty and alumni, all housed on an exquisite, twenty-six-acre campus, Kellenberg Memorial High School truly lives up to its mission of providing, *"A Beautiful Place To Grow."* Kellenberg Memorial serves many Catholic students on Long Island by providing a college preparatory education through a time tested liberal arts curriculum, supplemented by new and innovative programs, that develops strong study and time management skills. Blessed William Joseph Chaminade, the founder of the Marianist Order, proclaimed that, *"New Times Demand New Methods."* In this spirit, Kellenberg Memorial began converting to the use of the iPad in 2014. Today, all students in grades six through twelve enjoy the enormous versatility, accessibility, and flexibility of this device.

Marianist Educators, Priests, Brothers, and lay men and women, have a very long and successful tradition of training the minds and hearts of young people throughout the world. The Society of Mary was founded in France in 1817 by Blessed William Joseph Chaminade immediately following the French Revolution. It was because of his commitment to the Church, to Mary, and to Jesus Christ that we are here today, educating our students so that they may become good disciples of Jesus Christ, faithful members of the Church, and fine role models.

Faith is a primary aspect of the Kellenberg Memorial School Community. In addition to the academic and extracurricular programs at Kellenberg Memorial, students also share in a faith experience within the context of a Catholic school community. All activities, both inside and outside of the classroom, are carried out in the spirit of the Gospel of Jesus Christ. Through the spiritual dimension of their education, students grow into mature, Christian men and women. Retreat Programs are held in Emmanuel Retreat House on campus, at Stella Maris Retreat House in Islip, New York, and at Founder's Hollow, a Marianist Retreat Facility in upstate New York. The following programs contribute to the faith dimension of Kellenberg Memorial High School:

- Retreat Staff

Students in Senior year or advanced in science Junior year may have the opportunity to study Environmental Science, Health Science, Engineering, Geology, Sports Medicine, Forensics, or Astronomy. Many of these science courses allow dual-enrollment for college credit. Based on projected college course of study and historical academic performance, Seniors may have the opportunity to study Pre-Calculus, Calculus I, Calculus II, or Statistics & Finance.

WE ARE EXTRAORDINARY.

ACADEMICS

DUAL-ENROLLMENT CLASSES FOR COLLEGE CREDIT

Students in all academic programs can elect to take college credits from the following institutions: St. John's University, Farmingdale State College, Hofstra University, and Molloy University. Courses include: American History II, Calculus I, Calculus II, Art Portfolio Preparation, College Writing, World Literature, Physics, Christian Existence, Latin, Environmental Studies, French, Spanish, Astronomy, Engineering, Geology, and Sports Medicine.

ENRICHMENT & ELECTIVE COURSES

Students can take elective courses in Computer Science, Computer Applications, Digital Media, Music Theory, International Studies, Science Research and Inquiry, and Art Portfolio Preparation. Additionally, a student can also take Band, Chorus, or Orchestra during the school day.

TECHNOLOGY

Kellenberg Memorial continues to feature a time-tested Marianist education while introducing cutting edge technology. Our students are engaging the iPad as the primary source of textbooks, notebooks, and workbooks, as well as utilizing the device as a means of sharing work collaboratively in class and with their teachers. By harnessing the vast power of this digital resource, students are meeting the traditional demands of a Catholic education with almost limitless resources. A \$200 annual payment enables a "lease to own" program so that the student graduates with the device that encapsulates his/her entire high school education.

ACADEMICS

UNIQUE ACADEMIC INITIATIVES

LABORATORY ASSISTANT PROGRAM

Offered to select, high achieving senior students who are interested in a career in science, this role develops leadership skills by full immersion in the Lab experience across grade levels.

SCIENCE SEMINARS

A unique opportunity for high achieving science students that cultivates scientific literacy, interdisciplinary study, and open-ended laboratory investigation. Courses include: Earth Science, Biology, Chemistry, and Physics.

STEM

Robust after school programs foster individual pathways that complement classroom instruction. DISTINCTIVE GUIDANCE RESOURCES

The services of the Guidance Department are integral to the educational program at Kellenberg Memorial. Guidance Counselors, who are a blend of teachers and full time Guidance Counselors, assist and support students as they transition to the school environment, create personal and academic goals, engage in healthy decision making, and prepare for the demands of post-secondary education. Additionally, we have full-time Social Workers and a School Psychologist who supervise crisis interventions and provide support and direction for students with mental health or social-emotional issues. Finally, the Guidance Department is responsible for record keeping and management as well as standardized testing, including the PSAT, SAT, and ACT exams. Other resources are:

- College Admissions Liaison
- NCAA Coordinator
- Individual College Placement Counselor
- College Night for Seniors
- Career Night for Juniors
- College Representatives Visits
- On-site Instant Decisions for Colleges
- College Test & Application Preparation Course
- Financial Aid Workshops

ADMISSIONS

HOW TO APPLY

In order to be considered for admission to the Freshman class, the student must successfully complete the eighth grade by passing all classes and presenting adequate academic credentials. This year, the CHSEE team has partnered with the Diocese of Brooklyn and the Archdiocese of New York to use the same online TACHS exam for all students. Registration details are available on the CHSEE website. The TACHS exam will be given on November 4, 2023. For more information, please visit the Catholic High School Entrance Exam at chsee.org. **To be considered for admission, applicants must take the TACHS without accommodations.**

Candidates for admission to the freshman year are notified of their status by email in January. Applicants who submit email contact information when registering for the TACHS will be notified electronically on Wednesday, January 10, 2024.

KMHS does not discriminate on the basis of race, color, sex, or national or ethnic origin in its educational, admissions, or financial policies, activities, athletics, or school administered programs.

KMHS, a Roman Catholic coeducational school, was founded to serve the Catholics of Long Island. Priority of admission is given to young men and women who are baptized and practicing Roman Catholics and, when space is available, practicing non-Catholic Christians.

WE ARE FAMILY.

Tuition for the 2023-2024 school year is \$12,975.00, the \$200.00 iPad Fee, and the \$25.00 Environmental Awareness Initiative. This amount may be paid in full, in two installments, or over a ten-month period. If tuition is paid in full by August 7th, the family receives a \$150 discount. Parents are required to enroll in FACTS Management. All tuition is processed through FACTS Management. The two-payment option asks for one-half of the tuition on August 7th and the second half on January 7th. There is a \$425 non-refundable registration fee once a student has been accepted. There are no scholarships or other forms of student financial aid at the school.

In addition to the high school program, Kellenberg Memorial also has a middle school division for sixth, seventh, and eighth grade students. For more information on the Brother Joseph C. Fox Latin School, please contact the Latin School Office at 516-292-0200, ext. 380.

EXTENSIVE ALUMNI NETWORK

Over the past 35 years, Kellenberg Memorial has sent forth over 14,500 Firebirds who are transforming the world through hearts and minds nurtured by their Marianist education. Our graduates go on to become global leaders in finance, law, medicine, technology, education, civil service, and engineering. Many Firebird alumni choose to lead lives of service to others by entering into religious life or becoming members of the armed forces, police departments, and fire departments.
