

Legacy Studios – Class of 2027

Dear Parent(s) and Members of the Class of 2027,

We are very excited and pleased to announce that the Class of 2027 will be photographed by Legacy Studios for your yearbook portrait this Summer and Fall. Legacy Studios will bring their complete portrait studios to our campus. You will be emailed a scheduling link to reserve your senior portrait session online.

Legacy Studios photographs seniors at more than 100+ area high schools and at some very prestigious institutions such as Harvard University, Boston College, Brown University, Providence College, Howard University, The United States Military Academy – West Point and the United States Naval Academy, just to name a few.

All students must sit for a yearbook portrait in their school blazer and not their senior sweater!!

If you prefer and it is more convenient for you, Legacy Studios also has a studio in Melville at 535 Broadhollow Road, Suite A5, Melville, NY 11747. Scheduling sessions at the studio begins on Saturdays in late June. Upon pulling into 535 Broadhollow Road, turn right and park near the South Lobby Entrance closest to Duryea Road. Upon entering the South Lobby, make a right at the first staircase, Suite A5 will be the third door on your right. This is an extra, paid service.

You may still take portraits for free at Kellenberg Memorial during the school year the week of Monday, September 28 through Friday, October 2. You will be able to schedule this session, or the private session at Legacy Studios, through the link that will be provided.
