PGSF DIRECTORY OF SCHOOLS 2017–2018

HOW TO USE THIS DIRECTORY

This directory lists the various technical schools, colleges, and universities throughout the United States where courses in graphic communications or printing are offered.

- 1. They are an accredited technical school, college, or university;
- 2. They offer one or more degrees, including one-year certificate, associate, bachelor’s, master’s, or doctoral;
- 3. They offer a complete course of study in graphic communications technology, which includes instruction in prepress, press, and finishing operations;
- 4. They provide specialized graphic communications training in fields such as science, chemistry, management, or education.

The background of the slide is composed of numerous thin, radiating lines that originate from a point on the left edge and extend towards the right. These lines are colored in two shades of green: a light, minty green and a slightly darker, muted teal. The lines are arranged in a fan-like pattern, creating a sense of movement and depth. The text "Welcome to the..." is centered horizontally and positioned in the middle of the slide, overlaid on the pattern.

Print and Graphics Scholarship Foundation

About PGSF

The Print and Graphics Scholarship Foundation (PGSF), is a not-for-profit, private, industry-directed organization that dispenses undergraduate college scholarships and graduate fellowship assistance to talented men and women interested in graphic communications careers. The mission of PGSF is “to strengthen the print and graphics industry by providing scholarship assistance.” Housed under the same roof as Printing Industries of America, the Print and Graphics Scholarship Foundation has coordinated the printing industry’s largest scholarship program since its inception in 1956. Individuals, companies, and associations provide scholarship funds to PGSF, which administers the scholarship and fellowship programs for the industry.

Over 100 industry leading companies and individuals have endowed permanent scholarships at PGSF. The future of the graphic communication industry lies in the development and education of today’s students. Nearly 200 scholarships totaling approximately \$400,000 are awarded each year.

For more information on PGSF, please visit www.pgsgf.org or www.printing.org/pgsf, or write to 301 Brush Creek Road, Warrendale, PA 15086-7529 (phone: 412-259-1740).
