

DISCLOSURE STATEMENT

Electricity Supplier: Constellation NewEnergy, Inc. ("Constellation")
Utility: Ameren

<p>Electricity Supply Pricing: For the Initial Term, you will pay 5.49¢ per kilowatt-hour, multiplied by your Accounts' metered usage. Starting June 1, 2017, the Future Energy Jobs Bill ordered the Utility to begin collecting portions of the Illinois Renewable Portfolio Standards ("RPS") costs. These costs had previously been collected and paid by suppliers like Constellation. The Utility will begin collecting portions of RPS from you over time. Therefore, this Pricing only includes the portions of the RPS costs that Constellation will collect (50% starting June 1, 2017, 25% starting June 1, 2018, and 0% starting June 1, 2019 to the extent such years overlap with the Initial Term). You will not receive a credit once these charges begin appearing on your Utility invoices.</p>
<p>Term of Agreement and Renewal: Your electricity service from Constellation will start on the first available meter read following successful enrollment and continue for 12 billing cycles ("Initial Term"), unless terminated pursuant to the terms of this Agreement. Initial enrollment can take up to two months to complete. Between 30 and 60 days prior to the end of the Initial Term or Renewal Term, Constellation will send you a contract expiration notice and offer to renewal for another term ("Renewal Term"). This notice will include, without limitation, the new product, pricing, the length of the Renewal Term, and any other changes to the terms and conditions ("Offer"). You will have 10 days from the date of the Offer to reject the Offer. Otherwise, the Offer will be deemed accepted by you without the need for further signature or other affirmative action by you. If you reject the Offer in the manner directed in the Offer, your Accounts will be returned to Utility service at the end of the current Term.</p>
<p>Early Termination Fee: \$50 per account (applies beginning 11 business days following the date of your first invoice)</p>
<p>Billing: Utility Billing</p>
<p>Rescission Rights: Unless you are already a customer of Constellation or a commercial customer using more than 15,000 kWh annually, you may rescind this Agreement by contacting Constellation before Constellation submits the enrollment request for your Accounts to the Utility, and you may also rescind the Agreement and the enrollment within 10 days after the Utility processes the enrollment request by contacting Constellation. Residential customers may also contact the Utility to rescind.</p>
<p>Deposit or Other Fees for Switching to Constellation: Constellation does not charge or collect a deposit or switching fees to switch to Constellation's service. Your current supplier and/or the Utility may charge such fees.</p>
<p>Guarantee Period: You may terminate this Agreement without incurring an early termination fee within 90 days after entering into it (the "Guarantee Period") by notifying Constellation that you would like to return to Utility service. Upon your termination of this Agreement during the Guarantee Period, your Accounts will be returned to Utility service on the next available meter read date and will remain responsible for payment for electricity supply and related costs and charges incurred under this Agreement. Any incentives Constellation may offer to you in connection with you entering into this Agreement require your Account to be active and in good standing at the time the incentive is fulfilled.</p>
<p>Savings: Savings are not guaranteed.</p>
<p>Constellation Renewable Product: The electricity supply service includes renewable energy certificates sourced from wind power generators within the United States in an amount equal to 100% of the Accounts' usage, in addition to the mandatory renewable portfolio standard requirements for the state in which the Accounts are located, during the term of this Agreement. The renewable energy is provided to you for your residential use only, and will not make you eligible for any tax credits or other third party subsidies.</p>

<p>General Disclosures: Constellation is an independent seller of power and energy services, certified by the Illinois Commerce Commission. Constellation does NOT represent or act on behalf of the Utility, governmental bodies or consumer groups. The prices of Constellation are not regulated by the Illinois Commerce Commission. You do not have to buy Constellation electricity supply or any other product in order to receive the same quality regulated service from Ameren. The Utility remains responsible for the delivery of power and energy to your premises and will continue to respond to any service calls and emergencies. Switching to Constellation will not impact your electric service reliability. You will receive written notification from the Utility confirming a switch of your electricity supplier. You may purchase electricity supply service from an alternative retail electricity supplier, such as Constellation, or from the Utility. You may also request from the Illinois Power Agency, free of charge, a list of all supply options available in a format that will allow comparison of prices and products. The most up-to-date information is available online at www.PlugInIllinois.org. If you are a net metered customer and switch suppliers, you may forfeit credits for electricity supply service and delivery service.</p>
