February 27 – March 1, 2019 / Grand Hyatt Tampa Bay, Tampa, Florida

SUBMIT PROPOSAL

The second annual National Student Success Conference: Innovators & Innovations in Higher Education, cohosted by the University of South Florida and the Florida Consortium of Metropolitan Research Universities, will bring together higher education thought leaders and practitioners from across the nation to discuss student success trends, challenges and best practices related to:

- Admissions
- Financial aid
- Advising
- Student affairs
- Health and wellness
- Housing and residential education
- Undergraduate education
- Institutional research
- Predictive analytics
- Information technology
- More!

We invite you or a colleague to submit a session proposal by September 1, 2018, on an innovative student success program, practice and/or insight related to any of the higher education topic areas bulleted above. Proposals that bring together representatives from two or more colleges or universities will receive high priority.
