Stay Registered, Keep your Stuff

Annual reports are due **April 29**. Clubs must complete this mandatory requirement to remain registered with the SU. Visit our [Help Page](#) for a step-by-step guide. Also, check out our (optional) [Clubs Survey](#) to win prizes and help us improve services!

April 29 is also the deadline to clean out your club locker. Anything left in the clubs basement or west clubs area will be disposed of after this deadline (as per the [terms and conditions](#)).

Annual Reports Due April 29!

(Which coincidentally is also the Locker Clean-Out Deadline)

Posters, trifolds, and other cardboard not belonging to a currently registered club will be removed and disposed of to clear up space for next year. Take this stuff home or lose it forever!

CCR Deadline: May 13

The deadline to add new positions has passed. Any new positions added before this deadline are currently being reviewed by the CCR team. You should receive an email from lead@ucalgary.ca once they're online! For more info about the CCR, check out our [FAQ](#). **The deadline to register for CCR positions is extended to May 13th.** Don't forget to verify your club members' involvement on your [Annual Report](#)!

Great Job, Valuable Experience, Too Little Pay?

The Students' Union Program for Education Related Work (S.U.P.E.R. Work) program provides a \$1000 wage subsidy to University of Calgary undergraduate students earning less than a competitive wage at a summer employment position related to their degree program.
