## Taking over a clubs space near you...

From May 28 to June 3, the [University of Calgary](#), in partnership with the [Federation for the Humanities and Social Sciences](#), is proud to host the 85th edition of Canada's largest academic gathering of scholars. With seven days of over 70 academic associations holding annual conferences, 2,000 events, 5,400 presentations and over 8,000 attendees, the [2016 Congress of the Humanities and Social Sciences](#), will be huge!

So huge, in fact, that they're taking over the Clubs Workrooms (and pretty much every other space on campus) for the duration of their event. **No reservations can be made** for workrooms, and those that slipped through will be removed. Don't let that stop you from checking out the [Congress 2016 programming](#)!

## Great Job, Valuable Experience, Too Little Pay?

The Students' Union Program for Education Related Work (S.U.P.E.R. Work) program provides a \$1000 wage subsidy to University of Calgary undergraduate students earning less than a competitive wage at a summer employment position related to their degree program.
