

CLUBS News

I let my mind wander
and it didn't come back.

Positions is here! Wait, what's Positions?

ClubHub has a brand new feature that we're rolling out this month. It's called **positions** and you'll see it in the top right corner of your ClubHub portal. Now for some Q & A:

What is it? Positions is a way for clubs to keep track of their executives and designated space bookers.

How do I do it? It's easy! Check out the guide to positions on the [ClubHub help page](#). Remember that you have to be a designated booker before you can book MCEC rooms.

Can I add people other than the President and Bookers? Yes! But not yet. First, you can help us decide which positions to add by completing a [quick poll](#).

What will this change? While we already have this information, it was hard to find for current club execs. Now, anyone who's approved will automatically be a ClubHub portal admin (saves you time) and you'll see who's who right on the portal.

What's next? We're still testing this out right now, so your patience is appreciated. Our next challenge will be integrating **room** and **event requests**, so stay tuned!

Sign Up for Campus Expo

The U of C's Leadership and Student Engagement office invites your club to participate in the Campus Expo on Tuesday, September 6th during Orientation Week!

The Campus Expo is held annually on the first day of Orientation Week in the TFDL quad, and is the first opportunity for incoming students to learn about campus services, the SU, and SU Clubs. If you are interested in participating in the Campus Expo please email eventso@ucalgary.ca. Clubs will be assigned tables on a first-come, first-served basis.

Clubs Week: Yes, it is Different!

As Bob Dylan once said, what was outside must come in. At least he would have said that to describe the difference between Campus Expo and Clubs Week.

Hosted by the SU, Clubs Week is a 5-day extravaganza of membership recruitment, networking, and advertising for your clubs. Sign-up opens on September 5th on [ClubHub](#).

Important Dates
