ORANGE MOCHA FRAPPUCINNOS!

So this is September...

With [Clubs Week](#) just around the corner and spots booking up quickly, it seems like just yesterday we were saying hello to summer and farewell to school.

I bet you're wondering why I gathered you here today.

Before we get into all the fun of the Fall, there's a few reminders we need to share:

ClubHub 101: Previously called *Survival Seminars*, they're still mandatory for two club execs to attend a 30-minute session. Running from [Sept 27-30 on the main campus](#), we even have special sessions at [Foothills Campus](#) for Med / Vet Med clubs Sept 26!

Insurance: All clubs must complete the [2016 / 17 Club Insurance Form](#), even if you're just having on-campus events. This form (and any payment if you're having off-campus or alcohol-related events) is due **October 14**.

Member / Discount Cards: Did you know you can give all of your club members discounts in MacHall just for signing up? Get your cards from the CSO in the Clubs Office!

Free Pop and Other Requests: Spaces are filling up fast in MSC for September, and we need two weeks' notice for all requests. Almost all of our [lockers](#) are also reserved at this time. Be sure to get these in ASAP!

Speaking of Spaces: A new way to book spaces in MacHall is coming. Tired of having to do two forms? Us too. That's why we've worked hard all summer to use ClubHub better (although our sentence structure still needs work). Keep an eye out next week for this exciting update!

Jr Exec Program: ClubHub 101 will cover the basics, but look for the Clubs Committee during Clubs Week to get the lowdown on [what's in store this year!](#)

NUTV 25th Anniversary

NUTV, University of Calgary's campus-based television station, is celebrating its 25th anniversary on Sept. 16 at the Taylor Institute for Teaching and Learning. Celebrate the television station's importance as a media learning environment with speeches from notable alumni, a sizzle reel of footage dating back to the 1980s and a glance at its present day and future activities.

Beginning as a club in 1984 and evolving into a registered society in 1991, NUTV continues to play an important role in the media arts community. NUTV's 25th Anniversary Party is free and open to everyone. [RSVP HERE!](#)
