The harder you work,
the luckier you'll get.

Something Completely Different...

OK, so Clubs Week wasn't *completely* different, but what did you think of the new set-up? Also, there's still one day of fun left, so be sure to get out there and find your new favorite club!

We're also excited to re-announce the launch of our new all-in-one space booking system. Check out the [FAQ](#) sent out last week. Remember that if you get a message from the Clubs Office we need to hear from you ASAP to approve your events and book your spaces. Our goal is to make this process easier!

Mandatory Stuff for All Clubs

Registering your club with the SU isn't all Clubs Week and Meet and Greets. There's also some requirements!

ClubHub 101 sessions start **Sept 27** (with a bonus session Sept 26 @ Foothills campus). All clubs **must send two representatives** and they need to sign in. Bring a tablet, laptop, or mobile device to play along as we cover the club management essentials!

Bring a Device!

Get interactive at ClubHub 101. Bring a laptop, tablet, or smartphone to get the most out of these sessions.

Club insurance is free for on-campus events, \$25 for off-campus, and \$50 for alcohol-related events. Every level of club insurance requires a [form](#) to be completed. Forms and payments are **due October 14**.

A **Survival Guide** of requirements and optional extras has been posted on our [resources page](#). If you prefer, colorful handouts will be available at CH101 sessions!

Hey, Researchers!

Have you conducted research? Do you want to receive money for that research? Apply to the **Undergraduate Research Symposium** now!

Send in your abstract for the chance to compete in a poster competition. There's \$27,000 in awards available. Check out [SU website](#) for more information!
