Arrival of the Updated Funding Request Form

The updated [SU Club Funding](#) form has new criteria for Special Event and Last-Minute funding. You can now choose up to two [Club Award](#) categories that best fit your event:

- Advocacy
- Alumni Engagement
- Collaboration
- Community Service
- First Year Engagement
- Innovation
- Leadership
- Quality of Education
- Sustainability
- Student Life

This can give you more information to go off of when submitting your request form, improving the overall quality of your funding request.

Pro Tip: You can use info from your funding requests at the end of the year when applying for Club Award nominations!
